DIVISION III—THE CHRONOLOGICAL ROLL, PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this Division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepencies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. (Conference Secretary)

Symbols used *before* each name denotes the catagory of Conference membership and the number indicates his place in the chronological order. Hence R—1 means the first place in the Retired category. R—The Roll of Retired Men; DLS—The Roll of Men on Disability; FC—The Roll of Effective Members; PM—The Roll of Probationary Members; RAM—The Roll of Retired Associate Members; AM—The Roll of Associate Members; LP—Lay Pastors; RLP—Retired Lay Pastors; PT—Part Time; FT—Full Time.

The Symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). *—No Record of Attendance at Annual Conference.

NOTE—The service years listed with each person is included as INFORMATION ONLY. While every effort is made to make this accurate, it is not the secretary's responsibility to determine the ramifications of Pension credit. This is the responsibility of the Board of Pensions. So, if the listed number of service years does not seem to be correct in your case, you will need to get in touch with the Board of Pensions—The Conference Secretary.

A memoir of each deceased minister or wife or widow of a minister, and diaconal minister shall be provided by the Commission on Archives and History for publication in the *Journal*.

Administrative Procedures of the Annual Conference

10. The rules of order of the preceding General Conference shall govern parliamentary procedure in this conference in all matters not covered by the rules. In order to be recognized to address the conference, each person must identify him/herself as to name and the capacity in which he/she is entitled to speak to the session.

11. Reports and resolutions:

(a) All reports and resolutions shall be typewritten, double spaced, and submitted in duplicate; and shall be placed on the conference calendar in the order in which they are filed with the Assistant Secretary or the Journal, who shall be the Calendar Secretary, or in the order designated by the Committee on Program. The reports and resolutions shall lie on the Calendar Secretary's desk for at least one business session before being acted upon by the conference.

(b) By a two-thirds vote of those present and voting a calendar item may be taken up out of order for consideration.

(c) All amendments to reports of boards and agencies as printed in the *Brochure of Reports* and all motions arising from the floor of the Conference shall be made in writing on a form provided by the Conference Secretary.

12. Election of General and Jurisdictional Delegations:

(a) Delegates to the General and Jurisdictional Conferences shall be elected according to stipulations in Par. 601 of the Discipline, and they shall serve in all sessions of these conferences held during the quadrennium.

(b) In the election of delegates, four teams of tellers, two clerical teams and two laical teams, consisting of ten members each and making a total of forty persons, shall be appointed by the Presiding Bishop, who shall designate a member of each team as chairman.

(c) In the election of these delegates the ballots furnished to the conference by the Secretary shall be numbered consecutively, and no vote shall be valid unless cast on the ballot bearing the number designated by the presiding officer for any particular ballot. Ballots furnished to the lay delegates shall be different in color from those furnished to ministerial delegates. Sets of ballots shall be distributed to official delegates upon registration at the conference session.

(d) In an election year, the district superintendent shall call a caucus of lay delegates in the district to the upcoming annual conference for selection of five persons for places in the general and jurisdictional delegations. Disciplinary stipulations will be made clear on the occasion, and availability of suggested persons determined. Biographical data, business and professional identity, and

church experience shall be provided by the district superintendent for publication in the *Brochure of Reports* on a standard form to be provided by the editor. The caucus shall be held prior to March 1 and data for publication shall be provided the editor no later than April 1. This procedure shall not preclude any lay delegate voting for any persons he or she chooses as actual balloting at conference takes place. Prior to annual conference, and following district caucuses, an assembly of all lay delegates shall be called by the conference lay leader to allow delegates to become aquainted with persons named at caucuses and others present who may be prospects for election. (See page 150, 1977 Journal.)

13. Annual Conference Lay Delegates:

The district caucus shall be composed of one voting delegate (ages 14-24) from each local church and shall be convened by the District Coordinator of Youth Ministries in cooperation with the District Superintendent, and under direction of the Conference Council on Youth Ministry.

(b) In compliance with the disciplinary requirement (Par.36) of lay representation in the Annual Conference session equal to the clerical membership, the following plan shall be observed to keep the two in balance: (1) On January first of each year the Conference Secretary shall ascertain whether the upcoming session will be in balance with respect to laical and ministerial membership, and, finding need to name added laical members will follow this procedure: (2) The Conference Secretary will name the needed number, taking notice of these priorities: (a) The first eighteen will be chosen alternately from the District Lay Leaders and District Presidents of United Methodist Women. In the event that less than eighteen are needed, he will make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in the scale. (b) Next as needed he will name full-time lay workers on the staff of the Conference Council on Ministries. (c) Next he will name full-time lay workers who have been consecrated. (d) Next he will name lay-persons who are chairpersons of conference boards and agencies. (e) Next he will name lay members of the general and jurisdictional delegations in the order of their election. (f) All persons selected by this process shall be safeguarded to serve by notice sent to their Charge Conferences to replace them if they have already been elected as charge delegates to the Annual Conference.

14. Other voting procedures:

(a) In all matters of voting and election other than covered in Rule Ten a team of tellers, composed of one ministerial and one laical member from each district, shall be named by the chair to serve.

(b) In certain matters, such as voting on constitutional amendments, the official ballots shall be those provided by the Conference Secretary.

15. All applicants for the local pastor relationship, for probationary or full membership, or for reception into our ministry from another Christian church shall present a certificate of good health on the approved form and from a physician acceptable to the Board of Ordained Ministry.

16. The character of all ministerial members of the conference shall be examined by the Conference Relations Section of the Board of Ordained Ministry, and the section's report shall be submitted to the conference for action.

17. The conference *Journal* and *Brochure of Reports*:

(a) The publication and distribution of the Annual Conference *Journal* shall be under the supervision of the Assistant Secretary for the Journal, with the assistance of an Editorial Committee, composed of the Conference Secretary, the Statistician, the Treasurer, and the Executive Director of the Council on Ministries. The *Journal* shall be printed in such numbers as to provide adequate copies to local churches, a copy to each retired minister or widow of a minister, to each minister on disability leave, to each minister under special appointment, to each diaconal minister, and to supply requests of General Boards and Agencies.

(b) The Conference shall elect an Assistant Secretary for the Journal quadrennialy, upon nomination by the Council on Finance and Administration.

(c) The Assistant Secretary for the Journal shall be responsible for preparation of the brochure of conference board and agency reports and for distribution of the brochures to all pastors, all regular laical delegates, Conference President of United Methodist Women, Conference Lay Leader, youth delegates, retired ministers, ministers in special appointments, conference staff persons, the Presiding Bishop, the District Superintendents, minister on disability leave, seminary students, district lay leaders, district presidents of United Methodist Women, and diaconal ministers.

18. Board Memberships and Trusteeships:

(a) No person may serve on more than one quadrennial agency of this conference at the same time, except as provided by the *Discipline*, nor for a longer period than eight consecutive years, nor for more than eight of any consecutive twelve years, except that members of the Commission on Archives and History may serve on another agency of this conference at the same time. Persons may be enlisted to assist boards and agencies for specific tasks in advisory and non-voting capacities and should be drawn from within the bounds of the conference.

(b) No person shall serve on more than one Board of Trustees or Board of Directors of institutions or agencies related to this Annual Conference at the same time. Nothing in this rule shall be construed to mean that persons may not serve concurrently on boards of trustees or directors and as members of quadrennial boards and agencies or ex officio trustees or directors, where disciplinary provisions apply.

(c) Persons who are inactive, that is, by failing to attend and participate in the meetings and programs of a given board or agency, for one year without legitimate excuse shall be replaced at the end of any current year.

(d) No ministerial member shall serve more than nine consecutive years (three terms) as a trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service.

19. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Discipline*, shall continue through the session of the Annual Conference immediately following the General Conference for the purpose of completing their business.

(b) Every year the Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference

session, in order to inform nominees of their selection and anticipated confirmation at the session, so persons not delegates to Annual Conference may plan to be present for the organizing meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers. The time requirements herein shall pertain as well to nominations made to fill vacancies at other sessions of the Annual Conference.

20. There shall be nine Districts in this Annual Conference.

21. A District Conference may be held annually in each district of this Annual Conference, at the discretion of the District Superintendent.

22. In addition to the disciplinary membership of the District Conference, every charge in this Annual Conference shall be entitled to six delegates to a District Conference. Circuits having more than six churches shall have an additional delegate for each church. Charges having more than one thousand members shall have an additional delegate for each two hundred members, or two-thirds fraction thereof, of such surplus membership.

23. In harmony with Par. 716 of the *Discipline*, the Council on Finance and Administration shall recommend an annual apportionment sufficient to provide for support of the District Superintendents.

24. A District Superintendent shall not serve on a quadrennial board, commission or committee, except as specifically provided by the *Discipline*. Vacancies occurring by appointment of members of boards, commissions and committees to the District Superintendency shall be filled by the conference session when such appointments are made. There shall be a representative of the cabinet on each program agency, who shall be named by the cabinet.

25. Budget requests and the Council on Ministries:

(a) Boards and agencies requesting funding items to be included in apportionments shall present their askings to the council on ministries in writing on the form provided by the council; with such requests to be presented by a representative of the board or agency appearing before the Budget Committee of the council; at a time and place set by the council on ministries, with not less than thirty days' notice of such meeting being given by the council. The chairperson of each conference agency, or other duly authorized person, shall have opportunity to represent the chairperson's agency before the Council on Finance and Administration as provided by the Discipline (Par. 708).

(b) The council on ministries shall present the total amount of the budget request it approves to the Council on Finance and Administration for its action as an item in the Conference Benevolence Budget.

(c) The council on ministries may adjust program budget items between Annual Conference sessions if the necessity arises because of inadequate income or changing needs within the council and the Annual Conference operation; provided the total amount approved by the Annual Conference is not exceeded in such changes; and provided, further, that such changes must be accomplished by the following means: the Budget Committee of the council on ministries will confer with the boards and agencies involved, and, after thorough study, will present its recommendation to the council on ministries, which may then make adjustments approved by a two-thirds vote of members present and voting.

26. In the allocation of askings on the formula basis, the non-building budget shall not include any monies expended for the following items:
(a) Buildings and improvements and capital indebtedness.
(b) World Service Specials.
(c) General Advance Specials.
(d) Conference Advance Specials.
(e) Remittances by United Methodist Women to the Conference Treasurer.

Let the people meditate on the following words:
"Into thine hand I commit my spirit; thou has redeemed me, O Lord God of truth." Psalm 31:5

THE CALL TO WORSHIP

Minister: Do you feel rejected?
People: Jesus said, "Him who comes to me I will not cast out" (John 6:37)

Minister: Do you feel unloved?
People: Jesus said, "As the Father has loved me, so have I loved you" (John 15:9)

THE HYMN — "For All The Saints" — Sine Nomine

For all the saints,
Who from their labors rest,
Who thee by faith
Before the world confessed,
Thy name, O Jesus,
Be forever blest.
Alleluia, Alleluia!

Thou wast their rock,
Their fortress, and their might;
Thou Lord, their captain
In the well-fought fight;
Thou, in the darkness drear,
Their one true Light.
Alleluia, Alleluia!

O may thy soldiers,
Faithful, true, and bold,
Fight as the saints
Who nobly fought of old
And win with them
The victor's crown of gold.
Alleluia, Alleluia!

O blest communion,
Fellowship divine!
We feebly struggle,
They in glory shine;
Yet all are one in thee,
For all are thine.
Alleluia, Alleluia!

And when the strife is fierce,
The warfare long,
Steals on the ear
The distant triumph song,
And hearts are brave again,
And arms are strong.
Alleluia, Alleluia!

From earth's wide bounds,
From ocean's farthest coast,
Through gates of pearls
Streams in the countless host,
Singing to Father, Son, and Holy Ghost,
Alleluia, Alleluia!

DIVISION VIII—REPORTS OF BOARDS AND AGENCIES

BOARD OF ORDAINED MINISTRY

The 1976 *Discipline* delegates sixteen responsibilities to the Board of Ordained Ministry including enlistment, testing, guidance, interviewing and evaluating candidates, maintaining records of each candidate's progress, promoting and administering the Ministerial Education Fund (MEF), continuing education for ministers and making reports and recommendations to the annual conference regarding matters related to ones conference relationship. The main objective of these responsibilities is to give guidance, supervision, support and assistance to a minister from the time he applies for candidacy through retirement.

In an attempt to effectively fulfill these responsibilities, the Board of Ordained Ministry works with the bishop, the cabinet, the nine district committees on ordained ministry, and through the three sections of the board and its six standing committees. With the increased work load in the area of conference relations, the board has been restructured to include a section on conference relations. What was formerly known as the conference section has been renamed the Membership and Ordination Section, thus giving the board three distinct sections: Local Pastor's Section, Membership and Ordination Section and Conference Relations Section.

The Board of Ordained Ministry commends the churches of the Alabama-West Florida Conference for an increase of 4% in payments to the Ministerial Education Fund in 1977, however, it must be noted that we only paid 66% of the fund for 1977 which means that our conference failed to receive approximately $10,000.00 in ministerial scholarship funds to which it would have been entitled if we had paid the fund in full. Our conference ranked 15th out of 17 conferences in the Southeastern Jurisdiction and 62nd out of the 73 conferences in United Methodism in giving to the Ministerial Education Fund (MEF). As you can see, it is most important that we improve our giving record to the Ministerial Education Fund.

Feeling that it is beneficial to the student and the board to maintain a close relationship with our seminary students, a representative from the Board of Ordained Ministry has visited with the students on campus during the year. These visits enable us to keep the channels of communication open with those who are away from the conference completing their education.

Your Conference Board of Ordained Ministry recommends that:

(1) All Pastor-Parish Relations Committees become familiar with paragraph 401-405 of the 1976 *Discipline* in order to properly interview prospective candidates for the ordained ministry.
(2) Every local church observe Sunday, September 16, 1979, or a Sunday close to that date, as Ministry Sunday.
(3) Each Church accept and pay the Ministerial Education Fund in full.
(4) Every church accept ministerial education as a Conference Advance Special either by placing an amount in the church budget or by receiving a special offering.
(5) Every charge make available both time and funds to enable the minister to participate in at least one continuing education event during the year.
(6) All persons in appointments beyond the local church (Special Appointments) comply with paragraph 454 of the 1976 *Discipline*.
(7) Those who plan to ask for the retired relationship file this request with the board not later than April 1st prior to the session of the annual conference at which they plan to retire.
(8) Requirements for a License as Local Pastor in the Alabama-West Florida Conference shall include: (1) satisfactory completion of the Candidacy Studies (2) satisfactory participation in Local Pastor's License School, and (3) attendance at Ministers' Workshop. (Note: Graduation from seminary will satisfy requirement No. 2)

To be recommended as a local pastor to the annual conference the studies must be completed by February 1, preceding the session of that annual conference. Candidates who elect to do Advanced Studies must also do these in the Course of Study School. *Only one year of study described above can be done by correspondence and only with the recommendation of the District Committee on Ordained Ministry and approval by the Board of Ordained Ministry.*

8. Candidates who are in the *Part Time Local Pastor* category ARE NOT required to do the Five Year Course of Study in a Course of Study School. COMMITTEE ON PSYCHOLOGICAL TESTING AND GUIDANCE

The Committee on Psychological Testing and Guidance has had a busy year seeking to improve its procedures to better serve those coming into the Christian ministry and, at the same time, lift the level of the ministry of our conference.

All candidates for the ministry receive written examinations as well as interviews by competent counselors.

In February of this year the Reverend Charles Alexander, Executive Director of Pastoral Care and Counseling, represented our board and conference in Chicago at a meeting of representatives from all conferences in United Methodism to discuss testing procedures. We feel that this experience will enhance the work of our committee as he advises us.

It is felt that our committee has strengthened its work this year.

Torrence H. Maxey, Chairman

COMMITTEE ON CONTINUING EDUCATION

Events and developments across the general church in the area of continuing education are as exciting as they are difficult to keep abreast of as The United Methodist Church increases its commitment to this important factor in effective ministry. Our seminaries and colleges are gearing up to meet the challenge with summer courses, special programs, and short-term seminars that are being held here in the bounds of our own conference. The Committee on Continuing Education recommends the following:

1. That the section of the bishop's "Gold Star Program" dealing with continuing education be singled out and supported by district superintendents, pastors, and local church Pastor—Parish Relations Committees; and that churches be urged to encourage pastors to take advantage of continuing education opportunities by helping work out time and finances.

2. That Candler School of Theology and the General Board of Higher Education and Ministry be urged to continue working with Huntingdon College to offer the advanced course of study for lay pastors on an extension basis.

1b) Appointments to extension ministries.

1c) Conference members under appointment beyond the ministers usually extended through the local church and other institutions as listed in (a) and (b).

The special nature of appointment in category c is emphasized by the fact that these appointments are made on the recommendation of the cabinet and the Conference Board of Ordained Ministry, and confirmed by ⅔ vote of the annual conference. One may apply for such appointment but the above are charged with the right to determine whether or not the conference needs or desires to have this ministry performed and wishes to deploy its

personnel to this ministry. One requesting such appointment must show the need for ordination to perform the task, and how 'word and sacrament' will be used as an intentional fulfillment of the ordination vows; also, how conference relationship is necessary to the performance of the requested appointment.

A joint committee composed of cabinet representatives and members from the Conference Board of Ordained Ministry recommends that:

1. Those requesting appointment under category C be continued for the conference year 1978.
2. That following this Annual Conference a copy of this resolution and a request for compliance of Par. 454.1c, 1976 *Discipline,* be sent to ministers under appointment in this category.
3. That January 15 be set as the annual deadline for receipt of this requirement by those under appointment 454.1c of the Alabama-West Florida Annual Conference.
4. We recommend that a person unable to comply seek Honorable Location in accordance with Par. 435. Failure to comply with this disciplinary requirement will result in a recommendation of the Conference Board of Ordained Ministry for termination by action of the annual conference in accordance to Par. 438.

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry has been busy this year interpreting what the diaconal ministry is and what it means to the church. We have also attempted to assist those persons in professional careers within the church to understand how consecration as a Diaconal Minister is in answer to God's call upon their life. To help accomplish this a Diaconal Ministries Workshop was held in November at Blue Lake. Miss Edith Goodwin of the Division of Diaconal Ministry, Board of Discipleship in Nashville served as the workshop leader. As a direct result of this worship, several persons are applying for consecration at this session of the Annual Conference and others are working toward their professional certification.

There are presently thirteen diaconal ministers in the Alabama-West Florida Conference. We have had one transfer out of the conference and two transfers into our conference. It is important to emphasize that diaconal ministers are not just Christian educators and musicians, but includes anyone for whom the church has established professional standards and certification procedures such as Church Business Administrators, Directors of Evangelism, Church and Community Workers and Health and Welfare Workers as well as such persons as teachers who meet standards set by association or employing agency.

The board serves as the body which certifies and re-certifies annually professionals in education and music in our conference and attempts to be of support to the paraprofessionals. We presently have in our conference fourteen Directors of Christian Education, one Associate in Christian Education, one Minister of Christian Education and over twenty-two Educational Assistants. There are eight Directors of Music, one Associate in Music, four Ministers of Music and we do not have a list of Music Assistants. We would be happy to receive this information from local churches.

A task force has been at work this year putting together a short and simple interpretive folder to help explain what the diaconal ministry is, who it applies to and how that person can apply. These will be ready at annual conference for distribution.

At the time this report is being written a Salary and Support Survey of persons working in Christian education in our conference is being conducted. The results of this survey will be made a part of this board's report at annual conference. It is hoped that this survey will be of help to both local churches and educators as to the cost of salary, pension, insurance, housing, travel, continuing education and other benefits.

As we are now in the midst of a pension funding campaign for the ordained ministry, the Board of Diaconal Ministry wishes to remind local churches that they also have a pension responsibility to the diaconal ministers, lay professionals, and lay employees on their staff. A good way to meet this responsibility is through The Cumulative Pension and Benefit Fund of the General Board of Pensions of the United Methodist Church, 1200 Davis Street, Evanston, Illinois 60201. Churches may contact them directly for information.

Many requests have come to the board for assistance in how to work as a team in ministry from members of local church staffs. The joint Boards of Diaconal Ministry and Ordained Ministry will sponsor a Multi-Staff Workshop to be led by Dick Murray, Director of Continuing Education, Perkins School of Theology, SMU, in Dallas, Texas.

The tentative dates for this workshop are Tuesday and Wednesday, October 10-11, 1978, at Blue Lake. It will be necessary for the entire professional staff, including the senior minister, to attend as a group. It will also be helpful for secretaries to attend with their local church staff.

The board stands ready to assist local churches and interested persons in any way possible.

BOARD OF MANAGERS/PASTORS' ASSEMBLY

The 1977 Pastors' Assembly began Monday, September 26, at 2:30 P.M. in Oakwood Lodge, Blue Lake. The intense interest and enthusiasm evidenced during the keynote address, delivered by Bishop Carl J. Sanders, remained high throughout all sessions. The assembly concluded with lunch on Wednesday, September 28.

The attendance was the best we have witnessed in many years. Dogwood Camp was used to house some who could not be accommodated in Oakwood Lodge.

Discussion leaders and their topics were:

1. Dr. D. Elton Trueblood—"Relating the Gospel in Contemporary Society"
2. Dr. John M. Stapleton—"The Bible and Contemporary Preaching"
3. Dr. John H. Patton—"Personality Systems and the church"
4. Reverend Charles Alexander—"The Importance of Pastoral care in the Birmingham Area"

Our 1978 Pastors' Assembly will be held September 25-27, 1978.

Richard Walker, Jr., Chairman

COMMITTEE ON STANDING RULES

In Standing Rule 5 add district presidents of United Methodist Women in the first sentence, which will then read: "There shall be a Committee on Nominations, composed of the district superintendents, the conference and district presidents of United Methodist Women, the conference and district lay leaders," etc....

CONFERENCE COUNCIL ON MINISTRIES

PROGRAM PRIORITIES FOR 1978

Section I

The United Methodist Church states clearly that "The heart of Christian ministry is shown by a common life of gratitude and devotion, witness and service, celebration and discipleship. All Christians are called to this ministry of servanthood in the world to the glory of God and for human fulfillment." (Par. 101, 1976-Discipline)

Further emphasizing this in Par. 301 we read "All members of the Church are commissioned through Baptism and confirmation to ministries of love, justice and service within local congregations and the larger communities in which they live and work." In keeping with this concept, the Conference Council on Ministries would affirm this as the basis for all programming in the local church councils on ministries, the district councils on ministries, and all conference agencies.

In 1979, we will endeavor to make pastors and lay persons aware more than ever before of their "mutual ministry" in all phases of church life, particularly in determining programs and the direction of local church outreach. All persons should be given opportunities to grow in and to respond to the challenges of "mutual ministries".

Section II

In our efforts to strengthen our "mutual ministries", we would make the following recommendations of priorities:

1. Reaffirm our commitment to and seek implementation of the Biship's Gold Star Program.
2. Emphasis in the field of outreach in evangelism.
3. Ethnic minority local church enablement.
4. World hunger

Section III

In order to implement these priorities, the following suggestions are made.

1. Each district to plan its mutual ministry in evangelism through its district council on ministries with a District Rally in Evangelism in January or February under the leadership of Bishop Carl J. Sanders.
2. Enlistment of clergy and lay persons totalling 12 to 16 persons in each district to include one-third clergy, (including district superintendent) and two-thirds laity willing to be trained in leadership skills and then to share this training in their districts among local churches or clusters. Districts will design programs to utilize these leaders in local churches.

3. Mutual ministries emphasis will be made at:
   a. Minister's Workshop
   b. Preaching services at annual conference
   c. Pastor's Assembly
   d. Bishop's Convocation on Preaching
4. Booklet prepared on "success stories" from local churches who have achieved "mutual ministries".
5. Each local church should conduct a survey of its membership to discover its own priorities in its endeavor to bring its full membership into a "mutual ministry". (Conference staff are available to assist in this upon request)
6. Each church accepting "Advance Specials" in Ethnic Minority Local Churches Enablement and World Hunger in addition to full payment of line item on "Missional Priorities", thus emphasizing "mutual ministry" among all races and people.

Section IV

COUNCIL ON FINANCE AND ADMINISTRATION

Report No.1
Organizational Structure

We recommend that:

1. The financial office continue to operate as a part of the Conference Council on Ministries and tabulate church by church, fund by fund, the information given on the remittance blanks for the "Conference Depository."
2. The Commercial Bank of Andalusia, Alabama, be designated to serve as the "Conference Depository" to receive funds and keep specified records.
3. The financial office prepare reports as required by the Council on Finance and Administration and mail copies to persons who may need such reports.
4. The financial office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that copies of the checks issued be filed after having been charged against the account upon which they were drawn. It shall be the duty of the financial officer to keep the records, make the reports, and handle all the work of all the conference agencies.

5. ALL FUNDS ABOVE THE DISTRICT LEVEL be channeled through the Commercial Bank, Andalusia, Alabama, and records be kept by the financial office of the conference.

6. The duties of the financial officer be combined with those of the Executive Secretary of the Board of Pensions and Homes for Claimants, and other responsibilities assigned by the Council on Ministries or the Council on Finance and Administration.

7. Mr. Art Copper be continued Conference Treasurer for the quadrennium.

8. The Reverend Gerald Maddox be continued Conference Registrar for the quadrennium.

9. The Reverend Edward Cotten be continued Assistant Secretary for the *Journal* for the quadrennium.

Report No. 2
Rules of Procedure

1. The Council on Finance and Administration shall meet as needed during the annual conference session. Also, meetings shall be held at mid-year, pre-conference, and post-conference as needed, as well as on call by the president of the council.

2. All persons interested in presenting a request to the council are invited to do so or to attend any of the council meetings. All council meetings shall be open to all interested persons, except when by majority vote the council elects to meet in executive session.

3. Each agency whose records are not kept by the financial office is required to bond its treasurer and to provide a copy of the audit to the Council on Finance and Administration (Paragraph 708, 1976 *Book of Discipline).* Reports to the council shall be in such detail and provided at such times as the council may request.

4. The council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.

5. An audit of the complete financial status of the annual conference shall be published in the conference *Journal.*

6. All boards and agencies are required to cooperate with the Conference Treasurer in the development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the conference *Journal.*

7. The Conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the annual conference shall be allowed to withdraw funds or make expenditures on a monthly basis if needed. Funds available monthly will be equal to one-twelfth less twenty percent of the total allocation for the year or one-twelfth of the percentage of the preceding year applied to the current budget, whichever is greater. Monthly allocations will be available through the first eleven months of the year, with receipts in the last month being used to make adjustments in the account. If funds are not available for distribution as described above, the council shall make needed changes so that the financial office shall operate within the limits of its income and unencumbered balances.

8. The Council on Finance and Administration shall make emergency allocations from a contingent fund by a majority vote of the council. The contingency fund is derived from interest on investments of the current balances.

9. No capital funds drive for any institution or agency on an area level shall be considered by our annual conference until and unless the complete plans shall have been presented to the councils of the two annual conferences within the Birmingham Area.

10. No commission, board, agency, institution, church or individual shall attempt to raise funds for any purpose on a conference-wide basis without first making a request through the Council on Finance and Administration and the annual conference (Paragraph 724, 1976 *Book of Discipline).*

11. The adoption of reports and recommendations of the Council on Finance and Administration by the annual conference, shall become the final action of the annual conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commission and agencies. An exception is where there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants. In this case the request of the Board of Pensions and Homes for Claimants is given preference by the *Book of Discipline.*

12. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as a clearing house for all agencies in the annual conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the council.

13. A Committee on Investments and Audits within the Council on Finance and Administration will be responsible for reviewing, approving, and supervising all banking relationships of the Council on Finance and Administration with special attention given to investments by church agencies. This committee will also be given the responsibility of reviewing audits of all church agencies receiving funds from the conference.

14. We recommend that Thursday, June 8, 1978, be set as the official moving date for this conference year. Also, in the case of moving ministers, ALL June salary shall be paid to the newly appointed minister by the receiving church.

Report No. 3
District Superintendents

1. We recommend that the salary of the district superintendents be set at $21,500.00 for 1979 with travel expense paid on voucher at sixteen cents ($0.16) per mile not to exceed $4,000 a year per district. We recommend that each district place funds in its budget for parsonage utilities.

2. We recommend that district superintendents receive no supplementary travel funds from district administration or district work funds.

3. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

4. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

Report No. 4
Assistant Secretary for the Journal

We recommend that:

1. All commissions, boards, and agencies submitting reports to the annual conference have their reports in the hands of the assistant secretary for the *Journal* by April 1. This is to assure that the *Brochure of Reports* gets to the members of the conference at least ten days prior to the first session. These reports shall be typewritten, double spaced, and in duplicate, according to standing rule 11a of the 1977 *Journal*.

2. The assistant secretary for the *Journal* shall have the authority to edit these reports but not to change the meaning of any part of any report.

3. One copy of the *Brochure of Reports* shall be sent by mail to the presiding bishop, each district superintendent, each lay member of the Council on Finance and Administration, and each minister and each lay member of the annual conference. It shall be the responsibility of the district superintendents to supply the names and addresses of the lay members of the conference not later than April 10. One hundred additional copies shall be made available to the conference registrar for distribution to delegates at the annual conference session.

Report No. 5
Special Funds and Collections

We make the following recommendations for those causes for which no funds are allocated:

5. That the Committee on Experimental Ministries and the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to United Methodist Women to continue their efforts to secure funds for Blue Lake.

8. That the Junaluska Development Fund continue to receive the support of our conference.

These funds are excluded from the service charge: World Service, Children's Home, General Administration, Episcopal Fund, Interdenominational Cooperation Fund, One Great Hour of Sharing, Conference Claimants Fund, all Advance Specials, SEJ Administration Fund, Aid to Action Ministries funds from the General Board of Global Ministries, and Mother's Day Offering.

Report No. 7
Stewardship Responsibilities

The Council on Finance and Administration believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by every church.

As we strive for the goal of all churches paying their apportionments in full which will permit the full funding of all concerns, we recommend a rescinding of action taken at the 1977 annual conference pertaining to the full funding of Birmingham Area concerns (Christian Advocate, Pastoral Care and Counseling, TV Ministry and United Methodist Communications).

This action as found in our 1977 *Journal*, page 214, states the following: "We recommend that the North Alabama Conference and the Alabama-West Florida Conference pay 100% of Area funds accepted, provided that 100% payment by either Annual Conference does not constitute more than their respective formula of the total with the understanding that computation of the formula is done annually based on non-building budget (¾) and total conference membership (¼)."

Report No. 8
Disciplinary Requirements

Paragraph 721, 1976 *Book of Discipline*, requires the Council on Finance and Administration to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

Report No. 9
Use of Formula

We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% "non-building" budget (See Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level thus eliminating the district eecimals and the salary factor in the formula.

It is recommended that the spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

We further recommend that apportionments be developed and distributed to each church by September 15, if possible, in order that they may be used for development of local church budgets for the calendar year.

Report No. 10
The Alabama-West Florida United Methodist Foundation

We recommend the establishment of a non-profit foundation to be known as The Alabama-West Florida United Methodist Foundation whose purpose, function, privilege and restriction is outlined in Article II of the corporate by-laws in addendum to this report. We further recommend that the Council on Finance and Administration be empowered to organize and recommend the members of an interim Board of Trustees to the presiding bishop of the Alabama-West Florida Conference without precluding his appointments, for temporary appointment to the board and for confirmation by the Annual Conference in session in 1979. We further recommend that future operating capital be secured through gifts from private sources and that no appropriations from conference funds be made for 1978-79, and that the Board of Trustees, where appointed and agreeing to serve, be empowered to incorporate the articles of incorporation as added to this report and under the laws of the State of Alabama.

RESOLUTION

NOTE: The following resolution replaces the above recommendation. The By-Laws and Articles of Incorporation are included in this *Journal* for information only.—Ed.

Be it resolved, that the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church is hereby authorized and directed to incorporate a corporation not for profit under the laws of the State of Alabama, and to apply for tax exempt status therefor pursuant to the Internal Revenue Code of the United States, using the name THE ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

The Articles of Incorporation and Bylaws shall be similar in purpose and scope to those set forth in the Brochure of Reports of the 1978 Annual Conference, but the council may revise and change the drafts set forth in the brochure, so that (1) the requirements for tax exempt status are met (2) the requirements of the *Discipline* and State Laws are met (3) the Articles of Incorporation and Bylaws are internally consistent, and (4) the foundation can be legally organized in a convenient manner without regard to the initial number of directors.

All action of the council regarding this corporation shall be subject to approval by the bishop and shall be subject to amendment by a simple majority of laity and clerical members of the 1979 annual conference present and voting. No term of office for a director chosen by the council shall extend beyond the 1979 annual conference, and all directors other than the initial board and vacancies filled prior to the 1979 annual conference shall be elected by the annual conference.

Upon the dissolution or liquidation or other winding up of this corporation, all of its assets, principal and income, subject to the payment of its debts, shall vest in The Alabama-West Florida Annual Conference (Southeastern Jurisdiction) of The United Methodist Church (or any successor or successors to said Annual Conference as aforesaid) and/or in the boards, committees, commissions, charge conferences, corporations or institutions of said Annual Conference in proportion to the interest of each such organization; provided, however, that none of the assets of the corporation shall be distributed to any group or organization which would not then qualify as an exempt organization under the terms and provisions of Section 501 (c) (3) of the Internal Revenue Code and its regulations as they now exist or as they may hereafter be amended.

Report No. 11
Report of the Committee Studying Utilization of Present and Future Staff Members in the Conference Treasurer's Office

Committee Members: J. E. Hastings, (CFA) Chairman; Ray Jeffcoat (CFA); Wilson Patterson, Board of Pensions and Homes for Claimants; Lamar Brown, Commission on Equitable Salaries and COM; Leo Brannon, Board of Trustees; Rex Mixson, Cabinet Representative to CFA; Paul Duffey, Cabinet Representative; Karl Stegall, President of CFA, *Ex-officio*.

The annual conference in session June, 1977, referred to the Council on Finance and Administration for study the matter of employing an assistant in the conference treasurer's office and to report back to the 1978 annual conference. (*Journal,* 1977, p. 161) The above committee was appointed by the chairman of the Council on Finance and Administration at its Fall meeting, September 13, 1977, following a resolution adopted by the Council on Finance Administration to the effect, "...that the Chairman appoint a committee to bring recommendations to the Council on Finance and Administration to the utilization of present and future staff members in Art Copper's office at the Conference Headquarters in Andalusia."

The committee held its first session at Whitfield Memorial United Methodist Church in Montgomery, on October 13, 1977. Representatives from those agencies related to the conference treasurer's office formed the committee and suggested avenues of approach to our study. The committee was benefitted by the assistance and insight of our cabinet representative to the Council on Finance and Administration, Rex Mixson, and the cabinet representative to the committee, Paul Duffey. Job analyses for each staff person of the Council on Ministries at the Conference Headquarters at Andalusia were reviewed and a report on the secretarial work responsibility and assignment was included. The discussions have been most fruitful and thorough and the participation by each committee member has been most thoughtful and sympathetic to the purpose of the study committee. The chairman was pleased to be part of the group and expresses sincere appreciation to each member for the manner in which the work of the committee was assumed and shared towards the completion of the study.

The committee held a study session at the Conference Headquarters building in November, 1977, at which time they had an opportunity to talk with each member of the conference staff, as well as the secretaries. Two staff members were on assignment and were not available at that time. The study committee found a very fine, cooperative spirit by each person and a willingness to share in the effort of the committee was noted. We were impressed with the work and the manner in which the work of our staff persons and secretaries was and is conducted. We have the highest appreciation for them and their contribution to the work of our conference.

The committee talked at length with the council director, Everett Barnes, and our conference treasurer, Art Copper. The chairman had independent discussions with both these men. The committee has expressed a deep sense of appreciation for the responsible manner in which both Everett Barnes and Art Copper address themselves to the work of our church and conference. We are profoundly grateful for the spirit of these men and the work they assume in relating to the boards and agencies of our conference, for their conscious desire that our conference be in a complete and responsive ministry to the needs of our conference. Having had opportunity to see them at work we came away with the realization of our great indebtedness to Art for the heavy responsibility which is his as conference treasurer. We noted that those directly related to his office have permitted his workload to increase far more than should have been done. We are indebted to Everett Barnes who guides the work of the conference office with a genuine appreciation and concern for everyone who is part of the headquarters staff and personnel.

Therefore, out of this background of study and discussion, the committee makes the following recommendations:

1. Equitable Salary—We recommend that responsibility for equitable salary be given to another staff person. The conference treasurer shall have responsibility for equitable salary payments as authorized by voucher. All other matters relating to equitable salary shall be the responsibility of the designated staff person through the Committee on Equitable Salaries.

2. Board of Pensions and Homes for Claimants—We recommend that the Board of Pensions remove responsibility for claimants' homes from the treasurer for pensions. A separate section within the Board of Pensions and Homes for Claimants should have responsibility for and oversight of claimants' homes.

3. Board of Trustees—We recommend that the Conference Board of Trustees assume full responsibility for all real property to the annual conference and develop guidelines for the use of such property by conference agencies.

4. Alabama-West Florida United Methodist Foundation—We recommend that the conference treasurer's responsibility for and with The Alabama-West Florida United Methodist Foundation terminate at the end of this annual conference session, June, 1978.

5. Headquarters Management—We recommend that the Headquarters management in relation to maintenance, upkeep, janitorial service, etc., be the responsibility of the Executive Director of the Conference Council on Ministries, who shall take action as necessary for the proper maintenance of the headquarters building.

6. We perceive that the job description for this position shall include the following areas:

(1) Treasurer of the annual conference related to the Council on Finance and Administration.

(2) Treasurer of the Board of Pensions with responsibility for pensions and insurance matters.

7. We do not recommend the employment of any additional personnel in this office at this time.

TASK FORCE ON WORLD HUNGER

The Task Force on World Hunger has actively pursued its responsibility of enabling our churches to be involved in the church-wide quadrennial emphasis on Hunger. It has been thrilling to hear of the widespread interest of the people across the Alabama-West Florida Conference availing themselves of information concerning this world-wide social problem and of the many innovative methods they are using to respond, and their sacrificial giving, to this great cause. Our people have certainly demonstrated the magnitude of their interest through the tremendous response they have made.

We encourage our churches to adopt in full their Missional Priorities asking, to continue their response to UMCOR and to adopt a General Advance Special in the area of hunger.

The Reverend Mr. Donald Jay, Director of Pensacola Special Ministries in our conference has received intensive training in the causes of hunger and methods our church is using to alleviate its devastating and damaging effects. He is available to our churches as a resource person and also to give assistance in securing information and direction in acquiring leaders from The United Methodist Church, who are experts in this field.

FOUR THINGS ARE PROJECTED for our hunger emphasis this conference year:

1. The ADOPTION and ESTABLISHMENT of a conference-wide General Advance Special in hunger.

2. BEING THE INNOVATOR AGENT for the staging of a WHEAT Training Event to train enablers for our state.

3. A FALL WORK-SHOP for leaders of our conference, as well as the local church, to gain insight into the problems of hunger.

4. WORLD DIVISION—HUNGER ADVANCE SPECIAL—With one of the great Missional Priorities of our church being WORLD HUNGER our Conference Task Force on Hunger in seeking means of assisting the churches of our conference in their involvement in this concern has investigated possibilities of our being involved in a Conference World Hunger Advance Special. Knowing of the compassionate interest the people of our conference have shown in assisting many in their hours of need, we were convinced there would be an interest in becoming substantially involved in this great ministry of our church.

Our conference has with vigor and with great love magnanimously displayed our desire to assist our brothers and sisters in Christ in Liberia. The response we have made has been outstanding and certainly our churches are to be commended for their great response.

John Wesley many years ago stated his passion for the social and physical needs of people and felt it was a sin to minister to their spiritual needs and do nothing about their social and physical needs. Having ministered to the people of Liberia in the former and knowing of the need for the latter, we have proposed to become involved in their lives in the latter.

Reflecting upon the great statement: "It is better to teach a man how to fish than it is to give him a fish," and recognizing that one of the great needs so many of the areas of the world caught in the devastating enemy of hunger is to learn how to help themselves, we feel the two following projects significantly have this purpose and warrant the interest and help we will give.

I. GBARNGA IN LIBERIA, AFRICA—$30,000 each year for 1979 and 1980.

This project will bring the rest of the mission's 200 acres into useful production. The crops recommended will vary according to the terrain and the soil types. Market conditions will also contribute to selection of crops. The 4,000 acre, 20 year old rubber plantation in production is a good source of income—new plantings of improved varieties will increase the income per acre.

The farm will also provide an outdoor classroom for students, a place of employment for local Christians, and a food source for all.

An agriculture survey was conducted in 1975 to provide guidelines for the development of this project.

An agriculturist is in residence on the station. More than two years remain on his term. He is training counterparts to assist in the program. Adequate funding is required to fully utilize his time and talents.

Goals of the project are:

Develop the station into a viable agriculture teaching and production unit.

Increase the food production capacity of the farm.

Increase the income producing potential of all crops.

Provide learning opportunities for pastor students and others interested in agricultural advancement.

Provide appropriate technology in all aspects of farm operation.

Assist in the development of the agricultural facilities, e.g. fish ponds, orchards, gardens, nurseries, animal production and poultry production.

Explore market possibilities for existing crops.

Search for new crops that will make increased earnings possible for the mission farm as well as small holders in the area.

Look into small holder marketing and food handling possibilities, e.g. sun drying fruits and some vegetables, etc.

Train personnel to be able to take over each phase of the operation and operate it on a paying basis.

Help keep people aware of the presence of God in their daily lives and the need to follow Him in all activities and to live the Golden Rule daily.

II. GANTA IN LIBERIA, AFRICA—$5,000 each year for 1979 and 1980. Bishop Bennie D. Warner Vocational Training High School

To provide vocational skills for Liberian youth and adults to participate in the rural development of their nation. To improve techniques of food production, food preparation, and food use to overcome malnutrition and low energy levels in rural Liberia, and to help in general agricultural development, especially of the local area.

District goals will be established in the very near future. We are asking our local churches as they build their budgets for 1979 to place this World Hunger Advance Special in their budgets. Likewise, we would like our churches to set aside the months of September, October and November to be months in which they will give their congregation an opportunity to promote this cause with Thanksgiving Sunday being established as a day of Thanksgiving and In-gathering. World Hunger Advance Banks will be available for our churches to distribute to the families of their congregation.

This is a great undertaking for our conference but certainly one that is not too large or lacking in purpose for a people so interested in others and who have responded in the past so liberally. At the close of the quadrennium (1980) we are certain it will be said about the people of the Alabama-West Florida Annual Conference—"See how they love..."

In remitting your monies to annual conference, please see that your local church treasurer marks them: WORLD HUNGER ADVANCE SPECIAL.

It is with these dreams and aspirations and in gratitude for your continued faithful support and prayers for our task force that we submit our report.

Oliver Scott, Chairman

BOARD OF CHURCH AND SOCIETY

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which they live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social, and civic righteousness. We affirm our belief that the gospel

relates to the total needs of persons and we try to plan the programs of the board in the context of this understanding. Through a process of research, education, and action the Board of Church and Society seeks to implement its purpose.

The Board of Church and Society has held two meetings since last annual conference. We helped subsidize and participated in the planning of the School of Christian Mission held last summer at Blue Lake. Three of our board members attended a jurisdictional training event for church and society leaders at Lake Junaluska in August. We sponsored a seminar on "Family Life Ecology" in March. In this seminar we dealt with family values and life-styles, and television and violence and television and children. The plan is to make material available on the seminar subjects to each local church. We financially supported the Impact organization this past year and have two of our board members serving on its governing board. In accordance with our quadrennial plan we continue to program in three categories — on-going concerns, annual concern, and crisis concerns.

There are several on-going concerns of the Board of Church and Society. The first of these concerns is to relate the priorities and programs of our board to the local church through the District Director of Social Concerns, ministers, and local church chairpersons of social concerns. A second concern is the Cooperative School of Christian Mission. This cooperative effort is undertaken by the Board of Church and Society, the Board of Missions, and the United Methodist Women, and is a most worthwhile endeavor. We urge the participation of each local church chairperson of social concerns and each minister in this tremendous learning opportunity. A third, on-going emphasis is the Impact organization, in recognition of its vital role at the state and national level. We recommend that each local church chairperson of social concerns join the Impact network and get involved in supporting this work. A fourth concern is our current emphasis on family life ecology. Many social issues directly relate to family life and we shall continue to work in this area of concern. A fifth concern is to take advantage of the training events where possible to help us better do our work. We urge the District Councils on Ministry to make use of the District Directors of Social Concerns and provide financial assistance for the director to take advantage of available training opportunities. We continue our support of the world hunger and ethnic minority church missional priorities by having a board member serving on the hunger task force and ethnic minority enablement task force.

In the category of annual concerns, in 1979 we plan to focus on a basic issue which is the basis for the work of the Board of Church and Society. We will center on the subject of the "Church In Society". Among the issues relating to this subject which will be addressed are, a theological basis for social action, the Christian and political responsibility, and the church and legislative concerns. In relation to this emphasis we recommend that each local church study the Social Principles of The United Methodist Church on a church-wide or small group basis.

Finally, the Board of Church and Society wishes to voice its support and urges United Methodists across the state of Alabama to support the efforts being made to have a constitutional convention to rewrite the Alabama constitution.

Respectfully Submitted,
R. Neil McDavid, Chairman

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has sought this year to assume its responsibilities as defined by the *Discipline*. Several areas of concern have been examined and recommendations are being made. Splendid cooperation has been received from the district superintendents and other boards and agencies.

House of Prayer for ALL People

The work area on religion and race is a new work area in the local church. What it seeks to do, however, is as old as the gospel itself: to insure that the church "shall be called a house of prayer for all people" (Mark 11:17), and the people called United Methodists "shine as lights in the world" (Phil. 2:15).

In The United Methodist Church we have the tendency to overlook crucial elements of church life when we do not explicitly specify them in our organization. The demands of continuing ministry within the church——from the needs of senior citizens to the nurture of infants and toddlers——occupy the attention of church leaders, and the integrity of Christian witness and service is compromised through want of internal examination. Foremost in the neglects of a local church is the concern for racial inclusiveness in its membership—the failure to insure that the church becomes "a house of prayer for all people."

Intentional Integrity

Being faithful to the gospel, the General Conference of The United Methodist Church has provided the opportunity for the total church to be intentional about its commitment to Christ in the area of race relations. Recognizing that the local church as an authentic church is responsible for ministering to the needs of people in the community, providing training and nurture to all age groups, cultural groups, and ethnic groups (see paragraph 202, 1976 *Discipline*), the General Conference mandates the establishment of the local church work area so that each United Methodist church, be it located in the rural communities or in the metropolitan centers, can be intentionally involved in the proclamation of the gospel with all people.

"The local church is (the) strategic base from which Christians move out to the structures of society" (paragraph 202). In order to witness to the world, the church must set its house in order and initiate a healing and renewing process. In race relations, the local church must realize, i.e., to bring about, racial inclusiveness in its daily life in order that it may be a light to its community.

Inclusive Awareness

The primary role and function of the work area on religion and race is to keep the Council on Ministries and the congregation aware of the need for racial and ethnic inclusiveness in the local church and to assist the conference commission to evaluate its ministry, review its responsibilities and set objectives for the future (see paragraph 255.8, 1976 *Discipline*). This awareness can occur at the membership level where persons of different racial and ethnic backgrounds are found worshipping and working together. It can also occur at the ideational level where persons are conscious of the existence of other racial and ethnic groups within The United Methodist Church even though these are not present in the local church membership.

Linkage and Support

To implement the new work area, each local church is to elect a chairperson on religion and race. If possible, this person should be working with a local church commission on religion and race to "recommend to the Council on Ministries program opportunities for worship, fellowship, witness, study, nurture, and service with persons, groups, and congregations across racial and ethnic lines" (paragraph 225.8, 1976 *Discipline*). The task for implementing programs of racial inclusiveness, however is not the sole responsibility of the chairperson and/or commission on religion and race; it is a task of the whole church, to be carried out in all facets of the local church life.

The general church is developing a support system for the local church work area on religion and race. Foremost in the support system is the network of fellow workers having similar concerns: the district secretaries of religion and race, the chairperson and members of the annual conference commission on religion and race, the staff of the General Commission on Religion and Race (in Washington, D.C.), and the members of the general commission. These people are engaged in planning, consultation, training, and assembling resources to undergird the local church ministry in racial inclusiveness.

The unit on the local church work area on religion and race in the *Resource System for the Local Church Council on Ministries* provides some guidelines for the development of the new work area. *The Interpreter* will feature articles on the local church area, and the general commission's newsletter, the United Methodist Monitor will also present suggestions for a more effective work area.

Suggestions for the Local Church Chairpersons

As the chairperson is the pivot of the local church work area, we shall conclude our introduction of the work area by making some suggestions:

1. The consideration of a set of specific goals to assist minority local churches to become more effective in ministry and missional outreach.
2. Literature on race relations in your church library, the screening of films on racial inclusiveness for the local church, weekend retreats for the local church lay leadership to deal with racial inclusiveness.
3. To assist ethnic minority persons in leadership positions in the annual conference, district and local churches.
4. Workshops on racism and ethnic pluralism. To enable and equip individuals and groups to become agents in the lessening and elimination of racism in The United Methodist Church and in the community.
5. Full time, lay pastors for black churches with salary supplement are needed in several of the black churches.

6. Black ministerial recruitment, local church repairs, parsonages for black churches are also needed. The conference needs to be aware of these needs.
7. Emphasis must continue to be put upon the missional priorities as well as promoting advance specials for ethnic minority churches.
8. The Commission on Religion and Race feels grateful for the progress in achieving merger, but much still needs to be done.

BOARD OF EVANGELISM

During 1977, the Alabama-West Florida Conference showed a net gain of over eleven hundred members in membership. In 1976, our conference had a net gain of 1,150 members. We rejoice in the fact that our conference has turned the corner on membership loss, but we are concerned that our gain in 1977 reflects less than a one-percent gain across our conference.

We do not believe this trend will drastically change until every church and every pastor begins to take church growth more seriously than we do at present. This will involve three basic steps.

First, every church should make a five-to-ten-year study of membership gains or losses, both in the Sunday School and in church membership. Using conference journals, such a study can be completed in an hour and will provide adequate information for the church to check its spiritual health. A word of warning— this information, placed on a graph, will shock most of our administrative boards and councils on ministries, but we will not seek a remedy until we discover we are ill!

Once we see that we are not reaching people for Christ, the second step will be to plan for outreach and growth. This second step, if it involves enough of our members, can become one of the most exciting things that has happened in the church. When our people begin to dream dreams and see visions, the church will be standing on the threshold of a new awakening.

The third basic step in preparing for growth will be teaching our people how to share in the ministry of the church. The Conference Council Committee on Research and Planning, with our Board of Evangelism, has recommended that in 1979 we emphasize the mutual ministries of clergy and laity, with particular emphasis upon the clergy taking time to help prepare the laity for ministry within the church.

This year, the conference Board of Evangelism is placing in every church a year-round "Plan of Evangelism". There are a number of options offered for every month of 1979. Whether your church is small or large in membership, you will find something that will work in your situation. In addition, copies of the booklet, "Your Church Can Become a Functioning Center for Evangelistic Ministry", containing over one hundred ideas for growth, may be secured without cost from our conference headquarters.

In the fall of 1978 and during the year 1979, the Board of Evangelism plans to offer training events at Blue Lake which will prepare the laity and clergy for mutual ministry.

We encourage all the district superintendents to have one well-planned training event in 1979, in which teams are trained to reach local churches that are not growing. Many of the smaller churches never have members to attend conference training events. We must go to them if they do not come to us.

We urge every pastor to have one, and preferably two, confirmation classes during 1979. Every church in our conference needs to carefully evaluate the Sunday School program. Less than half of our current membership is enrolled in Bible study on Sunday mornings, and less than one-third are regular attenders. This trend must be reversed. We must train teachers and leaders and provide more opportunities for in-depth Bible study for all ages.

The churches in our conference need to place a higher priority on reclaiming inactive members and more adequately assimilating new members. In any given year about forty per cent of our membership is active in the local church. No secular business can compete and grow with less than half its work force on the job, and neither can the church. The Board of Discipleship is providing the church with excellent resources to help in reclaiming inactive members.

Pastors and leaders in every local church are urged to carefully consider the question, "Do we really want to reach people for Jesus Christ?" When we can answer that question with an enthusiastic, "Yes!", most of the churches in the Alabama-West Florida Conference will show some growth.

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express the God-given caring as we share with the overlooked children, the disturbed youth, and the forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to ensure. Often, it is not more advanced age alone which dictates the level of care required by an individual. Some of our oldest residents are able to do the most for themselves.

Health, of course, is always a factor, but spirit and attitude have almost as much bearing on a person's condition as physical well-being or lack of it. Many of the residents of our United Methodist Children's Home and United Methodist Homes for the Aging discover a new outlook and regain lost ground in the cheerful surroundings and life of our busy communities. Though slow, such steady improvements are a joy for everyone to experience.

Your open hearts and open hands have been an inspiration to all of us who labor, ministering "in the Master's stead" as a caring and sharing ministry to children, youth and adults. With the evidence of your caring about others, we know that we will find the faith and support to do what must be done. Wherever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas Offering for our United Metholdist Children's Home must continue to increase, so that our ministry to children and their families may expand and serve more persons in other parts of Alabama and West Florida. The local church has responded to the call, and we are most grateful to you.

A very fine representation from our conference board and district directors attended a meeting at United Methodist Children's Home on October 11, 1977, to receive both inspiration and information for the White Christmas emphasis.

On March 6, 1978, more than one hundred interested persons from local churches, district directors of health and welfare, and conference board members shared this experience at Wesley Manor. We returned to our posts of responsibility determined to reach the goal of $30,000 on Mother's Day. Golden Cross receives $.30 and homes for the aging receives $.70 of each dollar. More requests are received each month than we have funds to meet and these are desperate needs of some of God's children.

We urge a much wider showing of the film "New Horizons" (United Methodist Children's Home) and of the film "A Gift of Love" (United Methodist Homes for the Aging) as a motivation for our ministry throughout the conference. These are available free for the asking.

We are happy to cooperate with District Directors of Health and Welfare Ministries for the Chaplain-In-Service each week at Wesley Manor in Dothan, Alabama. A "Seminar on Children and Youth in Crisis" was conducted at the Forest Hill United Methodist Church on October 11, 1977, for The Mobile District. Seminars centering attention on these problems are planned in each of the remaining eight districts during 1978-79. We will welcome the opportunity to assist district councils on ministries with their plans and preparations. The aim of these seminars is to make local church leaders aware of the needs of persons and families because of child abuse, juvenile delinquency, drugs, alcohol, and the emotionally disturbed. When I look at the needs of persons in the local church and community, my concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of loneliness, sickness and disease or the struggles of frustrated families and youth. These persons in need, need us to demonstrate an expression of the Christian gospel in our service to them. This concept of the CARING and SHARING ministry is our goal for each local church.

Report No.3
1978 Report
United Methodist Homes For The Aging
Fair Haven Birmingham, Alabama
Wesley Manor Dothan, Alabama

One of the last acts which Jesus did was provide a home for his mother. Twenty years ago, our two conferences followed Christs' leadership by providing a home for our mothers and fathers. Following the opening of Fair Haven, Wesley Manor was opened in 1968. This past October we were approved for a 100 unit retirement home in Decatur by HUD. This home will cost approximately $2,500,000 and should be ready for occupancy in 1979.

Likewise, a group of retired persons under the leadership of First United Methodist Church in Auburn and methodist home trustees in the Auburn area are working toward building a home in their area.

Last December we were issued a certificate of need for 55 nursing beds for this home and it is anticipated that this home also will be in operation sometime in 1979 or 1980.

Fair Haven finally started construction on 66 additional nursing beds in December and we feel sure these will be in use in September.

Wesley Manor has plans to construct approximately 60 rooms and apartments in the retirement section of this home within the next year.

Even with all of this expansion, we are not able to keep up with the demand for retirement and nursing care which we receive.

Inflation is still our greatest problem, for our residents' income is not keeping up with labor and food costs. We really need to consider carefully Christs' admonition and provide for our mothers and fathers, sisters and brothers. This may be done by increasing our giving through the Unified Conference Budget in North Alabama, by supporting the Mothers' Day offering in the Alabama-West Florida Conference, by making memorial gifts to the Good Samaritan Fund, by investing in gift annuities, and by remembering the homes in your will.

We cannot take everyone into our homes, but we can provide a wonderful home for all those who are in need. Let us continually work to provide better places for our family in Christ.

What is Wesley Manor?

Home!

Fifty-four residents call it HOME! Here each shares his place in the family as a responsible member, giving and receiving friendship from other members of the family.

There is diversity here. Some are skilled musicians who share their talents in worship services and special programs such as the band. Some are teachers, retired nurses, homemakers, railroad personnel, ministers, civil service workers, social workers, etc. Each has his own unique contribution to make to the enrichment of the family.

Yet, there is unity. Meals are shared in the large dining room. One cannot help being impressed with the concern each feels for the others, especially during some crisis in the life of a fellow resident; crisis which may be caused by illness in the family "back home", or other causes. Ninety-two other persons share the family life in a little different way. These are our patients who experience the skills of concerned nurses 24 hours every day. Healing of body and peace of mind go hand in hand. Our devoted staff ministers to both.

A total of one hundred forty-six persons live at Wesley Manor. This is our family. Wesley Manor is not "home" in the sense of a pickett fence surrounding the white clapboard house on the corner. It is "home" in the sense that it is a sheltered environment where one comes not only to live, but to make a life—full, rich, and meaningful.

This is the ministry of the church to our aging community. The church is able to provide this ministry in proportion to your help. Your Mothers' Day Offerings, your memorial gifts, your wills and bequests help a great number of persons share the home life here, who otherwise could not benefit from it.

Report No. 4
United Methodist Children's Home
Selma, Alabama

The 1977 fiscal year proved to be a record year in terms of services provided and completion of expansion. It also proved to be a year of significant change with the decision by Executive Director Richard Kirkland to become a Child Care Worker, along with Mrs. Kirkland, in our newest group home.

The Children's Home as a multiple service, state wide child care agency served more children and their families in 1977 than ever before; over twice as many as the record year of 1976. The Home began the year with 177 children in all programs; received 957 requests for service; accepted 674 new children into care thereby serving a total of 851 children as follows:

Children's Village	115	Children's Village Shelter	166
Dothan Group Home	10	Birmingham Shelter	253
Mobile Group Home	9	Foster Home	16
Pensacola Group Home	12	Adoptions	2
Huntsville Group Home	9	Scholarship	15
Scottsboro Group Home	9	Family Aid	218
Tuscaloosa Group Home	17		
		TOTAL	851

The home opened during 1977 the new shelter unit in Birmingham (February) and the Mobile Group Home (March). The Florence group home (not shown above) is scheduled to accept children about February 1, 1978. These completed the implementation of the "Five Year Plan" but board and staff begin a new yearly evaluation and planning process in January, 1979. At least five (5) additional program requests will be considered at that meeting.

Countless needy, disadvantaged and troubled children are counting on you as a caring church to continue to support your Children's Home. Please increase that support in keeping with the expansion of services.

Golden Cross
1977

As the director of Golden Cross, I have the opportunity to see an area of the church's ministry which is little known to our people. This is one of the most important and compassionate ministries in which the people of our church are involved. It is through these funds that we reach out to help United Methodist laymen and ministers who have medical bills which they are unable to pay. During 1977 we helped seventeen (17) families within The United Methodist Church with a total of $5,673.87. This is an average of $378.26 per family helped. Golden Cross shares with the homes for the aging in the

Mother's Day offering. Your gifts to these combined funds enable us to respond to the ever soaring hospital costs of the most needy United Methodist families in our area.

There are filmstrips and brochures available from the conferences headquarters which will provide information about Golden Cross. Applications and information can be provided by writing to:

Fred W. Bailey
Rt. 2, Box 335

Golden Cross helps people where they hurt. Become a part of this Christ-like compassion and give to the Mother's Day offering in your church.

COMMISSION ON ARCHIVES AND HISTORY

We have established a depository in cooperation with Huntingdon College. The depository is under the direction of the commission with Dr. Glenn Massengale serving as archivist-historian. Mrs. Mary Ann Pickard has been employed as assistant to the archivist and is working on Monday, Wednesday, and Friday of each week in the depository. Local churches are urged to submit church histories, pictorial church directories, and other historical materials to Dr. Massengale. The commission arranged for Mrs. Pickard to receive training under the direction of William Beal, archivist of the General Commission on Archives and History of The United Methodist Church October 24—November 9, 1977, at Lake Junaluska, North Carolina. We are most fortunate to have someone with this training to organize and develop procedures for the depository.

We urge all boards and agencies of the conference to read the archival policy of the conference on page 228 of the 1977 *Journal* to determine what materials should be presented to the commission for preservation in the depository.

We are continuing the presentation of bronze grave markers to families of deceased ministers at each annual conference following the death of the minister. These grave markers are available at cost to other persons or churches to place on deceased ministers graves. Local churches are urged to mark graves of United Methodist ministers in this manner.

The commission's secretary, Rev. D. A. Newsome, has been elected to serve as the representative of the Alabama-West Florida Conference on the Board of Advisors of the Alabama Historical Commission of the State of Alabama.

Each year the commission has the distinct pleasure of honoring retired ministers, their wives, and widows of ministers at a breakfast during annual conference.

Rev. J. Syd Lock has been asked to give the memorial address during the 1978 session of annual conference.

We are grateful to those who serve as district directors on the Commission on Archives and History for their work. We encourage local churches who do not have a church history to contact their district director for assistance in writing a local church history.

Laity and clergy interested in participating in organizing a conference historical society are encouraged to contact the commission secretary, Rev. D. A. Newsome, 4540 Narrow Lane Road, Montgomery, Alabama 36116, in writing.

The commission has begun making preliminary plans for the observance of the bicentennial celebration of American Methodism in 1984.

AGREEMENT BETWEEN THE ALABAMA-WEST FLORIDA CONFERENCE AND HUNTINGDON COLLEGE

RE: Depository of United Methodist Archival and Historical Materials, Alabama-West Florida Conference, The United Methodist Church

The Depository of United Methodist Archival and Historical Materials, the Alabama-West Florida Conference, The United Methodist Church, hereinafter referred to as the depository shall be operated as a joint enterprise of the Alabama-West Florida Conference and Huntingdon College. It shall consist principally of two collections of materials: (1) the conference collection, officially designated as "The Franklin S. Moseley Collection of Archival and Historical Materials," for short, "The Franklin S. Moseley Collection," and (2) "The Huntingdon College Collection of Archival and Historical Materials," for short, "The Huntingdon College Collection." (As a matter of record, it

should be noted that the Huntingdon College Collection consists almost entirely of general United Methodist related materials and only incidentally of materials related specifically to the college.)

Each of the articles of materials or equipment in each of the two collections shall be clearly marked in order to distinguish ownership. However, all materials shall be shelved or otherwise made available for use in the depository without regard for any such distinction.

The college shall provide facilities for housing the depository, currently two rooms (including basic equipment, utilities and furnishings, but not expendable equipment or supplies) and storage space and the professional services of the director of the library and other members of the library staff. The church shall appropriate funds, currently $4,000 per year, for at least a minimum staff and operating expenses. Other sources of income may include contributions from individuals and churches and grants from organizations and foundations.

There shall be an executive committee of one representative from the Commission on Archives and History (the chairman or his designated representative), one from the church at large (the Executive Director of the Council on Ministries or his designated representative) and one from the college (the director of the library or his designated representative) which shall supervise this agreement between the church and the college. Either party to the agreement shall have the right to terminate it upon giving the other party ninety days written notice of the intention to terminate. Upon termination each party shall retain its designated property.

The conference archivist and historian, elected by the annual conference upon nomination of the Conference Commission on Archives and History and accountable to the conference through the commission, shall serve as executive officer of the depository and shall in consultation with the director of the library, be responsible for the day to day operation of the enterprise. His authority and duties shall include but not be confined to the recruiting and supervision of necessary staff members, the solicitation, budgeting and expenditure of funds (depository funds shall be kept and administered separately from those of the commission), and the procurement and arrangement for use of archival and historical materials.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women continues to study its responsibility to be an advocate, catalyst, and monitor of women's and girls' full participation in The United Methodist Church. Three regular meetings and a weekend workshop in April with representatives from the Commissions on the Status and Role of Women in Georgia, North Alabama, and Mississippi at Athens College gave members opportunities to discover the implications of their responsibility. In February, 1978, the chairperson of the commission was one of three annual conference chairpersons invited to advise the General Commission on the Status and Role of Women about ways it can further support the work of annual conference commissions. On May 30, 1978, the Alabama-West Florida commission will hold its second breakfast meeting with women delegates to annual conference for mutual sharing about issues related to improving women's status and roles in the church. As its September, 1978, meeting the commission plans to meet with a representative of the general commission to plan a conference-wide training event for 1979.

Last fall the commission sent every minister in the conference a list of women recommended by women delegates to the 1977 annual conference as speakers for Laity Day, 1977. The commission heard from several churches and women who participated in this effort to make Laity Day a more inclusive observance. The commission also contacted the district superintendents and the District Coordinators for Supportive Community of United Methodist Women, urging promotion of the study of women and the Bible and suggesting several resources. The commission continues its efforts to have issues related to improving the status and roles of women in the church included in the planning for the Laity Retreat and the Pastors' Assembly.

To the annual conference of 1978 the commission makes the following recommendations:

1. that all members read the article by Nancy Grissom Self in the May, 1978, *Interpreter* discussing the work of the general and annual conference commissions on women.

2. that every church in the conference plan a "Woman in the Pulpit" Sunday during 1978-79 to affirm the right and the responsibility of lay and clergy women to participate in the preaching of the gospel. The commission will assist churches who request it in identifying qualified lay and clergy women and will appreciate hearing from churches and women who participate in this observance.

3. that the nominating committees of the conference and the local churches be made inclusive of women proportionate to our participation in the church and that such committees take care to nominate people to church offices according to their abilities and commitment.

Respectfully submitted,
Norma Taylor Mitchell, Chairperson

COMMISSION ON TOWN AND COUNTRY WORK

Our work for 1977 began with our Ministers Workshop held at Blue Lake on June 27-29. Under the very able leadership of the Reverend Art Luckie, we experienced one of our finest workshops. Bishop Sanders, the district superintendents and other leaders of our conference provided excellent leadership. The content of the workshop was very practical for both the minister and his wife. The subject matter included such things as how to conduct a proper wedding or funeral, how to fill out charge conference reports, an orientation to the priorities and programs of the conference, plus other helpful things a minister needs in his work. The workshop this year will be held June 26-28 at Blue Lake.

Our second convocation for the small membership church was held at Blue Lake on October 14-15. The Reverend Curtis Ford gave excellent leadership to this convocation. Bishop Sanders, Dr. Ross Freeman and Rev. Bill Appleby inspired those present with the greatness of the church. Another convocation has been planned for November 3-4, 1978.

Our priorities for 1978-79 are:

1. Ministers Workshop—(78) June 26-28 (79) June 25-27
2. Small Membership Convocation—November 3-4, 1978
3. A new evaluation of the larger parish ministry in our conference
4. A closer cooperation between other boards and agencies to coordinate and promote the programs of our conference.
5. Survey areas of our conference where there is potential growth and make proper recommendations.

Respectfully submitted,
Marcus Chandler, Chairman

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1
Pension Rates and Apportionments

We recommend that the total annuity rate of this annual conference for the calendar year 1979 be ninety-two dollars ($92.00) per service year for service as ministerial members and approved lay pastors with pension credit; the total rate for widows be sixty-four dollars and forty cents ($64.40), provided that, for ministers, lay pastors, and widows who are provided homes by the conference the annual pension amounts shall be adjusted by a reduction equivalent to twelve dollars ($12.00) for ministers and lay pastors and eight dollars and forty cents ($8.40) for widows for each year of service as a supply or lay pastor with pension credit and for each year with pension credit as a minister in any annual conference or under special appointment as a minister without pension credit on the annual conference.

We recommend that the payment from pension funds of one hundred and fifty dollars ($150.00) be contributed toward funeral expenses of each widow who is a claimant of the annual conference, such payment to be made as soon as possible after the death of the widow.

We recommend that the apportionment to the pastoral charges for the pensions and benefit program of the conference shall be $830,000.00 for the calendar year 1979.

We call attention to paragraph 1706.4a of the 1976 *Book of Discipline* relative to the requirement that the apportionment for the pensions and benefit programs to be paid in proportion to payments of salaries to ministers and also to the board's policy of charging defaults to ministers and associate ministers for deduction from pensions if not otherwise paid. Interest is added to other unpaid obligations of the minister at the rate of 7% per annum.

Report No. 2
Reserve Funding of Pensions

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 conference *Journal* and subsequent amendments, recorded on page 154 of the 1972 *Journal* and page 135 of the 1973 *Journal* shall be further amended to provide that, effective with the deposit due December 31, 1978, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be $417,036.00; such adjustment being required to provide for the increase in pension rates to $92.00 per service year.

Report No. 3
Death Benefit Program

We recommend the continuation of the Alabama-West Florida Conference in the Death Benefit Program, Plan C, with the cost and benefits for each calendar year being determined by the latest average salary computed prior to the beginning of each year (average salary of $12,406 for 1978)

We recommend that, as a part of the conference pension and benefit program, all persons in the following categories of this annual conference be continued in the Death Benefit Program and that newly eligible persons be enrolled as of the closing dates of the annual conference session, and that they be asked to fill out and submit enrollment application cards:

1. Ministerial members—associate, probationary, and in full connection—who are appointed with pension credit on this conference, except those who are appointed to attend school and not appointed to a pastoral charge in this conference.
2. Approved lay pastors listed in the conference minutes as eligible to be appointed, as in the full-time category and receiving appointments in the conference session, or within a 21 day period, beginning with the opening day of a regular annual session of the conference, who are not gainfully employed in non-pastoral work and not attending school as a full-time student.
3. Ministerial members on disability leave and receiving disability benefits on account of service in this conference, ministerial members on sabbatical leave and lay pastors receiving disability benefits.
4. Any lay person employed as Associate Director or Assistant Director of the Conference Council on Ministries.
5. Ministerial members in the retired relation, who currently receive pensions on account of not less than four years of service in this conference.
6. Retired lay pastors listed with latest conference minutes and who receive pensions for not less than four years of service in this conference approved for pension credit.

We recommend that all persons in the following categories be permitted on an optional basis to enroll in the Death Benefit Program as of January 1, of any year, with coverage in effect as of the first day of that month; provided that each such person electing to participate shall pay the conference treasurer prior to December 10 of the preceding calendar year, such amount as computed by this board as the cost in effect for such year; provided further that persons entering these categories at the time of a conference session may be enrolled within a period of 60 days following the closing day of such session, if they were not previously eligible for participation.

(1) Ministerial members—associates, probationary, and in full connection—appointed without annuity claim on this conference or appointed to attend school.

(2) Retired ministerial members who do not receive pension on each of four or more years in this annual conference.

(3) Other eligible persons, who, in the judgment of the board, rendered or have rendered service on a fulltime basis sufficient to warrant inclusion in this program.

We recommend that the cost of the Death Benefit Program coverage not paid by individuals in the optional groups be provided from receipts from churches by apportionments for the pensions and benefit program, as provided in Report No. 1 of this board.

We recommend that the Board of Pensions and Homes for Claimants be authorized to administer the participation of the annual conference in the Death Benefits Program and to determine the eligibility of individuals for participation in this plan.

Report No. 4
Homes for Claimants

We recommend that $35,000.00 be apportioned in 1979 for homes for claimants subject to the approval of the Council on Finance and Administration of the Alabama-West Florida Annual Conference.

Report No. 5
Claimants Memorial Fund

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this board with interest being used for the benefit of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amounts to the fund as memorials to deceased ministers or members of ministers families or lay persons. Checks should be made payable to the Alabama-West Florida Conference, The United Methodist Church, and sent to Mr. Art Copper, PO Box 700, Andalusia, Alabama 36420, with the names of persons being memorialized. The families of persons being memorialized will be notified of such memorial gifts.

Report No. 6
Special Appointment Pension Responsibility

In keeping with Paragraph 1796.5 of the 1976 *Book of Discipline*, we recommend that the following United Methodist institutions or organizations be approved for pension responsibility on this annual conference: Alabama-West Florida Conference Council on Ministries, Assembly Ground Commission, the Wesley Foundation at Auburn University, the Director of Pension Funding Crusade and Homes for Claimants.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, to Inner City Missions, to Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this annual conference only upon payment to the Conference Claimants Fund an amount equal to twelve times the current annuity rate for conference members which for the year 1979 would be $1104.00 ($92.00 per month). See Paragraph 1706.3a of the 1976 *Book of Discipline*.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this annual conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

Report No. 7
Depositories

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of The United Methodist Church; provided that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government-sponsored agency.

Report No. 8
Regulations for Occupancy of Homes

1. Applications of claimants for homes shall be sent to the Rev. John Lane, and shall include the following information:
2. Name of claimant and immediate members of family.
3. Indication of choice as to location of home.
4. Minor repairs on homes will be paid for by the occupant. Major repairs will be paid for by the board. No repairs or alterations can be made to any of the homes at any time except those authorized by Art Copper as treasurer of the board.
5. The board will equip homes with a stove, heating equipment, refrigerator and water heater.
6. Occupants will furnish the board with the name of the person(s) who will attend to his or her personal affairs in the event of disability or death.
7. Care should be exercised by the occupant in the erection of T.V. antenna so that the existing property is not damaged.
8. The board recommends that when the occupant of a home serves a charge which provides a parsonage, he should live in the parsonage and thereby free a claimant's home for another claimant.
9. When a claimant vacates a home he or she should release it in writing to the Rev. John Lane, Director of Pension Funding Crusade and Homes for Claimants, and remove all personal belongings immediately.

10. Upon the death of an occupant the heirs or responsible person shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond this time will be disposed of by the board.

Report No. 9
Pensions for Lay Employees

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the annual conference provides for pensions for ministers.

Interested churches and agencies should contact:

Report No. 10
Full-Time Service As a Requirement for Pension Credit

We call attention to the following provisions which appear in paragraph 1706.4a, of the 1976 *Book of Discipline*, relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the annual conference, on recommendation of the Conference Board of Pensions (and Homes for Claimants).

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work; and whose cash support per annum from all (church) sources is not less than the schedule of equitable salaries adopted by the annual conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, unless such credit is granted by special action under extremely unusual circumstances.

Report No. 11
Annuity for Ministers in Area Offices

As approved by our annual conference in the 1972 session the following policy continues in effect:

The area offices being served by the ministerial members from the conferences in the Birmingham Area where there is no annuity payment to provide pensions and benefits for these men shall have their pensions and benefit payments provided by the two conferences of the area with the Alabama-West Florida Conference paying an amount equal to 41.86% of twelve times the annuity rate and the North Alabama Conference paying an amount equal to 58.14% of twelve times the annuity rate of the conference in which the minister holds membership. This formula was agreed upon by the Alabama-West Florida and North Alabama Annual Conferences.

(NOTE: Percentage figures will be brought into harmony with action under the report of the Council on Finance and Administration.)

Report No. 12
A Resolution on Housing and Utility Allowance for Retired Ministers

Whereas, the United States government has recognized in its income tax regulations monies paid by a minister for the utilities of such a "parsonage or home" for a minister to be exempt from taxation; therefore, be it

Report No. 13

The grant would be based on the years of his service. The following names and monthly amounts are also requested:

M. S. Baldwin	$16.67
Eva T. Gilmer	18.11
Melanie Bullington	11.81
Martha Hosey	11.81
Lovie Whitsett	78.75

Report No. 14
Hospital and Medical Program

We recommend that effective 1 July, 1978, the Hospital, Medical Expense Program (HMEP) of the General Board of Pensions of The United Methodist Church be the carrier of the Conference Health Care Program, with eligibility to participate to be determined by the Board of Pensions and Homes for Claimants of the Annual Conference.

All ministers of the annual conference, who are appointed to a charge by the cabinet, shall be eligible to participate in the program and the conference shall participate in premium costs, provided the minister is appointed with annuity credit on the conference. Those ministers appointed to a charge without annuity credit or appointed to attend school or in a special appointment may participate by paying the full amount of the premium. There shall be a sixty day enrollment period beginning June 1, 1978.

Premium payments shall be made to the conference treasurer on a regular remittance form, on a quarterly basis with payment for the quarter ending Sept. 30 due not later than June 20, payment for the quarter ending December 30 due not later than September 20, payment for the quarter ending March 31 due not later than December 20, and payment for the quarter ending June 30 due not later than March 20. The schedule of participation in premium costs by the annual conference related to eligible persons shall be that one-third of the premium shall be paid by the conference and 2/3 shall be paid by the minister or employee. The full premium cost for persons over age 65 shall be paid by the conference and 1/3 of the premium for dependents of over age 65 ministers.

The funds required for conference participation in premiums shall be provided by the pensions and benefits program of the conference and shall be included in the apportionment for the Conference Claimants Fund.

We recommend further that the program continue to be made available to local churches for participation by their full time lay employees, without conference participation in the premiums.

We recommend that a committee be appointed from the membership of the Board of Pensions and Homes for Claimants to serve as liaison between the annual conference and the carrier.

ASSEMBLY GROUND COMMISSION

Blue Lake Camp

The facilities of the conference assembly grounds at Blue Lake continue to be used widely by conference boards and agencies, conference committees, districts and local church groups. Non-Methodist groups make use of the facilities when they are not reserved by Methodist groups.

Conference boards, agencies, districts, and local churches are urged to schedule their retreats and workshops early. When groups are small an effort is made to schedule more than one group at Oakwood Lodge in order to accommodate more groups.

Non-Methodist groups may reserve the facilities if no Methodist group has reserved a date ten months in advance of the date desired. Methodist boards, agencies, and local churches have until October 1 to schedule their activities for the three months of June, July, and August before non-Methodist groups can schedule activities.

During the past twelve months there have been very many cancellations at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before a scheduled date, it is too late for anyone else to use that date. It also poses a financial problem for the operation of our assembly grounds. The overhead is such that the loss of revenue for even one week makes it difficult for the camp to meet its financial obligations for that month. All groups are requested to evaluate their plans in time to cancel their reservation, if that becomes necessary, at least two months prior to the scheduled activity.

The rates for the use of the camp in 1978 are as follows: Methodist groups at Oakwood, $9.50 per person per day (three meals and one night's lodging), Dogwood and Pinewood, $7.50 per person per day. For family groups a fifty cents per day discount is given. The rate for non-Methodist groups at Oakwood is $12.50 per person per day; and Dogwood and Pinewood $9.50 per day. Individual meals are $2.50 for lunch, $2.00 for dinner, and 1.50 for breakfast.

It is hoped completion of work on the furnishings of Lambuth Memorial Chapel can be finished shortly. The building proper has been completed and this facility is available for use by those attending the camp.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake Camp. Inflation and increasing costs of operation make this fund a must. The cost of groceries, labor, and utilities has increased considerably during the last twelve months.

The financial support of United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake Camp possible. Their continued support in helping to further develop our Methodist assembly grounds is greatly appreciated.

One hundred twenty-five thousand dollars were borrowed in order to construct the gym, tennis courts, canoe sheds, and make specified improvements. As of January, 20, 1978, the balance owed on this loan was $97,500.00.

The financial report for 1977 may be found in the division containing other financial reports.

John Lane, Director

COMMISSION ON EQUITABLE SALARIES

The purpose of the equitable salary fund is to provide assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. We believe that every charge desires to provide its minister with an adequate salary without assistance.

1. We, therefore, recommend that all charges receiving equitable salary assistance begin a program January, 1979, that will eliminate the need for salary supplements within a five-year period. Assistance may be continued upon application by the charge with consent of the pastor, chairman of administrative board, and district superintendent, and, if approved, by the cabinet and commission on Equitable Salaries. Charges beginning to receive assistance hereafter fall under the same rules.

2. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the insurance and death benefit programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the church must pay 73% of the equitable salary schedule for 1979 and 80% of the equitable salary schedule for 1980. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastors.

3. As an incentive for this program we recommend, if a charge which qualifies as specified in item 2 increases the minister's salary beyond the required minimum, 75% of the increase go directly to the minister without reduction in equitable salary supplement. This applies as long as the minister serves that charge, and we recommend that the cabinet consider this accumulative amount as part of his salary when appointing him to another charge.

4. Effective January 1,1980, the equitable salary schedule shall be based on the conference average salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest $100) will be based on the following percentages of the conference average salary.

Members in Full Connection, 80% of conference average salary
Probationary Members, 80% of conference average salary
Associate Members, 70.5% of conference average salary
Seminary Students (married), 62.5% of conference average salary
Seminary Students (single), 58.5% of conference average salary
Full Time Lay Pastors, 66% of conference average salary
Lay Pastor—Student (married), 50.5% of conference average salary
Lay Pastor—Student (single), 46.5% of conference average salary
Lay Pastor—Licensee (married), 48% of conference average salary
Lay Pastor—Licensee (single), 44% of conference average salary

5. The amount of equitable salary a minister is eligible to receive is based on the total of his salary, travel allowance, utilities and other approved, church related allowances.

6. Only full time pastors, retired pastors as specified in Item 7, and student pastors are eligible for equitable salary.

7. If the combined total of all income received from The United Methodist Church by a retired minister (plus his Social Security) is not equal to the equitable salary schedule, then the Commission on Equitable Salaries shall pay the difference up to $2,400.00. To qualify, the retired minister must be full time.

8. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each district superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge conduct an Every Member Commitment program emphasizing the total program of The United Methodist Church; and (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Commission on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the superintendent. It is recommended that the secretary withhold any funds until the district superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

9. No pastor of any classification shall receive aid from the fund if he receives income from any other church source if the income, plus salary from the charge he serves, is more than the equitable salary for his classification, except as provided in 17 and 18 of this report.

10. No person qualifying for equitable salary which amounts to less than $100 will receive any equitable salary. We feel that local churches can take care of this small amount.

11. The administering agency will not grant aid to any probationary or associate member who does not pass a full year of the Conference Course of Study or fails to meet the minimum requirements for a student.

12. No associate pastor shall receive aid from this fund.

13. Each district superintendent is required to review all equitable salary situations in his district to reduce the need of equitable salary funds. No charge shall receive equitable salary assistance when divided unless the Commission on Town and Country Work has surveyed and recommended and the Commission on Equitable Salaries has approved the division. We recommend that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 250 members.

14. We recommend that the conference budget provide the funds necessary to carry on the equitable salary program as directed by the annual conference.

15. The secretary of equitable salary shall file with the Assistant Secretary for the Journal for publication in the *Journal* each year a report listing the payments from the equitable salary fund during the year, giving the names of the pastors, the charges, and the amounts paid.

16. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him in this conference and he is assigned by the presiding bishop to an appointment outside the conference, or unless it be a special appointment by the presiding bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

17. The Commission on Equitable Salaries feels there may exist from time to time certain situations within our conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the

pastor, provided the church under consideration is unable to raise the salary level and provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called "growth potential situations." In order to be considered, every case will be judged by certain criteria, and final determination will be made with the approval of the Board of Missions, since this board handles money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

18. In the case of cooperative parish ministries or specialized ministries the district superintendent, in consultation with the District Board of Missions and Commission on Equitable Salaries, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary supports.

19. Members in Full Connection $10,000.00
Probationary Members $10,000.00
Associate Members $8,800.00
Seminary Students (married) $7,800.00
Seminary Students (single) $7,300.00
Full Time Lay Pastors $8,200.00
Lay Pastor—Student (married) $6,300.00
Lay Pastor—Student (single) $5,800.00
Lay Pastor—Licensee (married) $6,000.00
Lay Pastor—Licensee (single) $5,500.00

BOARD OF PASTORAL CARE

The Board of Pastoral Care exists for the purpose of assisting ministers and their families who have incidences of emotional crisis; for supportive, educational instruction to prevent the occurrence of emotional crises; and for the supportive educational instruction in pastoral care and counseling skills for ministers. Its primary objectives are as follows:

1. To provide direct service counseling by a professionally qualified staff for individual, marital and family needs of ministers and their families.
2. To provide, sponsor, and support on-going area and conference programs of instruction for personal, marital and family growth and enrichment for ministers and their families.
3. To provide cooperative service and consultation to other boards and agencies in the Birmingham area.

In keeping with these purposes and objectives we submit the following report.

In the period from April 1, 1977, through March 31, 1978, 118 individuals or families sought counseling or consultation through this office. This involved 775 sessions in personal counseling and in consultation sessions regarding a counseling situation in which ministers needed additional professional advice as to how to be more helpful in their own ministry. In addition to this 41 support group sessions of one and one-half to two hours were conducted by this office. The director has been widely used as a resource person by district superindentents in providing pastoral care resource help within the districts; by the respective boards of ministry for consultation on psychological testing and career assessment; for pastors' assemblies and enrichment conferences within the area; as a resource person for the beginning ministers' workshops; resource person for the pre-retirement seminar; resource person for the advanced studies pastors' seminars, resource person for both conference and district wives' groups; for marriage and family life educational training within the two conferences. This list is not exhaustive, but shows that the office is seen as a resource for other boards and agencies throughtout the area. In March of 1978 the director initiated various support groups for ministers and their families in the extreme northern districts of the area for the purpose of expanding the services of pastoral care for clergy and their families. An intern pastoral counseling student is presently being utilized out of the Birmingham office to carry the additional load the director is unable to see. He is working under the direct supervision of the director. Copies of the "Revised Incorporation Papers" will be available to all conference delegates. These

papers have been revised in keeping with the reflected changes within the structure of The United Methodist Church and in the Birmingham Area over the past fourteen years, as well as the growth and development of this board during the same time period. We ask for your continued support and prayers as we strive to meet the needs of clergy and clergy families in the area.

BOARD OF EDUCATION

INTRODUCTION

The accomplishments of the Board of Education during the past year were made possible through creative planning and hard work by the committees. The evidence of their dedication is shown in their reports which follow. They are to be commended. A new committee has been organized to take the place of the Committee on Experimental Ministries. It will be known as the *Futures* Committee with the responsibilities of research and planning. The board through this committee as well as the others seeks to be person-centered through the learning process of the Christian faith.

We express our appreciation to the conference staff which has been untiring in its cooperation and leadership. Through the work of the committees and staff, the board continues to place emphasis on training for the local church leaders and the district staffs. Every attempt is being made to strengthen the program of education in the local church.

Respectfully submitted
H. Stanley Mullins, Chairman

COMMITTEE ON LEADER DEVELOPMENT

Positive evaluations were given by all who participated in the residential laboratory school held at Blue Lake in June. The response from local churches was enthusiastic, and the committee was pleased by the number of small churches that were represented. The lab was an experiment to determine if our conference would support this type of event and, because of the results, it was decided to continue the training event. The size of the lab will be increased each year. Leadership was provided by outstanding persons who have taught on the jurisdictional level.

Support was given to the lab schools in Dothan and Gulf Breeze. As a result of all the labs, we now have five persons in the process of certification.

Interest has been shown in bi-polar workshops, and the committee is subsidizing the training and certification of a bi-polar instructor for our conference.

Workshops on The Role of Sexuality in Christian Living—a course for Jr. Highs and their parents— have been held with cluster groups of local churches. Four persons are in the process of certification for these events.

We urge local churches to take advantage of subsidies from this Committee on Leader Development in their own church. Also, we encourage recruitment of persons to be trained as lab leaders to share the training in their own district.

Respectfully submitted,
Carolyn Cumbie, Chairperson
Leader Development Committee

COMMITTEE ON YOUNG ADULT MINISTRIES

In September of 1977 our committee sponsored a Consultation on Single Young Adult Ministry, a Friday night and Saturday gathering at Blue Lake of single young adults and other interested persons. Two ideas came from the consultation which we are in the process of putting into effect.

1. Continuation Stimulation Events. These are quarterly events to be held in locales around the conference for a dual purpose, to continue the fellowship and planning that was begun at the consultation, giving opportunity for the participants and others interested in this ministry to get together on a regular basis. Also the events are to be designed to stimulate the formation of single's ministry in the churches of the local area where the event is to be held. The host group has the responsibility of promoting the event among the local churches in their area. A tentative schedule for the events in the immediate future include: Panama City in the summer of 1978, Auburn—Opelika in the fall, and Mobile during the winter, perhaps at Mardi Gras.

2. A Conference-wide Convocation on Creative Singlehood. This is being planned for April or May of 1979. It is our hope to include outstanding personalities and strong leaders

in the area of single's life and ministry as a part of this event. By the time of annual conference a Young Adult Lab School will have been held. It is scheduled for May 19-20 at Gulf Breeze. This is under the Committee on Leader Development of the Board of Education in cooperation with this committee.

Watch for more concerning the upcoming events of this committee. Please support us by promoting these events among single young adults in your local church, by sending us your ideas and sharing your successes in this ministry, and by keeping us in your prayers as we seek to establish this ministry of our conference.

COMMITTEE ON CHILDREN'S MINISTRIES

The Committee on Children's Ministries has met regularly during the past year. The committee is composed of the District Coordinators of Children's Ministries and certified lab leaders of the conference. It is a dedicated and creative group.

The committee continues to provide training for Vacation Church School leadership on the conference level in the hope that local church leaders will be trained or persons in the districts will be trained and they, in turn, will provide training for local leaders. The Vacation Church School pilot project held at the Johnston Hill United Methodist Church in August, 1977, was a success in every way. Plans are being made to do another project this summer. If anyone is interested in working on such a project, please apply to the committee or, if anyone feels that such a project would benefit the local church or charge, contact the committee. We will be willing to discuss the possibilities.

During 1977 four-hundred-sixty-two children took part in the conference camping program. This is an increase of 85 over the 1976 camping year.

The committee prepared "Helps in a Nutshell", a guide for local church coordinators. This has been distributed to the local church.

During the spring of 1978 "Children and the Bible" conferences were held in eleven (11) locations throughout the conference. There were 538 adults attending these meetings. All evaluations have been excellent. The committee will seriously consider the use of this leadership in another project for the fall of 1978.

The Conference Coordinator of Children's Ministries has constantly made himself available to district coordinators and some special areas in the local church. He has been most helpful as a resource person and leader. We are deeply grateful to Mark Stewart for his knowledge and enthusiasm in this work.

Respectfully submitted,
Jack Holland, Chairman
Mark Stewart, Conf. Coordinator

COMMITTEE ON CAMPING

A. Summer of 1977: The summer of 1977 was a significant one in our camping program. In 6 elementary camps there were 462 campers for an average of 77. Junior Highs were present in 4 camps with 365 for an average of 91. In the 4 senior high agencies, there were 320 campers averaging 80 per agency. In the regular camping program 1,147 persons were in attendance during 1977.

The special ministries camps — 4—L and Camps Discovery — operated at capacity again this year. The camper participation for the entire summer under this committee exceeded 1500.

B. Items of note: This year we will have 6 elementary camps at Blue Lake—3 camps for rising 5th and 6th graders and 3 camps for rising 4th, 5th, and 6th graders. All camps at Blue Lake under the camping committee program are conference-wide camps and registration acceptance will be on a first come, first served basis.

1977 saw the first team of staff persons to work in all our Junior High Camps. These thirteen young people worked together as a team and served as the leadership for all our camps at Pinewood. This concept will be continued in 1978 with some modifications.

It should be noted that every district except three showed an increase in camp participation this year. We appreciate the cooperation of the district superintendents and solicit their continued support for our camping program.

C. As you go home from Conference: 1. Promote the 1978 camping program in your local church. We urge each church to inaugurate a scholarship program to assist their own children and youth in attending camp. Assist your minister or staff person to distribute camping material to the proper age groups.

2. Assist us in soliciting scholarships for our special camping ministries — 4—L and Camp Discovery. Thirty-two (32) dollars will send a child to camp. Remit to Mr. Art Copper marked "Special Ministries Fund".

COMMITTEE ON THE SUNDAY SCHOOL

The Committee on the Sunday School started this year taking up the work where the Task Force on the Sunday School had ended its work. The committee is made up of both lay and clergy members from throughout the conference that have a real interest in the purpose and success of the Sunday schools in our local churches. While interested in the church school, we are more concerned about that hour on Sunday morning known as the Sunday school.

The committee determined that a follow-up of the survey done by the local churches in 1975 should be repeated. This has been done, but at the time this report is being written, they have not been tabulated. While many churches in our conference are having very successful Sunday schools, both in attendance and in teaching, we regret that this is not true in all churches. It is obvious that in those churches where the pastor is able and willing to be active in the Sunday school, the school is much more successful. Where requests for specific help from the conference are being made, efforts are being made to answer those requests.

The committee is looking at and developing a plan for Sunday school enrollment and attendance to be presented to the 1979 session of the annual conference.

A pilot project has been launched at First United Methodist Church, Clanton, to develop "Standards for Church School Teachers." The committee hopes to work up some minimum goals that a person would meet before teaching in the Sunday school. The committee is also developing a plan to be presented to the conference for accrediting Sunday schools. Certain minimum standards would be achieved by the local church before the Alabama-West Florida Conference Board of Education would accredit or certify the Sunday school.

Your ideas and suggestions concerning the Sunday school will be appreciated.

Mark C. Stewart, Chairman

COMMITTEE ON HIGHER EDUCATION AND CAMPUS MINISTRY

Your committee continues its efforts to strengthen the work of campus ministry through the Wesley Foundation programs. We have seen the Wesley Foundation at Troy coordinated on the part of First United Methodist Church and the Wesley Foundation under the direction of a new director, Sharon Jennings. Auburn Wesley Foundation has shown a new emphasis in its work and we feel it is now moving in the direction of a strong outreach program to the students. We are continuing our process of evaluation of the entire program of campus ministry and believe we will be ready next year to make some strong and definite recommendations regarding the program.

To enable these programs to do more we as a conference must give stronger financial and moral support. In 1977 we paid about 66% of our Wesley Foundation apportionment. This is a slight increase over the previous year but we must do better. We urge our people to give total support to this basic fund and accept in full their part of the $55,000 apportionment in order that we may carry out an effective program of campus ministry to the more than 7,000 Methodist students at these six universities and colleges located in the bounds of our conference. Local church leaders and pastors are urged to inform their college youth about the programs and encourage their participation in them.

Joint efforts are still under way to study and work toward a stronger and more equitable program of support for our two colleges, Birmingham-Southern and Huntingdon. Elsewhere in this report you will find our recommendation for an Area Task Force to deal with the matter.

We are happy over the reported increase in student enrollment at both colleges and the effort each is making to relate itself to the conference and local church. We owe a debt of gratitude to Dr. Neal Berte and Dr. Allen Jackson for their efforts in working for the passage of the Alabama Tuition Grant Bill in the recent session of the Alabama Legislature.

Again we urge all churches to accept in full and pay the asking of $2.00 per member for the support of the colleges. Now that Huntingdon has reached the last year of its special

scholarship campaign, we encourage local churches, classes, groups and individuals to accept from one to ten scholarships of $500 each for continued support of Huntingdon College.

The 1976 General Conference apportioned six million dollars annually during the 1977-80 quadrennium as the Black College Fund. This fund provides continuous methodical support for twelve black colleges historically related to The United Methodist Church. Our conference fell far short of its goal of support of this fund in 1977. We call upon our people for full support of this fund.

The United Methodist Scholarship and Student Loan Fund is the oldest and largest of its kind in the country and presently offers loans to more than 11,000 persons in the amount of over six million dollars. Several students from the Alabama-West Florida Conference have benefited and are benefiting presently from this fund. We urge your support of this fund with a love offering above and beyond regular giving on United Methodist Student Day in June.

Tremendous challenges and responsibilities face us in the field of higher education and campus ministry. Your committee continues to seek your advice and support in trying to develop programs and plans that will meet these challenges and responsibilities.

RESOLUTION

We recommend the establishment of an Area Task Force on Colleges to deal with the issues of mutual concern for Birmingham-Southern and Huntingdon Colleges and the two annual conferences which own them. The task force shall be composed of three (3) trustees from each college, named by their Board of Trustees; the chairperson and two members of the Committee on Higher Education and Campus Ministry of the Alabama-West Florida Conference and the chairperson and two members of the Section on Higher Education and Campus Ministry of the North Alabama Conference. Terms for persons serving on this task force shall be set by the committee, section, or college naming them. Administration of the colleges may be ex-officio participants in the task force. Each college and each committee or section shall be responsible for expenses incurred by their participants in meetings of the task force.

The task force shall meet at least annually and at other times as needed. The initial call for meeting shall be issued jointly by the two higher education chairpersons. Subsequently the chairpersonship shall alternate annually between the two conference higher education chairpersons.

The Area Task Force on Colleges shall act as a forum for discussing and recommmending action relating to the colleges and the church. Recommendations shall be channeled through the Committee on Higher Education and Campus Ministry of the Alabama-West Florida Conference and the Section on Higher Education and Campus Ministry of the Committee on Education of the North Alabama Conference according to the decision making process appropriate to the respective conferences.

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

During this year, 1977, the Auburn Wesley Foundation building debt was retired and the building dedicated. This was a major achievement for the conference.

The trustees hold title to the following bequests:
1. Norris Allen bequest $44,000.00
2. Gilmore bequest $20,000.00
3. Hattie B. Nored bequest $25,000.00

The trustees hold title for the conference to the following properties:
1. Conference Headquarters
2. Valleyview Drive House—Andalusia
3. Prestwood Drive House—Andalusia
4. Meadowbrook Drive House—Andalusia
5. Auburn Wesley Foundation Building
6. Auburn Wesley Foundation Parsonage
7. St. John—Prichard—Mobile County abandoned property

During 1977 we expended the following sums:
Mortgage Payments:
1. Andalusia Parsonages $4,080.24
2. Conference Headquarters $3,000.00
3. Auburn Wesley Foundation Parsonage $1,861.20
4. Auburn Wesley Foundation Bldg. (Final) $5,451.60
Maintenance, Repair, Insurance:
1. Auburn Wesley Foundation $1,785.06
2. Valleyview Drive Parsonage $2,402.85
3. Meadowbrook Drive Parsonage ..... $ 688.37
4. Prestwood Drive Parsonage $1,985.15
5. Headquarters ..... $ 879.26
Board Expenses ..... $ 146.00
Total Expenditures $22,279.73

The income from the Maintenance and Amortization Fund is not adequate to cover all the needs. We have borrowed from the Council on Finance and Administration in order to take care of some emergency situations. As soon as this is repaid we will be able to plan systematic maintenance of conference property.

We urge local churches to pay the asking for the Maintenance and Amortization Fund. This will enable the trustees to be better stewards over the property.

T. Leo Brannon, Chairman

CONFERENCE BOARD OF THE LAITY

One of the first actions of the Board of the Laity was the introduction of a resolution in the closing minutes of the 1977 annual conference to change Standing Rule 36, and this resolution was adopted. The purpose of the resolution was to change the awkward title "Conference Committee on Lay Life and Work" to the clearer title "Conference Board of the Laity"; to add the conference presidents of United Methodist Men, United Methodist Women and Council on Youth Ministry; also conference chairpersons of work areas such as (but not limited to) lay speaking, stewardship and evangelism; and to make clear the ex-officio relationship of the presiding bishop, the district superintendents and the executive director of the Conference Council on Ministries.

Our board sponsored a very successful laity banquet at the 1977 annual conference, with Dr. George Wright, past Conference Lay Leader of the South Georgia Conference and past President of the Southeastern Jurisdictional Conference Lay Leaders as our platform speaker. This year we are pleased to welcome Mr. Ed Montgomery, Conference Lay Leader of the North Alabama Conference and President of the Southeastern Jurisdictional Conference Lay Leaders.

We had fine participation by the laity of the conference in training sessions held in the districts during the year. This is one of the most important responsibilities of our lay leadership, in cooperation with our clergy.

Dr. Arnold Prater, an approved evangelist of The United Methodist Church, had been invited to return for the second time to lead our Conference-wide Laity Retreat at Blue Lake, January 13-14. Dr. Prater is the author of some twelve books and has an unusual ability to "communicate the *Word* with words", to borrow a phrase from our *Discipline*. The Conference Board of the Laity voted to move the date for the 1979 Retreat to a later date, April 6-7, in order to benefit from better weather.

Planning for the calendar year 1978 included the following workshops at Blue Lake: April 14-15, *Lay Speaking*, under the leadership of Haniel Jones, Conference Director of Lay Speaking; September 8-9. *Stewardship*, directed by George Proctor, Conference Director of Stewardship; and November 17-18, *United Methodist Men*, under Harold Butts, Conference Director of United Methodist Men.

In closing, I would like to express my appreciation for the wonderful opportunity the conference has afforded me in allowing me to serve as Conference Lay Leader for the adopted four-year term. Jack Temple, dedicated District Lay Leader of the Pensacola District, has been nominated by the Conference Board of the Laity to serve as our new Conference Lay Leader. If he is elected by the annual conference let us join together in supporting him with our prayers and our efforts.

Coleman R. McGehee
Conference Lay Leader

COUNCIL ON YOUTH MINISTRY

This past year has been a year of accomplishment for the Conference Council on Youth Ministry. To a great extent this is true because of the establishment of district youth councils which have restored the connectionalism in youth ministry. A greater number of youth are becoming involved and we celebrate this involvement and understand it to be one of our primary purposes for existence as a conference youth council.

Youth Service Fund giving has increased this year and 65% of our $10,000 goal was raised. District goals have been established to create competition and increase participation. With the help of our district youth councils, we expect to reach our goal of $10,000 for 1978. These district goals are based on the annual conference apportionment formula and are as follows: Andalusia: $646.00; Demopolis: $728.00; Dothan: $1,200.00; Marianna: $927.00; Mobile: $1,416.00; Montgomery: $1,852.00; Pensacola: $1,909.00; Selma: $646.00; Troy: $676.00.

The projects chosen to receive support from Youth Service Fund were: La Casa de Amigos Day Care Center, Baldwin County, Alabama; Nellie Burge Community Center, Montgomery, Alabama; Dumas Wesley Community Center Bus Project, Mobile, Alabama; Mountain T.O.P. (Tennessee Outreach Program); Sommerville Women's Health Project, Inc., Sommerville, Mass.; The Neighborhood Center of Utica-Career Development Trainee Program, Utica, New York.

The Annual Fall Rally was held in October at Blue Lake and was simply marvelous. Over 1800 people were in attendance and the event was enjoyed by youth and adults alike. Dr. Charlie Shedd, a clergyman who is noted authority on marriage, personal relationships, sexuality, and youth, gave a very interesting and inspiring message which highlighted a day filled with such activities as field day events, exhibits, music, and crafts.

One of the great accomplishments of this year's council was the establishment of the conference youth newspaper, "Innervisions," which is published bi-monthly and is intended to be a communicating device to aid youth in local churches. The editor of "Innervisions" is Miss Denise Ashley of Crestview, Fla.

Another accomplishment has been the design of a unified program for local church youth. The program is titled "YEA '79" which means Youth Engaged in Action. Support for the program has been given by the Consultation on the Future of Youth Ministry. (See report of the Task Force on the Future of Youth Ministry for further explanation.) YEA '79 will enable youth from every local church to become personally involved in the missional emphasis of our church.

Of course the summer camping program is always an important aspect of youth ministry. A permanent staff of thirteen young adults was hired to serve as a counseling staff for the camping program at Pinewood. With modification this "professional staff" concept will again be used in the 1978 camping program.

Our seminar on national and international affairs in Washington, D. C. and New York City was held in March and proved to be a tremendous educational experience for all participants.

Spring events included the Junior High Retreat with Native American emphasis and a Communication Skills Workshop for our Senior Highs. The Rev. Harry Folsom from Nashville, and Dr. Bryce Kramer from Canton, Ohio, were our resource leaders.

The Consultation on the Future of Youth Ministry was a special event in the spring. The consultation evaluated our present youth program and made recommendations for innovative, futuristic ministries on a conference level.

This past August the National Youth Ministry Organization (NYMO) held its biennial meeting at the University of Oklahoma. Three delegates attended from our conference and we are happy to report that Miss Donna Morrissette of Pensacola, Fla., was elected to the National Steering Committee. Donna has since been elected Vice-President of the committee. Miss Beth Harris of Tallassee, Ala., has now completed her two-year term on the national level. Beth served with great distinction as she too held offices of leadership.

At the convocation in Oklahoma the youth selected three priorities:

(1) The Family
(2) Evangelism
(3) Ethnic Minority Youth Empowerment

The convocation also voted to embrace and support the missional priorities of the general conference. The convocation struggled with the question: "How can these priorities be translated into action in the local church."

Youth ministry is definitely on the upswing in our conference. A greater number of youth are becoming involved and, with the excellent leadership on both district and conference levels, we look with excitement and anticipation toward the future.

Respectfully submitted,

Miss Donna Morrissette

TASK FORCE ON THE FUTURE OF YOUTH MINISTRY IN THE ALABAMA-WEST FLORIDA CONFERENCE

This report reflects the conclusion of two years work by the Task Force on the Future of Youth Ministry. The task force was created at the 1976 session of annual conference with a membership of seven youth and seven adults. Its primary purpose was to establish a broad-based support of clergy and laity from across the bounds of our conference. The function of the task force was to evaluate youth ministry at the conference level and make recommendations for innovative, futuristic ministries.

This was accomplished in two ways. First, a survey instrument was designed in order to gather data from as many youth and youth counselors as possible. The survey questionnaire was distributed at nine district caucus meetings to secure information. Seven hundred ninety-four (794) questionnaires were tabulated.

Secondly, a Consultation on the Future of Youth Ministry in the Alabama-West Florida Conference was held in April of this year. The membership of the consultation included fifteen (15) youth and adults from each district, the nine (9) district superintendents and district youth coordinators, the Conference Council on Youth Ministry and Bishop Carl J. Sanders. Bishop Sanders opened the weekend event with an address on Friday evening.

The members of the consultation used the tabulated questionnaires as they met in small groups for discussion. The three National Youth Ministry Organization (NYMO) priorities of Evangelism, Family, and Ethnic Minority Youth Empowerment served as a basis for discussion and planning. The task force added the priority of World Hunger as a fourth area for consideration.

A refining committee of the consultation compiled and sharpened the recommendations from the small groups. There were suggested activities, programs, and ideas under each of the four priorities. The consultation voted to present its report to the Conference Council

on Youth Ministry for implementation. These suggestions are to be incorporated in a unified conference youth program entitled "YEA '79" which is to be implemented in January of 1979. YEA means Youth Engaged in Action. As a result of the work of the task force, Alabama-West Florida youth have a tremendous opportunity to express their faith through the YEA '79 program.

RESOLUTION
SUGGESTED BY LARRY BOWDEN
WRITTEN AND PRESENTED BY JAMES SEXSON

WHEREAS, the proper functioning of a District Council on Youth Ministry in each district is vital and very necessary to the implementation of youth ministry in our conference.

WHEREAS, district youth councils have not been functioning in many districts and because of this breakdown in structure there has been a severe communication problem and lack of support for youth ministry.

BE IT THEREFORE RESOLVED that the Consultation on the Future of Youth Ministry implore the bishop and the district superintendents to insure that a district youth council is functioning in each district and that this council meets and functions regularly.

BE IT ALSO RESOLVED that a copy of this resolution be sent to the bishop and all district superintendents.

BOARD OF MISSIONS

The Board of Missions has endeavored to be faithful to the task set before it as the connecting link between the General Board of Global Ministries and the conference, district, and local churches of United Methodism in Alabama-West Florida. We have sought to carry out the direction given to us in paragraph 729 in the 1976 *Book of Discipline* of The United Methodist Church, which states that we "shall provide for Global Ministries functions related to the objectives and scope of work of the General Board of Global Ministries as set forth in paragraph 1502 of the 1976 *Book of Discipline*." If you are not familiar with these functions I strongly urge you to read paragraph 1502 as it is a tremendous challenge to each of us as United Methodist Christians. These 12 functions stated in this paragraph set before us a panorama of Christian service that each of us could and should take personally. We on your Board of Missions are deeply aware of our need for your support and cooperation and we are so very grateful to you for the marvelous way you have offered this in 1977.

Let me share with you some of the results of our work together across this past year. The reports show that 87% of our World Service and Conference Benevolences, or $537,471.21 was paid in 1977. Our board is committed to do all that we can to encourage and aid the churches of our annual conference to pay World Service and Conference Benevolences in full. Again, we urge those churches that are already paying World Service and Conference Benevolences in full to go a second mile and receive a special offering during the year or to give extra monies to this strategic cause for Christian mission at home and around the world so that we might be able to go over 100% in meeting this great need.

In 1977 the Alabama-West Florida Conference stayed at or near the top of the list of conferences of the Southeastern Jurisdiction in our per capita giving to Advance Specials. We gave a total of $293,198.70 to General Advance Specials. We gave $50,857.72 to Conference Advance Specials and $149,146.00 to UMCOR. We are gratified by this continued growth in our giving to missions and yet, we all are aware that the needs never cease to confront us and our potential for giving is so much greater than our present giving level.

Two great experiences we have shared in during the 1977-78 conference year have been the commissioning services for Mr. and Mrs. Sam Foreman as missionaries to Zaire and Mr. George Sawada as a missionary to Costa Rica. As these have gone out to serve from the bounds of our annual conference, surely we will offer them our continued financial and spiritual support. An event that deserves our support in attendance and growing interest as a conference is the Cooperative School of Christian Missions. The dates of the two schools this summer are August 9-11 and August 11-13. One of our board members, the Reverend Pruitt Willis, is serving as dean of these schools this year.

We have continued to experience a great spirit of warmth and cooperation in our board meetings with excellent participation on the part of the individual members. The membership of our board is made up of a marvelous group of people to whom we are

indebted for their untiring faithfulness to their task. We are also deeply grateful to Ervin Dailey, our Conference Missionary Secretary for the excellent job he continues to do. Then we would express our deep appreciation to Bishop Carl J. Sanders for his advice, interest, and leadership in our work.

As you read this report and the following reports of the various committees that make up our board, I hope that you will see reflected your own faithfulness to the task of Christian mission at our own front door and to the uttermost parts of our world. If it is not what it should have been, then join hands and hearts with us who make up your Board of Missions and let's endeavor to do better to the honor and glory of our Lord and Saviour, Jesus Christ, in whose name we serve!

Respectfully submitted,
Douglas Newton, Chairman

COMMITTEE ON CHURCH EXTENSION

The Committee on Church Extension is privileged to have had a part in assisting local churches in our conference in realizing their dreams of better buildings.

The committee has the following major responsibilities:

(1) To aid new congregations in the construction of their buildings

(2) To assist small congregations in the construction and improvement of church buildings and parsonages

(3) To promote the establishment of new congregations

(4) To administer the Alabama-West Florida Conference Loan Fund

Churches desiring information on the possibility of borrowing funds or securing a grant for construction purposes may contact the chairman of the committee. All requests should be reviewed by the district superintendent.

The committee will pursue these goals in 1978-79:

(1) To double membership of the "Ten Dollar Club"

(2) To encourage the establishment of new congregations where needed

(3) To become better informed of needs for grants and loans

(4) To inform churches of financial assistance available

(5) To follow guidelines closely

(6) To make all churches aware that church extension is an arm of World Service and Conference Benevolences

TEN DOLLAR CLUB

The purpose of the "Ten Dollar Club" is to make available more aid to a greater number of deserving churches engaged in construction projects. The club continues to grow. In 1977 through the "Ten Dollar Club" appeal $2500 was raised for New Style United Methodist Church and $2500 for St. Mary United Methodist Church. The first appeal for 1978 is to assist the Loachepoka congregation to build a new church. Fire completely destroyed the former building.

To join the club an individual commits himself to give ten dollars no more than twice a year (total of twenty dollars) when called upon by the Board of Missions. The money is given to the local church treasurer, designated "Ten Dollar Club," and it is then remitted by the treasurer to the conference treasurer. The gift is credited to the local church as an advance special gift. Applications for membership may be obtained from the Conference Headquarters, P.O. Box 700, Andalusia, Alabama 36420.

DUMAS WESLEY COMMUNITY CENTER

The Dumas Wesley Community Center is an agency that grew out of the early settlement movement in this country. It has been in operation since 1903 and has always operated under a philosophy of being of service to its neighbors by being responsive to the needs that exist in the area of service.

We, the center, are located at 2732 Mill Street in the part of the city of Mobile known as Crichton. We have been funded from our inception by monies originating within the bounds of the Methodist Church. The principal funding body for the first sixty years was the women of the denomination. They retain a position today as being prime funders. Due to inflation, growth and other factors, the Board of Directors has looked to and obtained additional support of the mission from the following:

(1) Local United Methodist Churches

(2) Mobile District Board of Missions

(3) Alabama-West Florida United Methodist Women

(4) Alabama-West Florida Aid to Action Ministries
(5) United Fund of Mobile County
(6) State Department of Education
(7) State Department of Pensions & Security
(8) City of Mobile
(9) Fees for services rendered

The Dumas Wesley Community Center undertakes programs that support persons in their right to join together so they can find each other in the context of a functioning community. This philosophical approach would not be possible without the myriad of direct services offered to the community at their request.

Being an enabler and being responsive to expressed needs has been the key to our involvement over the past eight years. We have reached a point when we can claim that every direct service rendered at Dumas Wesley Community Center is directly related to the desires of area residents. That is to say, the idea of neighborhood development has been fully implemented and gives direction to our every involvement.

This involvement has made us increasingly aware that a segment of our service area is in extreme need. The individuals that make up this segment of our society are confronted by all or most of the social maladies encountered by the poor and are often referred to as multi-problem families or individuals. Since this group is ostracized not only by the broader community, but often by their neighbors, they are in desperate need of an advocate. As a rule the staff member becomes a mediator between the individual and the agency or institution in which he/she is involved. It may be the police department, the school, landlords, the welfare agency, a neighbor, or any other organization that may be involved. By failing to bring this troubled group into the mainstream we cannot achieve positive community change due to the fact that the total community is not involved or at least not all segments. This is an expensive service since the individuals are often confronted with crisis situations which call for financial relief. As a rule, the financial relief is what brings credibility to the worker—thus the agency. We attempt to maintain an emergency fund which enables us to become involved in this type of service. Our funds are only used as a last resort. We make every effort to see if the individual qualifies for financial assistance and other services from social welfare agencies in the county.

Secondly, we continue to work with neighborhood groups around the common issues that confront the Crichton area. Many of the ideas for new services come out of groups since they are representative of the community itself. Admittedly this is a slow process due I think to the fact that neighborhood people lack the confidence to move into unexplored ground.

The backbone of the many direct services rendered by the agency remains the day care or supplemental child care service. Since the United Fund of Mobile County became a prime funding source for this service, we have been able to upgrade the facility and the service. Biased we may be, but we feel the service is at least as good as any in the city and better than most. The key components of the service, rendered to children two and one half years through five years of age, are a quality pre-school curriculum, two hot meals and a snack a day, operating hours of 6:30 A.M. to 6:00 P.M. five days a week, a dedicated staff that continues to upgrade itself, a sliding pay scale that takes into account one's ability to pay, and an excellent facility housing much more than adequate equipment. We are providing this service for seventy families at the present time. The impact of the service will have a lasting effect on the life of the community.

Several other direct services continue under the auspices of the center and its staff. Briefly they are as follows:

(1) Senior Citizens—A group of ladies that have been related to the agency many years continue to meet for recreational and leisure time activities. This group is supervised by volunteers who have been with the center many years.

(2) Sewing Class—Another adult activity that has a great appeal. Again a volunteer of long standing heads the activities.

(3) Playground Activities—Available all the time to the community.

(4) Toy store for needy residents during the Christmas season.

(5) Leisure groups, arts & crafts, etc.—Small groups of young people learn new skills under the direction of CETA youth.

(6) Comprehensive Summer Recreation Program—This mass activity is housed in a local school and incorporates various types of recreation, arts & crafts, camping, swimming, field trips and other cultural enrichment activities.

Our experience over the past eight years has proved the validity of bringing a multiplicity of social services into our service area and of using the facilities and resources of other institutions and agencies of the broader community. The local residency has been very responsive to this approach. The following is a listing of the services rendered through this approach at the present time:

(1) Adult Basic Education—A program sponsored by the Mobile County Board of School Commissioners. This program offers the opportunity of acquiring a high school equivalency degree.

(2) Food Stamp Program—A service administered by the Dept. of Pensions and Security. Certification and re-certification of applicants take place in our agency.

(3) Aid to Dependent Children—Another certification and application taking program rendered by the Dept. of Pensions & Security.

(4) DOT (Diet's Our Thing)—A cooking program for young people, designed and directed by the Auburn Extension Service. Volunteers are the key to success in this program.

(5) Urban 4-H—Another Auburn Extension Service. A regular 4-H program with urban emphasis.

(6) Cub Scouts—No explanation needed

(7) Vocational Rehabilitation—We serve as a placement agency for participants in this program. A very meaningful relationship.

(8) CETA Youth program—A job placement service for young people who have dropped out of school. We are an agency selected to provide job opportunities and training.

(9) Family Day Care Feeding Program—We supervise and coordinate the feeding programs for sixty-five homes in Mobile County. This special project is funded by the State Department of Education.

As an enabler we feel it is important to keep the larger community informed and aware of the problems of our community people. So we continue to work at Dumas Wesley, day by day—listening, struggling, healing, building bridges between people and between the present as it is to a future which we hope will be more just, more decent, more human for all of us. This must be our response as we attempt to follow the command of Christ of loving the neighbor.

RESOLUTION

After much study of the giving to General Advance Specials for Ethnic Minority Local Churches and of the Conference Advance Specials, which are for ethnic minority churches, we urge the conference to continue the promotion and the receiving of funds for these two causes on a separate basis. Much good work has been done by local churches designating their giving to those ethnic minority, local churches in the bounds of our Alabama-West Florida Conference. Building programs have been accomplished and fellowships and relationships have been strengthened. We therefore urge increasing support of Conference Advance Specials for ethnic minority local churches in the Alabama-West Florida Conference.

Realizing a need across the nation, we also urge churches to support the Missional Priority of Ethnic Minority Local Churches through General Advance Special projects as an avenue of sharing and concern.

AID TO ACTION MINISTRIES

Through "Aid to Action Ministries" the Alabama-West Florida Annual Conference is able to initiate and support innovative ministries in both rural and urban areas. Projects supported in the amount of $19,800 in 1978 were: Mobile Inner City Mission, Pensacola Specialized Ministries, North Choctaw Larger Parish, South Choctaw Larger Parish, Conecuh County Larger Parish, Dumas Wesley Community Center, Nellie Burge Community Center.

The same projects are scheduled for support in 1978. They have all been doing good work. A significant development in the work in Mobile, where we support two projects, is the realization of a plan to coordinate the work of various groups working in the city through the formation of a "Mobile Community Organization." This organization got under way in 1977 and has had some significant achievements. Our committee earmarked some of its Mobile funds for this project.

A problem of funding for the rest of the quadrennium has arisen in that the National Division of the Board of Global Ministries has found it necessary, due to decrease in funds, to phase out the "Support for Action Ministries" (S.A.M.) program. The funds made available through SAM to our Annual Conference have been a part of our "Aid to Action Ministries" program. As they are cut out, adjustments will be necessary. SAM funds have also gone to other projects in the conference such as Noah's Ark, once a project of this committee.

It is our purpose in the conference Board of Missions to continue vigorous efforts to initiate and support forward looking, innovative programs within our annual co ference. District superintendents or pastors with proposals should contact us.

BOARD OF ECUMENICAL AND INTERRELIGIOUS CONCERNS

We note with much satisfaction the growing ecumenical spirit within our Birmingham Episcopal Area. We commend those who are making this progress possible, and urge you to continue your efforts.

The Board of Ecumenical and Interreligious Concerns continues its interest in and support of the Baldwin County Migrant Ministry. We believe that this project is an excellent example of true ecumenicity at work.

Plans were begun last year for an exchange of the elements for World Communion Sunday with other Christians throughout the world. Work has been done on this, and we expect to be able to implement these plans in time for the observance of World Communion Sunday in 1978.

We recommend your consideration of, and cooperation with, the Alabama Christian Consultation. This is an "umbrella group" which affords opportunity for dialogue, planning, and implementation of cooperative projects. The consultation seeks first to encourage participation through existing agencies of the participating churches.

We recommend for implementation in your communities two projects. We recommend a fall "Festival of Faith," a rally-type event sponsored by as many local congregations as can be enlisted. We also recommend a spring "Sharing the Faith" program, which is designed to promote understanding between local congregations. Visitation tours to local churches which are representative of different polity and practice can increase understanding and promote cooperation.

No organized approach to ecumenicity can do as much for the cause of ecumenical and interreligious concerns as can truly ecumenically-minded individuals. We urge you, then, to promote understanding and cooperation in your own church and in your own community. In doing this, you will surely promote the cause of the Kingdom of our Lord Jesus Christ.

Respectfully submitted,
Davis Y. Martin, Chairman

COMMISSION ON WORSHIP

The Commission on Worship has led an active existence in the second year of the 1977-1980 quadrennium. The goals set forth in a four year plan drafted last year have largely been met. The five priorities for action: Annual Conference Worship, Lectionary Distribution, Alternate Ritual Distribution, District Workshops and Music Workshops are all being fulfilled as nearly as possible on a yearly basis.

Last year the commission provided for annual conference worship by publishing a brochure of services and furnishing an artistic backdrop for the sessions.

The chairperson and the secretary-treasurer of the commission attended Horizons '77, a national convocation on worship, at the University of Santa Clara in California last July.

A youth choir camp took place from August 1-5 at Oakwood Lodge. Dr. Jean Shaeffer of Huntingdon College and other excellent resource persons led the conference choir camp.

An interconference convocation on worship was held in Columbus, Georgia, on February 17 and 18. The Rev. Dr. Lawrence Stookey of Wesley Theological Seminary, The American University. Washington, D.C., was the principal lecturer. Dr. Stookey lectured on baptism, confirmation, and renewal in the context of the alternate text service which he edited.

The first district, worship workshop was held in the Dothan District in April. Other worship training events sponsored by the commission have been held in Montgomery and Troy. The commission is determined that the United Methodist people of the conference have a contemporary understanding of worship in the Methodist tradition second to none.

The 1977-1978 Commission on Worship of the Alabama-West Florida Conference has been an initiating commission. New programs have been begun by the commission while it has been fulfilling its other disciplinary requirements. While initiation means risk, the conference commission now enjoys the kind of momentum and level of creativity that can only be generated by forward movement.

COMMITTEE ON CAREER PLANNING AND COUNSELING

What is career planning?

The 1976 General Conference adopted this concept:

"It is a life long process of carving out for oneself that career path which will enable one to achieve personal goals. Career goals are formed by a process which has three fundamental component parts to be considered.

1. **Skill identification**. An individual needs to identify those skills/talents which he/she has and enjoys using.
2. **Vocation**. A sense of vocation or calling is important before a person chooses an occupation to utilize their skills. That is, the individual needs to define theologically his/her sense of purpose and values.
3. **The Work World**. Recognizing that occupations, Church and secular are opportunities for persons to be in ministry. The individual needs to study occupational options in the light of their skills and sense of vocation, then get factual information about how to get into their desired occupation."

Why is this important?

We are hearing from many sources that the sickness of our age is meaninglessness: that persons are overwhelmed by despair that arises from a sense that they have no personal control over their lives, they lack certainty that their lives have meaning and purpose and that they can make a contribution to society, or that there is any ultimate purpose and value in life.

This is a poison to the human spirit, which contributes to the mood of escapism, boredom and violence in our society today.

Victor Frankle concludes, after the study of his own experience and that of others with him in a Nazi death camp, that the human spirit can survive and sometimes even thrive in the most extreme and adverse conditions, provided the individual has a sense of purpose. Conversely, we see that many find life intolerable even in the midst of affluence because they have found little or no purpose in their lives.

The Christian understanding of vocation, and a sense of God's call are valuable antidotes to the poisons of "Modern Despair". This is one reason we must develop effective programs of career planning and counseling in each local church. The need for career planning training is not limited to youth. We are now seeing that adults making mid-career job changes, pre-retirement and retired persons have problems which may be greatly benefited by resources and counseling from the Christian perspective. The special career problems of women and minority persons also calls for our concern.

Our church is at work on the general level through the Office of Personnel of the Board of Higher Education and Ministry, to prepare materials, design programs and train persons to minister to career planning needs.

In our own conference we are attempting to build a better program. First, by alerting pastors and churches to the need for this type of ministry. One effort in this direction was a sermon writing contest, conducted in March and April. By means of this contest we hoped to stimulate thinking and preaching on the general theme, "Christian Vocation" and awaken awareness as to the importance of this emphasis.

Second, we recommend that we take these very basic steps next year.

1. Each church elect a Secretary of Career Planning and Counseling and provide them a copy of "Guidelines for the Secretary of Career Planning and Counseling". (Available from Cokesbury).

2. That district secretaries work with the conference committee, and their District Council on Ministeries and local church secretaries to:

A. Set up and conduct a training opportunity for local church Secretaries of Career Planning and Counseling.

B. Plan and carry out a district career planning "Event". This may be designed primarily for youth, but perhaps for other groups also. We are recommending that this be done in each district where possible this year, rather than having a conference-wide convocation.

3. That district secretaries and other committee members attend the meetings of the conference Committee on Career Planning and Counseling in order to do necessary planning and to participate in designing and developing an effective program for our annual conference.

Note: The National Consultation on Career Planning and Counseling met in St. Louis September 29-30. One action of this group, composed of representatives from 23 annual conferences, was to draft proposed legislation to the 1980 General Conference which says, "In each annual conference there *shall be* a Committee on Career Planning and Counseling" to replace the present disciplinary statement which says, "There may be....".

JOINT COMMITTEE ON COMMUNICATIONS FOR THE BIRMINGHAM AREA

Report Number 1

The office of United Methodist Communications has continued to operate under the goals and priorities established in the preceding year. Training and supporting the local church coordinator of communications, providing communication education training events and building solid relationships with the public media have received primary attention.

The major activities through which we have fulfilled these goals may be summarized as follows:

A. The Parish Newsletter Project in the Demopolis District has continued to receive favorable support from the national and area offices. A grant of $3,500 was received from the Ethnic Minority Local Church Fund for the purchase of equipment and supplies.

B. Publication of "The Daily Seed" during the 1977 sessions of the two annual conferences, concluding with the listing of pastoral appointments, provided an invaluable service to the conference members.

C. Two outstanding communication education training events were held. The "Word and Music" workshop was designed to train and equip ministers to produce this weekly radio program. The Art/Cartoon Workshop was a national workshop, co-sponsored by the Communications Education Section of United Methodist Communications, Nashville, and drew favorable attention from across the church for our work in communications training.

D. Training events for district and local church coordinators of communications were held. It is our goal to effectively equip each local church with trained persons in the communication arts.

E. Through intensive participation in national workshops, we have certified trainers in parish newsletters and television awareness training workshops. Certified trainers in parish newsletter workshops are: Norman Westbrook, Booker Cooke, III, and Robert F. Storey. Certified trainers in Television Awareness Training are: Sue Parnell, Phyllis Anderson, Mark Stewart, Gerry Hearin, Rex Brown, Charlotte Meredith and Robert Storey.

F. Over 20 different press releases have been sent to the public media in Alabama and West-Florida, as well as jurisdictional and national areas. Depending on the content and area of interest, these releases have gone to individual papers, or to as many as 189 newspapers and radio and television stations. Over 30 stories have appeared in the Methodist Christian Advocate and the Baptist radio news program, "Newscope," has carried a number of our stories during the year.

G. Five general staff members of United Methodist Communications have been in our area. They were: Dr. Gene Carter, Thomas Nankervis, Dianne Bowden, Thomas McAnally and Bruce Mosher.

H. Produced "Camp Sumatanga—A Place of Rest and Vision," a fifteen minute filmstrip, in association with the Camp and Assembly Commission.

This committee has shared jointly in the planning and work of the two conference Committees on Communication. Communication training events are planned and funded by the area committee in cooperation with the two conferenie committees.

The director of communication has served as a resource person in national, jurisdictional, conference, district and local church workshops; served on the publicity committee for the Alabama-West Florida Pension Funding Crusade; publicity chairman for the Bishop's Convocation on Preaching; media resource person for the regional School of Christian Missions; assisted with the Media Photography section of the Southeastern Jurisdiction Leisure Ministeries Workshop held at Camp Sumatanga, and participated in many local church events.

Report Number 2

The Director of United Methodist Communications—Birmingham Episcopal Area is expected to fulfill the following responsibilities:

—to train and support the local church coordinator of communications; to assist the local church in developing its public relations program and to provide communication training among the members of the local church.

—to be the liaison person with the district coordinator of communications.

—to produce "The Bishop's Hour" and to be the liaison person with the network stations.

—to serve as the news officer for the Birmingham Episcopal Area, with responsibility for distributing news release to newspapers, radio and television stations, and developing a compatible relationship with the public media.

—to provide news articles and picture/stories for the Methodist Christian Advocate.

—to create ministries in media, produce filmstrips, audio cassettes, and training in the church's use of video.

—to promote the Mass Communications Fund.

—to plan and implement communications education training events.

—to maintain a central office of United Methodist Communications in the Birmingham Episcopal Area and to supervise operations and supportive personnel of the office.

Report Number 3

The United Methodist Church in the Birmingham Episcopal Area has a unique and enviable relationship with the television industry in Alabama and West Florida. "The Bishop's Hour", our television ministry, has just completed its eleventh successful year of programming. Through the public interest and generosity of WAPI-TV, the originating

station, and the seven network stations, we have the opportunity to present the message of Christ to the general public through the powerful medium of television.

We believe "The Bishop's Hour" is one of the finest locally-produced religious programs broadcast on prime time today. The continued receptivity from the general managers in the industry seems to support this contention. "The Bishop's Hour" is produced eight months a year—October through May—and is carried on the following stations in Alabama, Florida, Georgia, and Mississippi:

WAPI-TV, Birmingham; WJHG-TV, Panama City, Florida;
WKRG-TV, Mobile; WOWL-TV, Florence; WTOK-TV, Meridian, Miss.;
WTVM-TV, Columbus, Ga; WTVY-TV, Dothan; and WYUR-TV, Huntsville.

We are grateful to Mr. Donald Wear, General Manager of WAPI Television, for his continued support of the United Methodist television ministry. We are deeply indebted to Mr. Everett Holle, program manager, and Mr. Robert Earl Smith, production manager, who have been close working companions with the program since its inception, and who continue to give the program their devoted attention. The entire staff of WAPI-TV are our friends. We take this opportunity to express our appreciation to them for their devoted services to "The Bishop's Hour."

We also acknowledge our indebtedness to the program managers in each of the network stations and express our appreciation to them for their participation in "The Bishop's Hour."

Bishop Carl J. Sanders gives high priority to this television ministry and feels assured that these messages reach large numbers of persons. His sermons are timely, helpful and Christ centered. His personal warmth in communicating the gospel is highly received by our many viewers.

Mrs. Connie Barnes, Talladega, has been an interpreter for the deaf for the second consecutive year.

The following choirs and soloists have appeared on the 1977-1978 programs: David Heer, soloist, Canterbury United Methodist Church, accompanied by Jimmy Dorrah, Minister of Music at Canterbury; the Trinity United Methodist Church Choir, Phenix City; Dothan District Singers; Metropolitan United Methodist Church Choir, Montgomery; Zion United Methodist Church Choir, Jasper; First United Methodist Church Choir, Chipley, Fla.; Ms. Barbara Freeman, soloist, Phenix City, accompanied by Ms. Virginia Poor; Lea Ann Friday and friend and the Children's Choir, First United Methodist Church, Birmingham.

We believe "The Bishop's Hour" is a viable option to the violent, sex-oriented, deceptive programs being presented on national television in our time;

Therefore, we encourage each church to take the initiative in promoting the program through the pulpit, the newsletter, church bulletin and the local papers, and, to write letters of appreciation to the station in their area.

Finally, there are no words which can describe our relationship to the television industry. Let us never take this privilege lightly when the mass media is such a powerful force in our society.

Report Number 4

For the first time in our Church's history, a new national weekly radio series was begun in October of 1977. The radio ministry was approved by the 1976 General Conference and is being produced by the Public Media Section of United Methodist Communications, Mr. Bill Richards, producer.

"CONNECTION—a new radio series-connecting people to faith—people to people—poeple to action" is a magazine format, mixing word and music, broadcast weekly on 96 stations.

"Connection" is now being broadcast over the following stations in our area: WBSA, Boaz; WWWF/AM, Fayette; WRES/FM, Troy; WPID, Piedmont; WRSA/FM, Huntsville-Decatur; WELB/AM, Elba.

We are indebted to the District Coordinators of Communications who have made personal contacts with local radio stations, secured placement time, and solicited financial support from districts and local churches. These dedicated district coordinators have served us well in representing this outstanding radio ministry.

Our goal is to have "Connection" placed on at least one station in each of the 21 districts in our area.

To accomplish this goal, we encourage the financial support of District Council on Ministries, local church budgets, Sunday School classes, United Methodist Women's organizations, and individual sponsors to provide paid-for time on the air.

Report Number 5

We recommend each local church read the resolution passed by the 1976 General Conference entitled "The Church In A Mass Media Culture." The concluding statement in that resolution is as follows:

"We urge our churches to communicate, serve, and minister to their communities through the public media. This will require our churches to:

Discover the needs of persons in the community and determine how the church can minister to those needs through the media.

Work with other churches in an ecumenical spirit of service and ministry.

Commit time, budget, and talent to a ministry through the media.

Maintain high ethical and moral standards in utilizing the media.

Recognize the variety of purposes the church can fulfill in communicating through the mass media, such as education, witness, evangelizing, information, social action, service, and ministry.

Finally, we call upon the mass media industries and leaders to recognize their power in our society and to use this power responsibly in enabling persons to achieve their fullest potential as children, women, and men of God."

We believe this is an excellent statement on the relationship of the church to the public media.

Therefore, we call upon the conference and local church councils on ministries to give this statement careful study;

we advocate a higher priority on the use of public media by the conference and local churches;

we urge each local church to consider the public media as an extension of the church's ministry in evangelism and education;

we encourage each local church to plan for the effective use of the public media;

we call upon the public media to work closely with representatives of the local churches and conference in developing the appropriate skills in using the public media;

and we call upon the public media to recognize the right of the Church to have access to and make responsible use of the various channels of communication operated by the public media.

In conclusion, we are grateful to the public media—newspapers, radio and television—for their responsiveness to our requests, for their coverage of United Methodist events and for including articles and announcements in their media. We commend them for their cooperation with us.

Report Number 6

The financial records of United Methodist Communications have been audited by Mr. Robert Walston and found in good condition.

Mrs. Jeanne Glasgow is to be commended for her excellent work as treasurer of United Methodist Communications.

Copies of the audit report have been placed on file with each annual conference Council on Finance and Administration, the secretary of the Joint Committee on Communications and United Methodist Communications.

Report Number 7
Joint Report of the Board of Trustees of The *Methodist Christian Advocate* and the Joint Committee on Communications

At its 1977 session the North Alabama Conference of The United Methodist Church adopted the report of its Management Study Committee (*Journal of the North Alabama Conference*, 1977, pp. 160-161, 394-416.). Two Birmingham Area enterprises, *The Methodist Christian Advocate* and United Methodist Communications, were included in the study and consequently in the report.

That portion of the report which pertains to *The Methodist Christian Advocate* and area United Methodist Communications is quoted in full herewith:

VII. METHODIST COMMUNICATIONS AND CHRISTIAN ADVOCATE

A. Organization and Emphasis

There is a lot of similarity in the functions of these two offices.

We recommend:

35. That in consultation with the Alabama-West Florida Conference we work toward combining the two operations under the direction of one board with one director.

Currently *The Methodist Christian Advocate* is published forty-eight times per year. With the small staff, mechanics demand a great proportion of the available time.

We recommend:

36. That a publication schedule be developed with regular issues every other week, supplemented by four to eight special issues as needed.

B. Operations

We recommend:

37. That prior to the combining of the two boards and two directors, the directors and the area board chairpersons implement both a management by objectives program and a regular performance evaluation program.

The Methodist Christian Advocate budget includes $7,000 which is paid to a local computer service bureau to maintain subscriber files and print labels. The Birmingham-Southern Computer Center has quoted $6,000 to do this same work. With some negotiation this cost could possibly be lowered.

We recommend:

38. That the *Advocate* use the Birmingham-Southern Computer Center for the label service, that regular subscription promotion programs be implemented, and that the director evaluate the use of part-time work/study students.

C. Salary and Expenses

We recommend:

41. That the Joint Committee on Communications and the Board of *The Methodist Christian Advocate* determine the base salary and the annual salary changes for the Director of United Methodist Communications and the Editor of *The Methodist Christian Advocate* respectively, by the same formula and procedure as that used for the Council on Ministries staff members. Expenses shall include:

1. Travel at the annual conference rate up to $1,800.00 per year by voucher;
2. Utilities up to $1,500.00 by voucher;
3. The family portion of health insurance; and
4. That the expense accounts of these two officers be listed in the conference *Journal* annually.

(North Alabama Conference *Journal*, 1977, pp. 414-415).

There are differences of opinion within the Board of Trustees of *The Methodist Christian Advocate* and within the Joint Committee on Communications as to the implications of the recommendations of the North Alabama Conference Management Study Committee report for *The Methodist Christian Advocate* and United Methodist Communications. The prevailing opinion subscribes to the view that the recommendations of that report allow the *Advocate* board and communications committee (which include equal representation from the two annual conferences) some freedom of implementation so long as it is true to the spirit if not the letter of the recommendations.

To that end, the Board of Trustees of *The Methodist Christian Advocate* and the Joint Committee on Communications offer the following resolution to be acted upon jointly by the two annual conferences involved:

A JOINT RESOLUTION OF THE NORTH ALABAMA AND ALABAMA-WEST FLORIDA ANNUAL CONFERENCES OF THE UNITED METHODIST CHURCH WITH RESPECT TO THE OPERATIONS AND MANAGEMENT OF *THE METHODIST CHRISTIAN ADVOCATE* AND UNITED METHODIST COMMUNICATIONS IN THE BIRMINGHAM AREA.

Be it resolved that, in view of the area-wide nature and responsibilities of *The Methodist Christian Advocate* and United Methodist Communications, the Board os Trustees of the *Advocate* and the Joint Committee on Communications be requested to institute an in-depth study (analysis, evaluation, and recommendations) of the organization, management and operations of these two enterprises, such a study to include, where applicable, but not to be confined to:

1. Cooperative relationships,
2. Publications and publications schedules,
3. Performance evaluation programs, and
4. Financial operations and status, including salaries and expenses of personnel.

Be it further resolved that the implementation of this resolution be regarded as fulfillment of the obligations of the Board of Trustees of *The Methodist Christian Advocate* and the Joint Committee on Communications with respect to the North Alabama Conference's Management Study Committee report pertaining to "Methodist Communications and the *Christian Advocate*."

The Board of Trustees of *The Methodist Christian Advocate*
R. Glenn Massengale, Chairperson
The Joint Committee on Communications
Norman B. Westbrook, Chairperson

Report Number 8

Inasmuch as the annual conferences have approved an in-depth study of the organization, management and operations of *The Methodist Christian Advocate* and United Methodist Communications,

Be it resolved, that the in-depth study be carried out by a committee of 10 persons. The committee shall be composed of five persons from the Alabama-West Florida Conference and five persons from the North Alabama Conference. Members of the Board of Directors of *The Methodist Christian Advocate* and the Joint Committee on Communications shall not be eligible to serve on this committee.

Nominations shall be made by the Committee on Nominations of the respective conferences, and elected by the annual conferences.

Be it further resolved, that expenses incurred by the in-depth study committee shall be financed through the contingency funds of the two annual conferences, not to exceed a total of $2,000 on a share basis to be appropriated on the formula basis.

THE METHODIST CHRISTIAN ADVOCATE

Report No. 1

One of the most important events in the history of the world was Johannesizat Gutenberg's invention of movable type, in the 1440's. The meaning of newspapers, books, periodicals and other productions in the printed media field throughout civilization is beyond computation. One of the most important steps in the history of Methodism in Alabama and northwest Florida was the establishing by the Alabama-West Florida Conference and the North Alabama Conference of *The Methodist Christian Advocate*.

The *Advocate* is now in its ninety-eighth year of service, standing near the eve of and already anticipating its centennial. The first issue of the publication came from the press on May 25, 1881. The two annual conferences required in their votes in their 1880 sessions founding the *Advocate* that two thousand subscribers be obtained (subscription rate then, $2.00 per year) before the first issue could be published. What the *Advocate* has accomplished across these years and its significance for United Methodism in the two annual conferences which own and operate it are also beyond computation. The *Advocate* covers the entire territory of the Alabama-West Florida Conference and the North Alabama Conference forty-eight weeks per year. It could reach every local church and every United Methodist home forty-eight times each year, if churches and individuals would have it so.

THE ADVOCATE INFORMS. The *Advocate* brings news of vital events in the two annual conferences, telling the story, for instance, of the Pensions Funding Crusade in the Alabama-West Florida Conference, the Scholarship Fund campaigns of Huntingdon College and Birmingham-Southern College, the programs of the annual conference sessions. The *Advocate* brings the news of what is happening in United Methodism and in Christianity at large.

THE ADVOCATE INTERPRETS. The *Advocate* sets forth the meaning of actions by the General Conference, the Jurisdictional Conference, annual conferences, boards and agencies, as examples. Readers have greater understanding of all phases of United Methodism through this publication.

THE ADVOCATE PROMOTES. The *Advocate* serves as a publicity instrument of every board, committee, commission, and all other agencies of the two annual conferences, announcing meetings, projects and program objectives of these bodies.

THE ADVOCATE PROCLAIMS. Through the news stories which are submitted to it by local churches the publication is a means by which local churches witness to others of what they are purposing and accomplishing.

THE ADVOCATE INSPIRES. Particularly through seasonal messages by ministers and feature articles, such as those currently appearing by Dr. Houston Cole of Jacksonville and the recent report on the Sixth Oxford Institute of Methodist Theological Studies by Dr. Earl Gossett of Birmingham-Southern College, the publication presents content which uplifts and expands vision.

THE ADVOCATE CHALLENGES. The prime purpose of the editorials is to stimulate thinking on the relation of the Christian faith to issues of life and to deepen personal discipleship. Contributions such as those by Bob Kochtitzky on "Sharing Creation" challenge individual response to world hunger, the energy problem and similar issues.

THE ADVOCATE SYMBOLIZES. "My church paper," a characteristic expression through the years about the *Advocate* and one which should be shared by all United Methodists in the Birmingham Area, means that members see the *Advocate* as a tangible representation of The United Methodist Church in our surroundings. This is one reason why the *Advocate* ought to be in the home of every family in our two annual conferences.

THE ADVOCATE CONNECTS. The *Advocate* is a vital expression of the basic Methodist principle of connectionalism, making local churches, districts, agencies and other parts of our organization more aware of and more informed about each other. One of the strongest illustrations of this fact is that the *Advocate* enables every subscribing local church and every subscribing individual member to have a message to have a message forty-eight weeks of the year from Bishop Carl J. Sanders, the episcopal head of our denomination in the North Alabama Conference and the Alabama-West Florida Conference.

Report Number 2

THE ADVOCATE SEEKS SUBSCRIPTION RESPONSE FROM LOCAL CHURCHES AND INDIVIDUALS. The continuing goal of the *Advocate* is to reach every local church and every member in the two annual conferences.

Subscription rates are most attractive and reasonable, particularly in this time of economic inflation and high costs. Subscription support is by far the main financial means in the operation of the *Advocate*, although the publication is aided vitally by appropriations from the two annual conferences and by receipts from advertising (advertising cannot exceed% of the space in any one issue under regulations regarding non-profit organizations, second class mailing privileges granted by the U. S. Postal Service).

Produced, printed, and delivered to subscribers' doors or mail boxes forty-eight times a year, the *Advocate* is available for the following modest rates:

$3.00 per year to *100% subscribing churches* (every resident active family);

$3.50 per year to *ADMINISTRATIVE BOARDS* which subscribe 100% for every family represented on the board;

Individual rates: $4.50 one year; $8.00 two years; $10.50 three years.

PROMOTIONAL PLANS for 1978-79 will be presented at the annual conference sessions and will consist of the following three main thrusts:

(1) District-centered campaigns.

(2) October to be observed as "*Advocate* Subscription Month" by all churches in the two annual conferences.

(3) Groups in local churches (United Methodist Women, United Methodist Men, United Methodist Youth Fellowship, as examples) invited to secure subscriptions at the individual rates, with remittance of $1.00 to be made to the participating group by the *Advocate* for each subscription the group secures to the publication.

THE ADVOCATE URGES local churches, districts, committees, commissions, boards and other agencies to send news articles regularly to the publication. The *Advocate* has in this regard the goal of having every local church and every other organization represented in the pages of the publication.

This report is submitted with expression of deep appreciation to all subscribing local churches and individuals and to each and all who seek to further the reach and effectiveness of the *Advocate*.

DIVISION IX—FINANCIAL REPORTS

Board of Trustees
The Methodist Christian Advocate
Birmingham, Alabama

We have examined the statement of financial position—the operating fund and capital fund—of The Methodist Christian Advocate as of December 31,1977, and the related statement of receipts and expenditures and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the following financial statements present fairly the financial position of The Methodist Christian Advocate at December 31, 1977, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

COUNCIL ON FINANCE AND ADMINISTRATION AUDIT OF TREASURER'S RECORDS

Aldridge, Borden and Company
Certified Public Accountants

March 8, 1978

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church for the year ended December 31,1977, and the statement of investments at December 31, 1977. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The council's policy is to prepare its financial statements on the basis of cash received and cash disbursed; consequently certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of recorded receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of The United Methodist Church for the year ended December 31, 1977, and the investments held at December 31, 1977.

DIVISION X—MEMOIRS

DR. CHARLES MARION PRESTWOOD, JR.
1931-1977

Charles Marion Prestwood, Jr. was born in Escambia County, Alabama near Brewton, April 27, 1931. He was the son of Charles Marion Prestwood and Marguerite Louise Jackson. On August 29, 1952 he married Bette Ogletree. Their four children are: Karen Marie, Beverly, Donna Lynn, and Theresa.

Charles received his A.B. from Birmingham-Southern College, Birmingham, Alabama, in 1953. He attended Boston University where he received his S.T.B. in 1956, and his Ph.D. in 1959.

He was ordained Deacon in 1954 and became a member of the Alabama-West Florida Conference when he was ordained Elder in 1956. From 1951 until 1954 he was a student pastor in the North Alabama Conference at Wilton, Alabama. In 1954 he served the People's Methodist Church of Newberryport, Massachusetts. In 1956 he was pastor of the Community Methodist Church of Suapnee, New Hampshire, while completing his student work at Boston University. In 1958 he returned to Alabama as Assistant Professor of Religion at Birmingham-Southern College. In 1969 he was appointed to the Eutaw Methodist Church in Eutaw, Alabama. In 1963 he served the Michigan Avenue Methodist Church in Mobile, Alabama, for one year. He was appointed to the Whitfield Memorial Church of Montgomery, Alabama, in 1964. In 1966 he was appointed to the Warrington United Methodist Church, Warrington, Florida. In 1969 Charles became Professor of Sociology and Anthropology at Mississippi State College for Women, Columbus, Mississippi. In 1971 he became Chairman of the Department of Sociology at Albright College, Reading, Pennsylvania.

Charles entered the Stanford University Medical Center in Palo Alto, California, on May 17, 1976, to await a heart transplant which he received on July 14, 1976. The transplant afforded him more than a year of life, during which time he returned to his teaching responsibilities at Albright College. He died on July 31, 1977 in Palo Alto, while waiting for a second heart transplant. To say that he was a good soldier is a vast understatement of the courage and stamina of Charles Prestwood.

Charles leaves behind a record of significant academic achievement, meaningful pastoral ministry and relevant social involvement in the issues of our time. While he lived he gave his life to the ministry of the United Methodist Church, and when he died he left his body to medical research. We celebrate the life of Charles Marion Prestwood, Jr., and commend his spirit to God, who sent him, and who has now received him.

1921-1978

Fletcher Reynolds "Bob" Herlong was born in Letochatchee, Alabama, November 16, 1921. He was the son of Fletcher and Ruby Ruth Herlong and was the completion of their family consisting of Leon Sheppard, Kate, Gordon Lomax, and Warren Candler. Following childhood in Letochatchee and high school in Fort Deposit, he moved to Montgomery, Alabama, where he was an accountant with a business firm for several years.

After serving as an Army Air Corps Captain in the finance division during World War II, he returned to Montgomery and resumed his accountant position. Bob was an active member in the Frazer Memorial Church, but after hearing the inspiring sermons of a visiting minister, Comer Woodall, he was convinced a higher plane of Christian living could be attained. In the summer of 1949, Bob committed his life to Christ at a small church in Mr. Woodall's charge near Headland, Alabama. A few weeks later he was licensed to preach.

Bob entered Huntingdon College and was the first male elected to the student government where he served as vice president. During these busy months he met and later married Mary Whetstone. He was appointed to his first charge during 1949-1950, the Wallsboro Circuit near Wetumpka, Alabama.

He graduated from Huntingdon in the summer of 1952. Following graduation, he and Mary and their infant son, David Wood, moved to a four-church circuit in Cross Plains, Tennessee. While in this location, Bob attended Vanderbilt University to work on his graduate degree in theology. He graduated from Vanderbilt in 1955 and their second child, Rosemary was born. He graduated summa cum laude and received the Founder's Medal. Soon afterwards he received another four-church charge in the Alabama-West Florida Conference in Loachapoka, Alabama. He later served churches at Ashford, Headland, and Prichard in Alabama and Niceville, Florida.

During his ministry in Headland, Alabama, Bob had a significant spiritual experience that later opened many other doors to God's truths. This expereience also provided enriching growth in his Christian faith, which gave him the strength to face the eleven years of illness that followed.

He was named Executive Director of the Halawaka Sprirtual Retreat Center in Columbus, Georgia, in 1969 by his conference bishop. This was an entirely new type of ministry to Bob.

In this second ministry, Bob was in touch with people throughout the Southeast and reached even further through sessions in local churches, retreats, workshops, Faith at Work Conferences, and through his numerous writings.

On Tuesday, January 10, 1978, Bob died.

THELMA DELORAS CAMPBELL SIRMON

Thelma C. Sirmon was born February 2, 1931, as the only child of Mr. and Mrs. Daniel R. Campbell of Greenville, Alabama. She was married to Rev. Glenn S. Sirmon, also of Greenville, November 23, 1947, and was his companion and helpmate for thirty years as they served wherever God led them.

Thelma died February 10, 1978, in Pensacola while serving with her husband in Cantonment, Florida. She is survived by her only child, Sylvia Kaye Sirmon; her husband, and by her mother, Ethel Thrower Campbell.

"I was born to give my life for someone else, but I shall be no strnager there." Thelma Sirmon

MRS. OLIVER E. MURPHEE

On the night of May 5, 1978, Erline D. Murphree lost her fight against cancer. God had claimed her spirit to come home to him.

It was first discovered in the summer of 1976 that Erline had cancer, but being the wonderful and trusting person that she was, she just smiled and said, "Don't worry, the Lord will give me strength to face what is ahead" and that He did! Erline never gave up, and her faith never once faltered. She was in college at the time her cancer was discovered, and despite major surgery she graduated from Troy State University in August of 1976 and taught school for two years in Andalusia and in Brewton. All of this while still standing by and serving with her husband and raising their three daughters.

Erline was born in 1930 in Cragford, Alabama, the daughter of Mr. and Mrs. Wilse Daniel. She married Oliver E. Murphree in July of 1951 in Clanton, Alabama, and gave birth to three daughters, Cynthia, Cecelia and Sandra.

During her years as a parsonage wife, she and her husband served in Thorsby, Pineapple, Ramer, Holtville, Molino, Andalusia, and Brewton.

Those who knew her were aware of her beautiful spirit, cheer and never failing smile, and on May 8, 1978, at Alco United Methodist Church in Brewton these friends said their

final goodbye to this wonderful lady. Later that day, at Chilton Memorial Gardens in Clanton, Erline found her final resting place. The Reverends Henry Eddins and Marvin Vickers officiated.

Erline would not want us to be saddened by her death, she would smile as always and want us to look forward to the day when we will be together again.

MRS. JAMES EDWARD TATE

Mrs. Irene Averitt Tate, wife of Rev. James Edward Tate, was born on November 11, 1898, at Henderson, Kentucky, and died in Dothan, Alabama, on January 29, 1978. She was the daughter of William Giltner and Eva Sandifer Averitt and very early in life moved with her family to Morganville, Kentucky. Early in her teens they moved to Birmingham, Alabama, where she attended the public schools and worked as a secretary for several business firms.

Irene was very active in the Sunday Schools and Epworth Leagues of the Methodist Churches in Birmingham. Through her activity in the Foundation Heights Church she met James Edward Tate, who was teaching in the Birmingham-Southern High School. They married on April 20, 1919, and that summer entered the itinerant pastorate of the Methodist Church. Their first appointment was to the Reform Circuit in North Alabama, but the next year they began 44 years of service in the Alabama-West Florida Conference at the Repton Circuit. Succeeding appointments for the Tates were: Fairhope Circuit (1921; Linden Circuit (1923); Uniontown (1925); Castleberry Circuit (1926); Clayton (1929); Opp (1930); Clayton Street (now Frazer Memorial); Montgomery (1932); Evergreen (1936); Bay Minette (1938); Camden (1940); Marion (1945); St. Mark's, Montgomery (1949); Tallassee (1951); Selma District (1954); First Church, Troy (1958); and First Church, Geneva (1961). They retired in 1964 and moved to Auburn.

Mrs. Tate was the mother of five children. Two of them pre-deceased her: Mrs. Eva Lanford Bond and James Tate. The other children are Herbert Tate, Mrs. Phyllis Bryars, and William A. Tate.

During the thirteen years of retirement in Auburn, Mrs. Tate endeared herself to the entire community. She was particularly active in the Sunday School of Auburn United Methodist Church and in the Women's Club. Her green thumb cared for literally hundreds of African violets which brightened her home where the floors were covered with dozens of hooked rugs which she made during her "retirement."

A sudden illness confined her to the hospital for three months in late 1977. From there she entered Wesley Manor in Dothan and spent another three months before being transferred to her heavenly home. Funeral services were conducted in the Auburn United Methodist Church by her brother-in-law, Rev. John Tate of Roanoke, Alabama, with burial in Montgomery.

We commend him for his work among us and extend our sincere thanks to him.

RESOLUTIONS ON CONTINUATION OF PENSIONS CRUSADE OFFICE

WHEREAS, through the combined and concerted efforts of laity and clergy alike, the Pension Funding Crusade of the Alabama-West Florida Conference has been eminently successful with more than $4,187,000 pledged on a goal of $3,822,504, and

WHEREAS, it is deemed necessary to follow up the crusade through maintaining accurate files, monitoring and encouraging pledge payments, securing further participation of churches, businesses and individuals, and

WHEREAS, it is our judgment that this can be accomplished most efficiently and effectively by an executive serving this cause on a full-time basis. (The Office of Finance and Field Service indicates they experience across the nation that pledges will be collected on a basis of 75% without direct follow up but with 90% or more with a concerted effort to follow up on pledge payments.)

NOW, THEREFORE BE IT RESOLVED that the Alabama-West Florida Annual Conference authorize the employment of such executive, effective June 1, 1978.

IT IS RESOLVED that the presently constituted Steering Committee of the Pension Funding Crusade will be responsible for the overall direction of the crusade throughout the pledge-paying period and that the executive to be employed shall be responsible to the Steering Committee or such sub-committee as it may authorize.

WHEREAS, there has been a renewed interest in our conference in further supervision and enlarging our work in regards to Conference Claimants Homes,

FURTHER BE IT RESOLVED, that the executive be charged with the additional responsibility of the oversight of the Homes for Claimants program of the Board of Pensions and Homes for Claimants including assignments of residents, upkeep of property, securing of additional homes through gift or purchase and other duties as the board may direct and authorize. In this function the executive shall be responsible to the Board of Pensions and Homes for Claimants.

WHEREAS, it is acticipated that the Homes for Claimants program will become increasingly important as the Pension Funding Crusade is completed, and that this program will require vigorous and continuing effort in behalf of our retirees and spouses,

LET IF FURTHER BE RESOLVED that the funding for the employment of the proposed executive be shared by the Pension Funding Crusade receipts and the Alabama-West Florida Conference Board of Pensions and Homes for Claimants on the following suggested scale:

1st years Crusade receipts 100%
2nd year Crusade receipts 75%, Board of Pensions 25%
3rd year Crusade receipts 50%, Board of Pensions 50%
4th year Board of Pensions 100%

The fiscal year for this funding will be June through May. It is estimated that salary, housing, travel and other expenses (including secretarial help) will require a budget of approximately $40,000 annually.

FURTHER BE IT RESOLVED that this plan shall be reviewed annually and may be amended or discontinued as judged best for the interests of the annual conference.

Respectfully submitted,

HUNTINGDON COLLEGE RESOLUTION TO ANNUAL SESSION ALABAMA-WEST FLORIDA CONFERENCE MAY 31, 1978

WHEREAS Huntingdon College was the first Methodist College ever organized in the State of Alabama which is still owned and operated by The United Methodist Church;

And, WHEREAS the successful Scholarship Campaign three years ago brought the enrollment from 429 to 650 students and demonstrated what can happen when the churches of this conference support Huntingdon College with their prayers, their gifts, their youth, and their enthusiasm;

And, WHEREAS the college has responded by increasing its Christian Education courses from one to ten classes, and has enlarged its Bible, Religion, Church Music, and

other academic, moral and spiritual disciplines; and now is establishing a dynamic Church Vocations Department;

And, WHEREAS students are being trained in church vocations; going into churches throughout the conference and serving as Youth Directors for the summer months; sharing through the "Two by Two's" in the Christian Witness Program on the beach at Noah's Ark, Panama City, Florida; and working on weekends in churches during the academic year;

Now, THEREFORE,BE IT RESOLVED that the annual conference in session on May 31, 1978, express its enthusiastic endorsement of this renewed and effective program at Huntingdon College and pledge its continued financial support and encouragement of its youth who desire to attend this church-related institution of higher education.

BE IT FURTHER RESOLVED that we urge the churches of our districts to attend the planned rallies in September, so that the college may be brought closer to the people in its effort to better serve the conference and the Kingdom of God.

COMMITTEE ON COURTESIES AND INTRODUCTION

Bishop Sanders, my fellow disciples:

This nation was still in its infancy when the prople called "Methodists" in Alabama and West Florida gave birth to a federation and established an annual forum for the purpose of reviewing the work of ministers and evaluating the state of the church. Now, a century and a half later the process continues with fidelity.

The age of innocence has long since passed. The members of this august body have nurtured the church during strife-ridden years. The trauma of five major wars, the first of which threatened to rend the very heart ot the nation, a great depression, eras ot reconstruction characterized by cataclysmic social change, and natural disasters imposed unique demands upon those called to proclaim the Gospel. The battle-scared veterans came from the outposts of the world parish, the vastness of the countryside, the heart of the cities, and the loneliness of the mission field for the renewal of faith and to receive their next assignment. At times these halls have rung with acrimonious debate but they have also resounded with the rhetoric of compassion. This forum became the arena in which the fall of titans is overshadowed by the growth of giants whose tendrils of faith draw nurture from the soil of the Kingdom of God.

Fraternal sensibility turned strangers into brothers as they struggled to lift the blight of illiteracy, to bring healing to broken minds and bodies, to make the dream of brotherhood a reality, and to feed a world that is still hungry both physically and spiritually. The members of the forum have been challenged by the peril of petulance, the malignancy of hate, and the arrogance of power; but through acceptance of the power and presence of the Holy Spirit, probity has been honored.

Legions of our predecessors have been "transferred" into the Church Triumphant but the saga of Alabama-West Florida Methodism continues. As the historic conference approaches the hour when it too shall become history, let us pay tribute to those whose courtesy and hospitality sustain us. Even a recitation of the daily journal would not reveal the names of all those to whom we owe a debt of gratitude. So let us choose symbols to reveal our awareness of service. Dr. Butts, Dr. Wingard and the congregations of the First United and Normandale Churches were gracious hosts. Dr. Jackson and the marvelous staff of Huntingdon College made us comfortable. Those who man the coffee shop deserve

special tribute. Dr. James Roy Smith, the Rev. Syd Lock, Bishop James E. Thomas, Mr. Ed Montgomery and the Rev. Jimmy Bass inspired us with sermons and addresses.

We salute Mr. Excel Watson and the team of disciples, both lay and clerical, who led us to victory in the pension funding crusade. Mr. C. H. McGehee continues to provide the mature counsel that the members of this conference have enjoyed during his tenure as lay leader. Mr. Art Copper, the Rev. Charles Langford, the Rev. Gerald Maddox, the Rev. Bob Storey, the Rev. Joe Reams and Dr. Harold Rohlig have rendered unique service. Dr. Paul Duffey, our host superintendent has blest us with characteristic courtesy and is himself a symbol of the cabinet which, through often misunderstood, is nonetheless profoundly appreciated.

Our inimitable secretary, the Rev. Lloyd H. Kimbrough claims our devotion through his confidence and competence derived from experience.

Our senior shephard, Bishop Carl Sanders, with wit and wisdom, resolute commitment to our Lord and His Church, commands our respect and inspires love.

This list of names is incomplete but perhaps they will suffice as symbols of those who are content to serve in relative obscurity since they know that the Holy Father never sleeps and is constantly aware of His children's devotion.

Assured that grace sways the balance in the struggle between good and evil, that love incarnate ultimately triumphs—let us with confidence continue the saga in the name of the Father, the Son and the Holy Spirit.

DIVISION III—THE CHRONOLOGICAL ROLL, PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this Division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepencies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. (Conference Secretary)

Symbols used *before* each name denotes the catagory of Conference membership and the number indicates his place in the chronological order. Hence R—1 means the first place in the Retired category. R—The Roll of Retired Men; DLS—The Roll of Men on Disability; FC—The Roll of Effective Members; PM—The Roll of Probationary Members; RAM—The Roll of Retired Associate Members; AM—The Roll of Associate Members; LP—Lay Pastors; RLP—Retired Lay Pastors; PT—Part Time; FT—Full Time.

The Symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). *—No Record of Attendance at Annual Conference.

NOTE—The service years listed with each person is included as INFORMATION ONLY. While every effort is made to make this accurate, it is not the secretary's responsibility to determine the ramifications of Pension credit. This is the responsibility of the Board of Pensions. So, if the listed number of service years does not seem to be correct in your case, you will need to get in touch with the Board of Pensions—The Conference Secretary.

DIVISION VIII—REPORTS OF BOARDS AND AGENCIES

BOARD OF ORDAINED MINISTRY

The role and the duties of the Board of Ordained Ministry are ever changing and expanding. As a result of legislation from the 1976 General Conference, the conference Board of Ordained Ministry is entrusted with sixteen basic responsibilities. The primary objective of these responsibilities is to give guidance, supervision and other needed assistance to ministers from the time they apply for candidacy through retirement or until such time as their conference relationship is terminated. Working with the bishop, the cabinet and the nine District Committees on Ordained Ministry and through the Local Pastor Section, Conference Section and eight committees, the board endeavors to effectively fulfill these responsibilities.

As we have worked through the new legislation, dealing with the ordained ministry, we have come to believe that its intent is in the best interest of the church and the minister. With the candidacy program, the church is called upon to emerge from a time when the seminary was expected to carry most of the load in preparing persons for ministry. The new candidacy program places a portion of the responsibility upon the local church as well as the district. Under the new candidacy program, a candidate for the ministry must be interviewed by his local church Pastor-Parish Relations Committee before asking for the charge conference's recommendation. After receiving the recommendation of the local church Pastor-Parish Relations Committee, the charge conference and the district committee, the candidate is enrolled in the candidacy studies and is under the care of a supervising pastor and the District Committee on Ordained Ministry until such time as he/she is eligible for conference membership.

It is the sincere desire of the conference Board of Ordained Ministry to maintain a close relationship with our students who are away at seminary. During this conference year, representatives of the board made four visits to seminary campuses.

One of the greatest thrills of the year came last fall when the Loans and Scholarships Committee was able to grant larger scholarships to our ministerial students than in recent years. This was made possible by the fact that more churches accepted and paid their Ministerial Education Fund (MEF) which provides funds for these scholarships, however, it should be noted that the churches in the Alabama-West Florida Conference paid only 62% of the MEF apportionment in 1976. Our conference ranks 14th out of the 16 conferences in the Southeastern Jurisdiction in giving to MEF. We rank 64th out of 73 conferences in United Methodism. We need to improve our giving record in the area of ministerial education.

The conference Board of Ordained Ministry, working through the Committee on Continuing Education, continues to provide more and more opportunities for continuing education for our ministers. This area of the board's responsibility will continue to receive priority.

Your Board of Ordained Ministry calls upon every church within the Alabama-West Florida Conference to:

(1) Ask Pastor-Parish Relations Committee to become familiar with paragraphs 401-405 of the 1976 *Discipline* in order that they may properly interview candidates for the ordained ministry.

(2) Observe Ministry Sunday on September 17, 1978 or on a Sunday close to that date.

(3) Accept and pay their Ministerial Education Fund in full.

(4) Accept ministerial education as a Conference Advance Special.

(5) Make available both time and funds for the minister to participate in one or more continuing education events during the year.

The Board of Ordained Ministry requests all persons, in appointments beyond the local church (Special Appointments), to comply with Paragraph 454 of the 1976 *Discipline*.

William E. Calhoun, Chairman
Alvin N. Harbour, Jr., Secretary

COMMITTEE ON CONTINUING EDUCATION

The Committee on Continuing Education is enthusiastic about the rapidly developing concerns and events in continuing education for ministry. Our own annual conference is in the forefront of these developments. We cite four things in particular of which our conference can be proud.

First, the bishop's "Gold Star Program," one component of which is an emphasis on continuing education. Each and every minister in our conference is being asked by Bishop Sanders to plan and pursue annually a continuing education program tailored to his/her individual needs in ministry. Our committee supports this emphasis wholeheartedly.

Second, the Doctor of Ministry program as it is currently being done in our episcopal area. Not only did we have in 1976 at least sixteen (16), or 5%, of our Alabama-West Florida ministers in the D. Min. program through Candler School of Theology, but also we launched the first experiment in an extension group of D. Min. participants. Fourteen Birmingham Area ministers are moving together through seminars and classes at Huntingdon College led by Candler faculty and staff. Other conferences are now following our lead.

Third, the Office of Continuing Education located at Huntingdon College, funded by special gifts and staffed by Stanley Mullins. This unique approach to planning and developing continuing education for clergy and lay persons in ministry has already become in less than one year a great success. Three events were done in 1976, and each of them exceeded goals and expectations. Reports from participants were glowing with positive comments. Events planned for Winter and Spring of 1977 include: "Ministry with the Dying Patient and Family," "Church Management Instrumentation," "Death and Dying Seminar," "Bi-polar Seminar," "How to Deal with Separation," and "Strengthening Clergy Marriage." The Office of Continuing Education has already proven itself invaluable to our conference. We express our strong appreciation to Stanley Mullins and the effective work of this office.

Fourth, the advanced course of study done on an extension basis by Candler School of Theology and the General Board of Higher Education and Ministry, Division of Ordained Ministry, at Huntingdon College. This innovative program enables our ministers in the course of study, and ministers from surrounding annual conferences, to do their work close to home rather than in Atlanta. The first experimental group in the summer 1976 was very successful. A second group will meet at Huntingdon in the summer of 1977.

Finances for continuing education are far behind the creative development of opportunities being made available. Our committee has less than $3,000.00 per year to help make participation possible. These funds are distributed upon request as far as possible to those persons participating in events that meet our standards for a continuing education event. These standards include concerns for certified leaders and teachers, appropriate subject matter, and student accountability in participation. Requests for scholarship aid will be duly considered by the committee if received no later than December 1, 1977, for events and individual programs to occur in 1978.

Recommendations:

1. That Stanley Mullins and the Office of Continuing Education be commended for a job well done, and that the office continue in 1977-78 under private funding with the full cooperation and support of the annual conference.
2. That the section of the bishop's "Gold Star Program" dealing with continuing education be singled out and supported with both encouragement and finances by every local church in the Alabama-West Florida Conference.

COMMITTEE ON PSYCHOLOGICAL TESTING AND GUIDANCE

The Committee on Psychological Testing and Guidance has revamped some of its procedures to include testing for all ministerial candidates. Guidance program includes written tests as well as interviews by competent and trained counselors.

It is felt that the committee is on a firm basis and is prepared to render a more comprehensive service to the conference and all ministerial candidates.

Torrence H. Maxey, Chairman

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry is newly organized for work in our conference. Miss Edith Goodwin, staff member of the Board of Discipleship in Nashville, spent a day with the board for training and orientation in our new responsibilities. We feel that this experience was helpful in leading us to understand our task and our mission. For a report to the annual conference, we quote from the 1976 *Book of Discipline,* paragraphs 104-107:

"The Church as the community of the new covenant has participated in Christ's ministry of grace across the years and around the world. It stretches out to all human needs wherever love and service may convey God's love and ours. The outreach of such ministries knows no limits. Beyond the diverse forms of ministry is this intimate concern: that men and women may be renewed after the image of their creator (Colossians 3:10). This means that all Christians are called to minister wherever Christ would have them serve and witness in deeds and words that heal and free.

"This general ministry of all Christians in Christ's name and spirit is both a gift and a task. The gift is God's unmerited grace; the task is unstinting service. Entrance into the Church is acknowledged in Baptism and may include persons of all ages. In this Sacrament the Church claims God's promise, 'the seal of the Spirit' (Ephesians 1:13). Baptism is followed by nurture and the consequent awareness by the baptized of the claim to ministry in Christ placed upon their lives by the Church. Such a ministry is ratified in confirmation, where the pledges of Baptism are accepted and renewed for life and mission. Entrance into and acceptance of ministry begin in a local church, but the impulse to minister always moves one beyond the congregation toward the whole human community. God's gifts are richly diverse for a variety of services, yet all have dignity and worth.

"The people of God are the Church made visible in the world. It is they who must convince the world of the reality of the gospel or leave it unconvinced. There can be no evasion or delegation of this responsibility; the Church is either faithful as a witnessing and serving community, or it loses its vitality and its impact on an unbelieving world.

"Within the total Church community there are persons who may be consecrated to diaconal ministries of love, justice, and service. This consecration is the Church's recognition of God's call, the individual's response to that call, and the certification of such persons for designated service and mission. Persons to be consecrated as diaconal ministers are recommended to the Annual Conference for consecration through its Board of Diaconal Ministry after they have met the personal, spiritual, educational, and professional qualifications required."

BOARD OF MANAGERS – PASTOR'S ASSEMBLY

The 1976 Pastor's Assembly was held September 27-29 in Oakwood Lodge at Blue Lake. The assembly began Monday, September 27 at 2:30 P.M. and was concluded with lunch, Wednesday, September 29. The attendance and interest at this assembly were the best in several years.

The areas of interest were as follows:

1. Dr. George (Chuck) Hunter in the field of evangelism and church growth.
2. Dr. Arthur Wainwright in the field of New Testament, Jesus, the Interpreter.
3. Dr. Paul Duffy in the field of missional emphasis of the church.

Bishop Carl J. Sanders opened the assembly with a challenging sermon.

The 1977 Pastor's Assembly will be held at Blue Lake, September 26-28. Dr. Elton Trueblood will be one of our leaders and we hope that all of the ministers will be present at the assembly.

The Board of Managers urges each local church to pay the expenses of your minister to Pastor's Assembly.

COUNCIL ON YOUTH MINISTRY

The 1976-1980 quadrennium has created an entirely new membership for the 1976-1977 conference Council on Youth Ministry. It is obvious, however, that this council is more than adequate to respond to the needs of the youth of the Alabama-West Florida Conference. The new council has met three times this year and is beginning to plan far ahead into the future. This long-range planning is exciting and should greatly benefit our conference youth program.

An evaluation of he 1976 summer camping program indicates that our attendance was lower this year than last, but that the program still benefitted hundreds of children and youth throughout our conference. An experimental program at Pinewood Camp is being initiated in the summer of 1977 that should prove quite exciting to our youth and help increase interest in the camping program. This program consists of hiring thirteen (13) young adults who will staff Pinewood for every camp week that summer. They will be skilled and have expertise in recreation and leisure ministries. This permanent staff will provide continuity and stability to the Blue Lake philosophy of Christian education outdoors.

Fall Rally 1976 was quite a success with over fourteen-hundred (1400) youth and adults in attendance. Two very special attractions were the "Clowns Against Frowns" from Dauphin Way United Methodist Church and the Forest Hill "Puppeteers." Cheryl Stevens, Chris Hughes and Jeff Spiller of "Majesty," and Huntingdon's "Two By Two" provided music for the rally. The Reverend Mr. Jimmy Bass from Nashville, Tennessee, was our speaker and really challenged all of us with a great message. Local youth groups donated crafts and provided food booths.

One of our members, Miss Beth Harris, was elected to U.M.C.Y.M. (the national Council on Youth Ministry) in the fall and also is serving on general church boards and agencies. Since the national youth structure is changing, she will be a member of the steering committee of the new structure, called N.Y.M.O. (National Youth Ministry Organization).

A recreation workshop was held in February for 9th graders to adults and was an excellent event with full camp attendance. It was so successful that we plan to have another one in 1978.

Our seminar on national and international affairs in Washington, D.C. and New York was held over the A.E.A. holidays this year. It was a tremendous educational experience and one we plan to repeat next year.

Spring events included the Jr. High retreat entitled "Self Discovery" with T. A. and the spiritual life retreat. In addition, each district held a caucus for the purpose of electing two youths to represent that district at annual conference.

Local churches are being challenged more than ever before to give to the Youth Service Fund in 1977. Each district has been given goals in order to reach our ultimate goal of $10,000. The district goals are as follows: Andalusia —$646; Demopolis—$728; Dothan—$1,210; Marianna—$917; Mobile—$1,416;

Montgomery—$1,852; Pensacola—$1,909; Selma—$646; Troy—$676. These figures are based on the apportionment formula of the annual conference. The projects to be funded in 1977 are:

1. Appalachia Service Project—Mobile, Alabama
2. Pensacola District Special Ministries
3. Exceptional Children's Class—Clanton, Alabama
4. La Casa de Amigos Day Care Center—Baldwin County, Alabama
5. Mobile United Methodist Inner-City Mission—Mobile, Alabama
6. Diversion and Scholarship Service for Status Offenders—Chicago
7. Mississippi Rural Center—Columbia, Mississippi
8. Mallalieu United Methodist Church Community Center—Fort Smith, Arkansas
9. Somerville Women's Health Project, Inc.—Somerville, Massachusetts
10. World Hunger—UMCOR

TASK FORCE ON THE FUTURE OF YOUTH MINISTRY IN THE ALABAMA-WEST FLORIDA CONFERENCE

The Task Force on the Future of Youth Ministry in the Alabama-West Florida Conference was created at the 1976 session of the annual conference. It is composed of seven youths and seven adults from across our conference. The membership is as follows: Reverend Ed Henne, Reverend Larry Davis, Dana Bunn, Larry Bowden, Becky Mullins, Greg Waite, Rusty Burleson, Mel Love, Donna Morrissette, Dr. Paul Duffey, Reverend Everett Barnes, Reverend Jerry Turner, Amy Smith, Reverend Linwood Lewis.

The executive committee of the task force met on August 17, 1976, and determined the procedure and agenda for the first regular meeting. Reverend Don Cottrill from the Board of Discipleship in Nashville, Tennessee, was invited as special consultant to the first regular meeting on September 18, 1976.

At the meeting in September the task force decided to gather as much data as possible from youth and adults regarding evaluation of our present youth ministry and suggestions for innovative, futuristic ministries. A survey instrument was devised at the December 4 meeting which could be used at each of the nine district caucuses to secure this information. An overnight meeting at Blue Lake was scheduled for January 28, 1977, to inform all of the district youth coordinators of the purpose and progress of the task force.

The task force has also determined that there will be a Consultation on the Future of Youth Ministry in the Alabama-West Florida Conference to assimilate the gathered data and set priorities for future years. The consultation will consist of a minimum of fifteen (15) persons from every district and will be held April 7-9, 1978, at Oakwood Lodge, Blue Lake.

The members of the task force have concurred that their responsibilities have not been fully accomplished and would like to request an extension for one year. This extension would require no additional funding and would only be necessary to accomplish the task. If this is granted, the task force will report the results in published form to the 1978 session of the annual conference.

COMMITTEE ON EPISCOPACY

It is a distinct honor and high privilege to serve as chairman of the first Committee on Espiscopacy of the Alabama-West Florida Conference. I appreciate the help I have received from other members of the committee, and the great spirit and warm heart of Bishop Carl Sanders bring added pleasure to the job.

The purpose of the Committee on Episcopacy is to establish new lines of communications between the annual conference and its episcopal leadership. Your committee covets your prayers, questions, suggestions, or proposals for making the office of Bishop Sanders more responsive to the needs of this conference.

We commend Bishop Sanders for the brotherly attitude he has toward this annual conference, and his presence here has helped create a spirit of unity and mutual support we have long needed. Because he has a deep and abiding interest in every person, we are assured of his sincere desire to listen to our needs and support us with his love.

We are grateful to our bishop for his leadership in the area of evangelism. He has reminded us that evangelism is the primary function of the Church, and because of this encouragement, the Alabama-West Florida Conference experienced a net gain of over 1000 members in 1976. This comes after ten years of declining membership in our conference.

The support Bishop Sanders has given Christian higher education has been instrumental in a renewed interest in Huningdon College. His leadership during the campaign for scholarship funds brought about a successful conclusion to the campaign and a new day for Huntingdon.

We have seen a growing appreciation by the ordinands who have been ordained by Bishop Sanders. The inclusion of the wives of the Elders in the Ordination Service indicates his concern and interest in the parsonage family.

He has traveled extensively across this conference, and we have discovered he has as much interest in the small church as he does in the large church. Every minister, young or old, is treated with the same attention and is assured of equal support.

The Bishop's Gold Star Program is evidence of his desire to see continuing growth and development within the bounds of this conference. His interest in evangelism, missions, stewardship, and continuing education will continue to strengthen the churches of this conference and provide a more effective ministry.

Your Committee on Episcopacy shall do everything possible to keep the lines of communication open between the office of the bishop and the annual conference. Local churches, pastors, or district committees are urged to share with us your needs, and we dedicate ourselves to the task of helping Bishop Carl Sanders be the most effective bishop in The United Methodist Church.

CONFERENCE COUNCIL ON MINISTRIES

PROGRAM PRIORITIES FOR 1978

Section I

The General Council on Ministries in its report to the General Conference of 1976 listed for the church seven vital concerns. The report stated: "The Kingdom of God, according to Jesus, is here! It is now!"

"As Christians we find our mission all around us. Some may see the fulfillment of that mission in some distant apocalypse, but look again! 'The Kingdom of God is in the midst of you,' said Jesus. Our task is to love and serve in this place, in this time. Our neighbors are all of humankind. Our measure of success is when 'the lame walk . . . the deaf hear . . . and the poor have the good news preached to them.' " (Matthew 11:5)

"To help congregations in their mission, The United Methodist Church has set out to identify needs and situations through which God is calling to us. Extensive study has led to a list of *Seven Vital Concerns.* These concerns by themselves do not constitute the whole mission of the church. They may or may not be the most important things a church should be dealing with in any particular locality. But they are concerns that are widely shared. They are areas of need that every local unit of the Body of Christ should examine carefully. In dealing with one or several—or even all of those *Seven Vital Concerns,* your church may continue to find its mission for today, its place in 'the kingdom that is in the midst of you.' "

These Seven Vital Concerns are:

I. Deeper Personal Commitment to Christ
II. Strengthening the Local Church
III. Full Participation by Lay Persons
IV. Concern For Persons
V. Values and Ethics in Public and Private Life
VI. Living as Good Stewards in an Age of Scarcity
VII. The Future of Church-Related Institutions

Section II

In order to enhance several of these vital concerns, Bishop Carl J. Sanders Resident Bishop of the Birmingham Area, has presented to the Area a program entitled "Gold Star Program of Christian Growth." These areas include *Evangelism*—reaching persons on Profession of Faith and a net gain in membership and attendance in the church and the Church School. *Stewardship*—acceptance and payment of all apportionments. *Missions*—acceptance and payment in full of World Service and Conference Benevolences, giving to General, National, Conference Advance Specials and to United Methodist Committee on Relief, Advance giving to the Missional Priority of World Hunger and Ethnic Minority Local Church. *Leadership Development*—continuing education by the ministers and leader development opportunities for the laity.

The Committee on Research and Planning feels such a program could cover our priorities for 1978. The Board of Evangelism should devise programs to enable local churches in their outreach in challenging individuals to discipleship in the church.

The Board of Education should enhance its efforts to revitalize the Church School and offer leader development training events where individuals and teams can return to their districts and local churches to lead in personal growth in the Christian faith, plus leadership training for Councils on Ministries and local church officers.

The Committee on Lay Life and Work should share in several areas such as stewardship, lay speakers, United Methodist Men.

The Board of Missions should continue its promotion of the Four Star Mission Program, recognizing full payment by the local church of its asking for World Service and Conference Benevolences, giving to World, National, Conference and United Methodist Committee on Relief Advance Specials and add giving to World Hunger and Advance Special to Ethnic Minority Local Church.

The Board of Church and Society should also be committed to a program of sharing the needs of world hunger, its causes, some solutions and how the local church can become aware of these.

The Board of Ordained Ministry, in cooperation with the Committee on Continuing Education should provide specific programs and guidance to the ministers as they seek to improve their ministry.

Other Boards and Agencies should find in these priorities ample opportunities to enhance the various aspects of these priorities in order that our conference can indeed be "Committed to Christ—Called to Change."

Section III

Each local church should determine its own priorities. Resources are available for each local church in order to attain its goals. The staff of the Conference Council on Ministries, P.O. Box 700, Andalusia, Ala. 36420, will be a major source of information to any who ask. Programs in evangelism and the Church School have been set up by the conference and the General Board of Discipleship in Nashville. Stewardship materials in cultivation and in promotion of the Every Member Commitment Program can be obtained. Materials on Advance Giving are easily and quickly available. Special information on World Service in the form of films and literature may be secured from conference headquarters. Staff persons are ready to meet with districts or local churches in sharing or assisting in developing local church programs in evangelism, stewardship, missions, education, as well as other areas. There is no cost to the local church for the assistance of conference staff persons.

"The Interpreter," which is furnished free to several officers of each local church and available for $3.00 per year for additional subscriptions should be utilized. If your church is not receiving it, please contact your district superintendent or minister.

Planning by the local church is essential if we are to achieve our challenge. Each local church and agency of the conference should give prayerful thought and study as we seek to do our part in the labor committed to us in the work of building the Kingdom of God. We must remember "The Kingdom of God is here! It is now!"

In this case the request of the Board of Pensions and Homes for Claimants is given preference by the *Book of Discipline.*

2. We recommend that district superintendents receive no supplementary travel funds from district administration or district work funds.

3. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

Report No. 7

Stewardship Reponsibilities

The Council on Finance and Administration believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and ever greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by every church.

Report No. 8

Disciplinary Requirements

Paragraph 721, 1976 *Book of Discipline* requires the Council on Finance and Administration to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

Report No. 9

Use of Formula

We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% "non-building" budget (See Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level thus eliminating the district decimals and the salary factor in the formula.

It is recommended that the spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

We further recommend that apportionments be developed and distributed to each church by September 15, if possible, in order that they may be used for development of local church budgets for the calendar year.

ADDENDUM

Report Regarding Formula for Joint Funding Ventures Between the North Alabama Conference and the Alabama-West Florida Conference

We recommend that the following formula be used to determine the proportionate fiscal responsibilities of the North Alabama and Alabama-West Florida Conferences for financing joint ventures in housing and area funding.

Using statistics to be published in the current year's Journal (example, December 31, 1976 statistics will be published in the 1977 **Journal** which will be off

the press during the calendar year 1977) factors will be derived from the following data from each Conference **Journal:** Grand total dollars reported for all purposes less the following: Buildings and improvements and capital indebtedness; World Service Specials; Conference Advance Specials; General Advance Specials; Remittances by United Methodist Women to the Conference Treasurer; Remittances to the 1975 Huntingdon College Campaign; Remittances to the Alabama-West Florida Pension Funding Crusade; Remittances to the Birmingham-Southern College Scholarship Campaign.

The above Conference data will be compared to the area non-building budget and the percentage factor produced will be given a weight of ¾. The individual Conference memberships will be compared with the area membership and the percentage factor produced will be given a weight of ¼.

The percentile for each Conference produced by non-building budget data, weighted ¾ will be added to the membership percentile, weighted ¼. The result will be divided by four (4) to produce the average percentile factor for each Conference. These factors will be used in determining financial responsbilities in all joint ventures. The formula shall be applied annually.

Report Regarding Full Funding of Area Funds Accepted Beginning in 1979

We recommend that the North Alabama Conference and the Alabama-West Floria Conference pay 100% of Area funds accepted, provided that 100% payment by either Annual Conference does not constitute more than their respective formula of the total with the understanding that computation of the formula is done annually based on non-building budget (¾) and total conference membership (¼).

Area funds considered in this recommendation are funds in support of TV Ministry ("The Bishop's Hour"), The Christian Advocate, Pastoral Care and Counseling, and United Methodist Communications.

Report Regarding the Establishmeet of an Area Committee on Joint Concerns

We recommend that there be an Area Committee on Joint Concerns charged with the working out of such matters as equitable funding of stated area programs, and to negotiate any fiscal and program misunderstanding between the two annual conferences; and that this committee consist of four people from each annual conference—one from the Conference Council on Ministries to be named by that council, one from the Council on Finance and Administration to be named by that council, one from the Conference Board of Trustees to be named by that board, and one district superintendent to be named by the bishop.

BOARD OF EVANGELISM

The 1976 General Conference set forth three missional priorities for The United Methodist Church in the 1976-1980 quadrennium:

1. World Hunger
2. Strengthen The Ethnic Minority Churches
3. Evangelism

The overall goal in evangelism for The United Methodist Church is set forth in the Board of Discipleship's *Comprehensive Plan For Evangelism*:

"That every local United Methodist congregation become a functioning center for evangelistic ministry by 1980" the *Comprehensive Plan For Evangelism* is composed of three vital, interrelated, life streams:

1. Outreach
2. Growth in Discipleship
3. Supportive Community

With this plan evangelism becomes, as it should, a relational ministry. It will focus on five specific audiences:

1. Supportive Community
2. Those who are interested

3. The disenchanted
4. The non-Christian
5. Shut-in and the ill

To help our annual conference and our local congregations become a vital part of this church-wide emphasis, the Board of Evangelism recommends the following for 1977-1978:

1. That a Task Force on Evangelism be appointed to work with the Board of Evangelism in implementing this program.

The Board of Evangelism recommends the following persons to constitute a Task Force on Evangelism to fulfill the requirements of the Conference Council on Ministries Program Priorities for 1977, as found on Page 204 of the 1976 Conference Journal (this is for the 1976-1980 quadrennium); Rev. Everett Barnes, Rev. E. D. Ridgeway, Mr. Bill Willamson, Mr. C. H. McGehee, Rev. Jerry Dooling, Rev. Billy Hall, Mr. Mark Stewart, Rev. Edward Chandler, Rev. Lloyd Kimbrough, Rev. Rex Mixson, Mrs. Carolyn Cumbie.

2. That the Board of Evangelism continue to provide workshops and seminars to interpret the *Comprehensive Plan For Evangelism* and to assist pastors and laity in finding better ways to equip the congregations to do evangelism.

3. That every district in our conference have at least one district rally during the year, at which time our people will be challenged to get out of the church buildings and share their faith with those who are not now participating in our worship experiences.

4. That each District Superintendent, District Secretary of Evangelism, and the District Council on Ministries, plan training experiences within the districts, whereby a larger number of our people can be trained in more effective ways to fulfill our Lord's great commission.

5. That each church in the conference set as a minimum goal a four percent increase in total membership, with the largest percent of this increase in persons receiving Jesus Christ by profession of faith.

J. Edward Chandler, Chairman
John C. Carmichael, Treasurer

BOARD OF CHURCH AND SOCIETY

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and world in which they live. We proclaim the Lordship of Christ over the whole life of man and woman, their activities, possessions, and community and world relationships. We seek to demonstrate to all persons that the reconciliation which God effected through Christ involves personal, social, and civic righteousness. Through a process of research, education, and action the Board of Church and Society seeks to implement its purpose.

The Board of Church and Society has held three meetings since last annual conference, including a very helpful training enterprise for board members and district directors. We also developed a world hunger program for use by local churches during Lent. In this quadrennium the board intends to do programming in three categories—on-going concerns, annual concerns, and crisis concerns.

We have three particular on-going concerns in which we plan to maintain continual involvement. The first concern is to relate the priorities and programs of the board to the local church through the district director of social concerns, the ministers, and the local church chairpersons of social concerns. The second on-going concern is the School of Christian Mission. The School of Christian Mission is a cooperative effort by the Board of Church and Society, the Board of Missions, and United Methodist Women. We continue our support and participation in this worthwhile endeavor. We also urge every minister and local church Christian Social Concerns chairperson to take advantage of the tremendous learning opportunity which is afforded through the school. The third on-going concern is to provide resources and programs in conjunction with the Task Force on Hunger for local churches to use in implementing the World Hunger Missional Priority. To that end we recommend the following:

1. That each local church focus on world hunger during the Lenten and Thanksgiving seasons throughout this quadrennium.

2. That November 20, 1977, be designated as Hunger Sunday in our conference.

3. That on November 20, 1977, or an appropriate Sunday during the Thanksgiving season an offering be received for the World Hunger Missional Priority.

4. That on that Sunday members be asked to sign the WHEAT (World Hunger Education Action Together) covenant which consists of the following: (1) commitment to intensive study of hunger, (2) direct involvement in dealing with hunger in one's own community, (3) support of hunger advocacy efforts at the state and national level, (4) financial support of The United Methodist Church's efforts to alleviate hunger, and (5) changing one's life-style toward reduced and less wasteful food and energy consumption.

In recognition of the fact that money provides only an immediate relief to hunger, and that much work must be done in the area of public policy and legislation, the Board of Church and Society has established a phone network which will be used to spread the word and solicit action concerning legislation regarding food at the state and national levels. The Reverend Robert Greenwood is heading this phone network and will relate to "Bread for the World" and "Impact," two interdenominational organizations which keep abreast of food legislation at the state and national levels.

Under the heading of annual concerns, in 1978 we plan to focus on social issues which relate to family life. In early spring of 1978 we plan a conference-wide event dealing with issues relating to family life. Some of the issues are alcoholism/drug abuse, human sexuality, morality and mass media, women's rights, and child advocacy. The plan is to develop out of that conference event, study materials on the issues for use in the local church.

In addition to these recommendations and plans, the Board of Church and Society wishes to voice its support and urge the support of the annual conference for the following: (1) The efforts being made in the state of Alabama to have a constitutional convention to rewrite the Alabama constitution, (2) The recently approved organization of a Task Force on Ethnic Minority Enablement.

Respectfully Submitted,
R. Neil McDavid, Chairman

AREA TASK FORCE ON PRISON REFORM AND PRISON MINISTRIES

In 1974, at the 146th Session of the Alabama-West Florida Conference, a resolution was passed establishing a Task Force on Prison Reform and Prison Ministries. The 1975 sessions of the Alabama-West Florida and North Alabama Conferences gave permission for a joint Birmingham Area task force to be formed. In March, 1976, this joint task force sponsored a Consultation on Prison Reform and Prison Ministries at the Normandale United Methodist Church, Montgomery, Alabama, and presented national and state leaders who gave an overview of the myriad problems of the criminal justice system and the options available to citizens who wished to become involved in improving the system.

Two days after the consultation, Board of Corrections Commissioner Judson Locke announced official approval and endorsement of the formation of a non-profit statewide organization to promote and arrange for the work of citizen volunteers in corrections. A steering committee was appointed to structure Alabama Volunteers in Corrections and the Rev. Robert Wingard was elected to chair it. A.V.I.C. is the only such organization which has the official approval of the Board of Corrections and is autonomous.

The Birmingham Area task force has been working in conjunction with A. V. I. C. for one year and voted in March, 1977, to recommend that United Methodist churches in the Birmingham Area approve and endorse Alabama Volunteers in Corrections and that interested persons join A. V. I. C. in one of the following categories of membership: Individual $6.00; Group $12.00; Senior citizens $3.00; Prisoners and full time students $1.00; Sustaining $100.00; by sending their name, address and amount of dues to: A.V.I.C., 501 Adams Street, Montgomery, Alabama, 36104. Members interested in working as volunteers will be mailed application forms and will be assigned to training programs after evaluation.

The area task force plans to continue research and study of the entire criminal justice system and to inform United Methodists of pertinent issues by letter and through church publications so that we may extend our service to Christ through a sensitive ministry in this crisis area.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has sought this year to assume its responsibilities as defined by the *Discipline*.

Several areas of concern have been examined and recommendations are being made. Splendid cooperation has been received from the district superintendents and other boards and agencies.

Special emphasis needs to be given in some specific areas. These include:

1. *Leadership training.* Attendance by blacks at the training experiences set up on the district and conference levels has increased, but special emphasis is being planned to enlighten and expand in this area. Cluster groups involving the Mobile—Pensacola; Montgomery—Selma; Montgomery—Troy; Andalusia—Demopolis Districts will be held. Support of both black and white churches is needed.

2. *Work teams.* Projection of assisting needy churches in repair of existing structures and building of new churches has been formulated. The support of the conference in this has been good and completion of two new black church buildings should be achieved this year. The cooperation of the Board of Missions in these projects is an excellent example of the concern of all in furthering a sharing of resources and personnel.

3. The commission is of the opinion that consideration of the appointment of a black district superintendent should not be forgotten.

4. Participation of blacks in the session of the annual conference is being furthered. Their participation in the setting up of the program of the annual conference has been emphasized. We feel that the bishop and the program committee should be commended for this.

5. Emphasis must continue to be put upon the missional priorities for this quadrennium and churches are urged to accept the apportionment for missional priorities as well as promoting advance specials for ethnic minority churches.

6. The conference needs to be aware of the tremendous need to recruit blacks for positions of ministerial leadership. The fact that the average age of black ministers is over 55 years of age, far above the average age of white ministers, adds to this problem.

7. Continued opportunities for blacks and whites to participate in joint worship experiences must be projected. This can do much to further mutual sharing of the experience of a merged church.

8. Black laypersons have personally participated in overseas work teams and mission visits this past year.

The commission feels we have made progress in achieving merger, but much still needs to be done. By a sharing of concerns and active participation of all groups on the conference, district and local church level this can be done. The commission stands ever ready to assist any local church in providing resources and persons to help in this.

BOARD OF MISSIONS

In this first report to this annual conference for the 1976-80 quadrennium I would like to express my sincere appreciation for the opportunities and privileges that are mine as I serve in this capacity. The vantage point that this place of service affords of the faithfulness and growth of United Methodism in fulfilling the mission of our Lord in the world and particularly in Alabama-West Florida, is a tremendous blessing and challenge. The Board of Missions is immensely grateful to you for your faithful support of the program of Christian mission that we have tried to hold before you. We are also grateful for the excellent ministry of missions that previous boards have carried out in our annual conference. Let us look now at some of the results of our work together: The reports show that 86% of our World Service and Conference Benevolences, or $236,661.36, was paid by our churches in 1976. Our board is committed to do all that we can to encourage and aid the churches of our annual conference to pay World Service and Conference Benevolences in full. We urge those churches that are already paying World Service and Conference Benevolences in full to go a second mile and receive a special offering during the year or to give extra monies to this strategic cause for Christian mission at home and around the world so that we might be able to go over 100% in meeting this great need. We are happy to report that our Advance giving has continued to grow. In 1976 the churches in Alabama-West Florida Methodism gave $277,450.89 to General Advance Specials. We gave $37,055.39 to Conference Advance Specials and $122,681.00 to UMCOR. We are deeply grateful for the growth that is taking place in our giving to missions in Alabama-West Florida and yet we all know that the need is so tremendous that we can and must continue to grow in our faithfulness in giving to World Service and each area of the Advance.

We have a Board of Missions that works together in such a way that it makes our work a pleasure. You will see the diligence with which our board works reflected in the following reports made by the committees and task forces of the board. We wish to express our deep appreciation to all the members of the Board of Missions who work so diligently and with such zeal and harmony. In this first year of our working together we have come to feel a companionship and a spirit of Christian unity that will continue to enhance our service for our Lord as we labor together across the days and years ahead in this quadrennium.

We are indeed fortunate in the Alabama-West Florida Conference to have Ervin Dailey serving as our Conference Missionary Secretary. We have long been aware of his keenness of mind, diligence of spirit, hard work and dedication to his task. The esteem in which he is held by his peers in the Southeastern Jurisdiction was revealed this past year when they elected him President of the Fellowship of Conference Missionary Secretaries of the Southeastern Jurisdiction. We sincerely thank Ervin for all he does for our conference and our Lord and for what he means to all of us as he labors so diligently among us.

We also express our appreciation to Bishop Carl Sanders for his advice, interest and leadership in the ongoing work of our board. We are aware of his marvelous vision in regard to the ongoing mission of Christ in our world and his excellent leadership in the direction that God would have us go.

As we labor together in His love that His mission may be accomplished, let us not forget that whether or not we continue to be faithful, He will, and as we remember that—let us grow in our faithfulness with thanksgiving.

Respectfully submitted,
Douglas Newton, Chairman

CHURCH EXTENSION

The Committee on Church Extension has the following major responsibilities:

(1) To aid new congregations in the construction of their buildings.
(2) To assist small congregations in the construction and improvement of church buildings and parsonages.
(3) To promote the establishment of new congregations.
(4) To administer the Alabama-West Florida Conference Loan Fund.

Churches desiring information on the possibility of borrowing funds or securing a grant for construction purposes may contact the chairman of the committee, the Reverend Charles W. Avery, P.O. Box 10663, Panama City, Florida 32401. All requests should be reviewed by the district superintendent.

Mr. Thomas Cooper, Jr., a layman in our conference, now is available to local churches for consultation and advice regarding building programs. Those interested in this service should contact the church extension chairman or the conference headquarters.

The committee has established the following goals for 1978, in order of priority:

(1) To double membership of the "Ten Dollar Club."
(2) To encourage the establishment of new congregations where needed.
(3) To become better informed of needs for grants and loans.
(4) To inform churches of financial assistance available.
(5) To follow guidelines closely.
(6) To make all churches aware that church extension is an arm of World Service and Conference Benevolences.

TEN DOLLAR CLUB

The "Ten Dollar Club" continues to grow.

The purpose of this club is to make available more aid to a greater number of deserving churches engaged in construction projects.

To join the club, an individual commits himself to give ten dollars no more than twice a year (total of twenty dollars) when called upon by the Board of Missions. The money is given to the local church treasurer, designated "Ten Dollar Club," and it then is remitted by the treasurer to the conference treasurer. The gift is credited to the local church as an advance special gift. Application for membership may be obtained from the conference headquarters, P.O. Box 700, Andalusia, AL 36420.

COMMITTEE ON AID TO ACTION MINISTRIES

One of the chief functions of the Conference Board of Missions is to promote experimental and creative innovations in Christian ministry. A large part of the budget of the board goes into this task.

The first year of the 1975-80 quadrennium under the direction of the Committee on Aid To Action Ministries two projects have been added and some are being phased out because of the development of local support. A program of aid to migrant workers has been developed in Baldwin County and the board has, beginning in 1977, included this ministry in our Aid to Action program. Likewise we have been able to include the Nellie Burge Center in Montgomery in the program. Another project in Mobile to coordinate our work there is under consideration.

Certain projects, such as the larger parish ministries which we have been helping to start, are now in the process of being phased out as far as support from the board is concerned because they are now increasing local support. This has been the plan from the inception of the projects. The work in the Mobile Inner City Mission, Pensacola Specialized Ministries, Noah's Ark, and other

projects of this nature we will continue to support because they are not parish based, and continuing subsidy is necessary. Detailed reports of the excellent work being carried on in all of these projects and others listed in this report are available from the projects.

We appreciate the support of the annual conference in our efforts to "be in mission" within our own conference.

Respectfully submitted,
William M. Pickard, Chairman

TASK FORCE ON HUNGER

The Conference Task Force On Hunger was organized by the Board of Missions in accordance with the "Conference Council on Ministries Program Priorities for 1977" report to the annual Conference, Section 4 (see page 204, Conference Journal, 1976) with the following persons serving on this task force: Four members from the Board of Missions, a Representative from the Board of Education, the Board of Health and Welfare Ministries, the Board of Church and Society, United Methodist Women, the Committee on Lay Life and Work, and the Youth Council. Filling these positions were: Board of Missions—Ruth Ann Powers, Cliff Abbott, Susan Scott, Willie Baugh, and Oliver Scott; Board of Education—Miss Clara Esther; Health and Welfare—Wilbur Majors; Church and Society—Neil McDavid; United Methodist Women—Rosemary Monte; Committee on Lay Life and Work—Frank H. Robison; and Youth Council—Susan Scott. Officers elected were Oliver Scott—Chairman, Neil McDavid—Vice Chairman, and Clifford Abbott—Secretary.

Analyzing the purposes of this group and the responsibilities with which it has been charged, the Task Force on Hunger has adopted for itself the following purpose:

> The task force shall have as its purpose to share with the conference the problem of hunger, to understand its complexities and to offer avenues of resources and answers, and to seek to lead the conference to support efforts through Missional Priorities and Advance Specials.

The Task Force on Hunger has busied itself with gleaning much information and training for itself so that it might be able to direct our conference in its relation to the matter of hunger. A training session for the task force was held with Dr. Milo Thornberry directing this training session. Materials used in this were the W.H.E.A.T. Enabler's Manual and the book, *Christian Responsibility in a Hungry World*, by C. Dean Freudenberger and Paul M. Minus, Jr. From this training effort the Task Force on Hunger assumed responsibilities of working with W.H.E.A.T. (World Hunger Education—Action Together) in contacting denominational judicatories to receive names of people who will assist in staging a planning conference for the purpose of holding a W.H.E.A.T. Enabler's Training Effort and will then be asked to return to their areas and assist in helping churches become involved in hunger.

The Task Force on Hunger participated in an effort to encourage our nation's Congress to pass a Grain Reserve Bill. All ministers of the United Methodist Churches in Alabama were contacted and were asked to endorse the passage of this bill. The chairman, Oliver Scott, along with six other ministers and laymen from across the country was asked to appear before the U.S. Senate Agriculture Committee and the U.S. House Agriculture Committee, and in his appearance he stated that 253 ministers from Alabama has endorsed the passage of this bill. As a follow-up of this matter, the Task Force On Hunger contacted the ministers of the United Methodist Churches of Alabama requesting them to write to Senator Allen, a member of the U.S. Senate Agriculture Committee, and to urge their members to do likewise seeking his favor towards this bill.

We would recommend that churches, in their attempts to understand the problem of hunger and to work towards its alleviation, secure from Cokesbury the book, *Christian Responsibility in a Hungry World* and that they secure the book, *Bread For the World*, by Art Simon. This book may be secured by writing to Bread for the World, 207 East 16th St., New York, N.Y. 10003. Also, that they consider becoming a member of Bread for the World as well as Alabama IMPACT and that they participate by having a special offering Sunday, Novem-

ber 20, 1977, for the Advance Special Missional Priority—World Hunger and also that a special Lenten offering be taken in 1978. The Task Force on Hunger has set for itself the following goals for the conference year of 1977-78:

1. That training for a team to return to this conference to conduct information to all districts be done by June 1, 1977.
2. That by March 1, 1978, a session be held in every district to set forth the problems of hunger.
3. That we promote during 1977 the raising of $20,000 a year for the Advance Special Missional Priority—World Hunger.
4. That a special Lenten or Harvest Offering be taken for Missional Priority World Hunger in 1977. Recommendations: Consonant with the General Council on Ministries presentation and reception on November 11, 1977; The Task Force requests the board to amend its action to include a representative from the Committee on Higher Education and Campus Ministry and the Board of Ordained Ministry.

Respectively submitted,
Oliver Scott, Chairman

ETHNIC MINORITY LOCAL CHURCH TASK FORCE

The E.M.L.C. Task Force has met twice this past year, has organized, and is functioning within the guidelines provided by the Board of Global Ministries and the Conference Board of Missions.

At its organizational meeting goals were established and work has begun in each area. The task force has noted the renewed interest by the various districts in our minority churches and the positive efforts being made to provide guidance and assistance to the local congregations. Our district superintendents and the conference staff are to be commended for their leadership and active participation in these efforts.

As more guidelines become available, the task force will develop priorities and procedures for processing actions aimed toward our overall goals of developing pastoral leadership, providing adequate church and parsonage plants, and continuing the evangelistic campaign to build up our local minority congregations.

Your support and prayers are earnestly solicited as we continue to work for Him.

Respectfully submitted,
Jack Temple, Chairman

UNITED METHODIST WOMEN

United Methodist Women are alive and well and growing. During the past year the women have responded to the many opportunities that have been offered during the year. They are sharing the information and experiences gained with the women of the local church. Giving has increased from $110,000 pledge to missions to $115,000. New units are being formed as we work hard on membership.

Two bus loads of women attended the jurisdictional meeting of United Methodist Women in Louisville, Ky. Six were attending as delegates, the others were visitors. We also had two women ministers to take part in the Communion Service. One bus was filled with women all from the same district—Pensacola.

The Cooperative School of Christian Missions was held in August. This school is jointly sponsored by United Methodist Women, The Conference Board of Missions and The Conference Board of Church and Society. Leaders of the school, men and women, had attended the regional school in Jackson, Tenn. to prepare to conduct our school.

At our annual meeting in October we had one of our largest attendances in several years. About 150 of them came the night before when a mock tour of nine different countries was presented. Each district had been assigned a country to work on: dress, language, food, status of women, national dress, etc.

The first executive committee of the new officers was held the last week-end in October. At this meeting plans for the year 1977 were made.

In November, officer training was held in Montgomery—the new conference officers giving guidance and training to the new district officers.

A series of program workshops was held the first week of December. Workshops were held in Selma, Montgomery, Troy, Dothan, Grove Hill, Fairhope and Blue Lake. Lois Kohler, the staff person for our region conducted the workshops. A total of about 300 women attended the seven workshops.

Following the program workshops, a finance workshop was held at Blue Lake. Peggy Halsey, in charge of finance interpretation for the Women's Division, from New York, led the workshop. She was assisted by Jo Harris, Evelyn Strong and Lois Kohler. We hope this finance workshop will help women understand the need for increased giving and that they have had some of their questions about finance answered.

Sue Jones,
President

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women has adopted as its first priority the need for awareness on the part of both the ministry and the laity of the ways in which women and men alike have been stereotyped.

The goal of the commission is to promote by Annual Conference, 1980, four conference-wide events designed for consciousness-raising. The commission hopes to achieve this goal through conference-wide training at (1) the 1978 Laity Retreat, (2) the 1979 Pastor's School, (3) a training event possibly using a multi-media presentation and (4) the promotion of the study "Women in the Bible."

The commission plans to redefine and restate its purpose and goals as the need arises in a continuing effort to change the discriminatory attitudes, beliefs and practices which are so deeply rooted in church tradition.

The commission recommends that every church in the conference use women as lay speakers on Laity Sunday, 1977.

BOARD OF HEALTH AND WELFARE MINISTERS

Report No. 1

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express the God-given caring as we share with the overlooked children and forgotten elderly. Unless someone close to you is a resident of one of the United Methodist homes, you may not be aware of the kinds of care your generosity has helped to insure. Often, it is not more advanced age alone which dictates the level of care required by an individual. Some of our eldest are able to do the most for themselves. Health, of course, is always a factor, but spirit and attitude have almost as much bearing on a person's condition as physical well-being or lack of it. Many of the residents of our United Methodist Children's Home and United Methodist Homes for the Aging discover a new outlook and regain lost ground in the cheerful surroundings and life of our busy communities. Though slow, such steady improvements are a joy for everyone to experience.

Your open hearts and open hands have been an inspiration of all of us who labor to minister "In the Master's Stead" as a caring ministry to children, youth and adults. With the evidence of your caring about others, we know we will find the faith and support to do what must be done. Whenever there is a gift to be given, please remember there is always a United Methodist home which can use your help to help others.

The White Christmas Offering for our United Methodist Children's Homes must continue to increase, so that our ministry to children and their families may expand and serve more persons in more parts of Alabama and West Florida. The local church has responded to the call, and we are most grateful to you.

The goal for our Mother's Day Offering is $30,000 per year. Golden Cross receives 30¢ and Homes for the Aging receives 70¢ of each dollar. More requests are received each month than we have funds to meet. These desperate needs of some of God's children are our responsibility.

Four Seminars on *The Church and Mental Retardation* were conducted on September 14, 15, 21, and 22, 1976, in Mobile, Grove Hill, Montgomery and Ozark, Alabama, respectively.

Our Board has representation on the Hunger Task Force of our conference.

We are happy to cooperate with District Directors of Health and Welfare Ministries for the Chaplain-In-Service each week at Wesley Manor in Dothan.

Plans for this conference year include:

1. Conduct a pilot seminar on "Children in Crisis" in three districts (Mobile, Pensacola and Dothan). The remaining six districts will have seminars during the conference year 1978-79. The aim of these seminars is to make local church leaders aware of the needs of persons and families because of child abuse, juvenile delinquency, drugs, alcohol, and the emotionally disturbed.
2. Seek means to train local church leaders to effectively minister to the mentally retarded.
3. Cooperate with other interested persons on the Task Force on Hunger and challenge individuals and churches to support programs for feeding the hungry.

Our concern is PEOPLE, whoever they are and wherever they may be, who experience the terrible pain of loneliness, sickness and disease or the struggles of frustrated families and youth. They need us to demonstrate the compassion of the Christian gospel, the ministry of love, as we care and share.

Report No. 3

United Methodist Home for the Aging
Fair Haven—Birmingham, Alabama
Wesley Manor—Dothan, Alabama

J. B. Phillips translates First Peter beginning with the second verse of the 5th chapter as follows: "I urge you then to see that your flock of God is properly fed and cared for. Accept the responsibility of looking after them willingly and not because you feel you can't get out of it, doing your work not for what you can make, but because you are really concerned for their wellbeing."

Your Methodist homes, Fair Haven and Wesley Manor, have been working diligently at this task now for the past 17 years. During this past year we have served more of our elderly population than ever before due to the completing of 62 skilled nursing beds at Wesley Manor and 30 apartments at Fair Haven. Our total daily population which we now serve is approximately 400. Of this number we have assisted some 125-150 persons. BUT if Medicaid continues the cuts as now in effect, it will require quite a large sum just to make up the

difference in the cost of operation and the money received for those on Medicaid. While the law states Medicaid will pay the cost of care, the state has cut each Medicaid patient by $3.00 per day or $90.00 per month.

However, the demand for our services are increasing at such a rapid rate that our Board of Trustees is requesting the following approval from the annual conferences in the event that funds are available and the board feels that it is feasible:

(1) A 66 bed skilled nursing addition be added to Fair Haven through tax exempt, municipal bonds.

(2) That in addition to the previously approved project for West Florida, under the 202 government program, additional applications be made for the Auburn-Opelika area and the Decatur area. It appears that under the present administration more funds will be made available, and it is our desire to serve the total episcopal area as rapidly as possible as these funds are made available.

(3) Due to the tremendous demand for service for the elderly in the Dothan area, request is hereby made for approval to add up to an additional 100 nursing beds at Wesley Manor under the tax exempt municipal bond program or other acceptable financing and up to 100, 202 elderly housing units provided the funds become available and the Boards of Trustees, following a thorough feasibility study, feels the circumstances warrant such an expenditure.

While the Methodist Home For The Aging is a Corporation created by the Alabama-West Florida and the North Alabama Conferences in 1956 and amended in 1960, 1961, and 1973, all action taken by the Board of Trustees regarding any of the expansions shall be in conformity with item 3 of the certificate which states that such action shall not create any liability against either conference on account of any mortgages.

Recently we have updated our movie "A Gift of Love" and it is now available for showing at any and all church or civic meetings. Earl DuBois and I are available to show the movie and speak if requested.

Wesley Manor is a United Methodist church-related service agency. It began operation in 1968 as a jointly owned and operated facility of the Alabama-West Florida and North Alabama Conferences. Wesley Manor is an affiliate of the Health and Welfare Ministries of the Board of Global Ministries of The United Methodist Church.

Wesley Manor operates under license by the Alabama State Board of Health as a type 2-A (regular) Domicillary (retirement) and Nursing Home. It accepts both private pay and Medicaid patients.

With the opening of the new wing, Wesley Manor can now accommodate 60 retired persons, 30 intermediate care nursing patients, and 62 skilled level of care nursing patients. The retired persons live in single room facilities in the Samford Wing, the Gilmore Wing, and double room apartments in the East Wing. Each room opens, through sliding glass doors, onto a patio.

Intermediate care patients are provided for in the west end of the Gilmore Wing. Skilled nursing patients live in the new wing.

Wesley Manor is maintained by the monthly care charges, based upon the level of care, payable one month in advance (except Medicaid accounts). It receives support from an apportionment from the churches of the Alabama-West Florida Conference. Mother's Day (or in some cases Harvest Month) gifts help provide care for persons living in Wesley Manor. An increasing number of persons are remembering Wesley Manor with special gifts and in their wills. Those special gifts are making possible an expansion in the services of the home.

Guests are always welcome. Meals may be shared with residents in the lovely dining room at a nominal cost. We request that reservations for meals be made through the switchboard three hours before meal time.

This is our church's home for our senior citizens. We want it to be a happy, healing place. Visit us when you can. Remember us always.

Report No. 4

United Methodist Children's Home
Selma, Alabama

During 1976 the helping ministry of the United Methodist Children's Home continued to evolve and grow. The agency's first emergency shelter facility was opened in one of the cottages at the Children's Village in May, 1976. In the fall of 1976 plans were approved for a second emergency shelter home for 10 children to open in Birmingham in February, 1977, and the already approved group homes for Mobile and Florence to be operational in March 1977 and June 1977 respectively. This will complete the long range regional plan approved by the United Methodist Children's Home Board of Directors and the annual conferences in 1973.

The diversification of the home's services has really begun to show results. For instance, in 1973 there were 169 referrals as opposed to 448 in 1976. In 1973, 299 children were served in all programs as opposed to 415 in 1976. The figures below indicate how the people were served in 1976:

Children's Village	112	Village Shelter	67
Dothan Group Home	12	Foster Homes	16
Pensacola Group Home	16	Adoptions	3
Huntsville Group Home	14	Scholarship	16
Scottsboro Group Home	12	Family Aid	129
Tuscaloosa Group Home	18	TOTAL	415

Obviously such growth and improved services could not have taken place without increased moral and financial support from the Alabama-West Florida and North Alabama Conferences. By combining these charitable monies with some eligible public funds this agency of The United Methodist Church has been able to reach out and help more families experiencing crises than ever before. Thank you for being a caring church.

Golden Cross

As the director of Golden Cross, I have the opportunity to see an area of the church's ministry which is little known to most of our people. However, this is one of the most compassionate areas of ministry in which our church is involved. It is through these funds that we reach out to help United Methodist laymen and ministers who have medical bills which they are unable to pay. During 1976 we helped sixteen (16) families within the Methodist Church with a total of $6,297.50. This is an average of $393.50 per family helped. Golden Cross shares with the Homes for the Aging in the Mother's Day offering. Your gifts to these combined funds enable us to respond to the ever soaring hospital costs of the most needy United Methodist families in our area.

There are filmstrips and brochures available from the conference headquarters which will provide information about the Golden Cross Fund. Applications and information can be obtained by writing to me:

The property of Oakdale United Methodist Church in the Mobile District has been deeded to the Conference Board of Trustees. COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History met July 28-29, 1976, with Dr. John Ness, Executive Secretary of the Commission on Archives and History of The United Methodist Church. He guided us as we laid plans and set goals for the next four years. Of the goals established at that time, the following have been accomplished during the period of 1976-77.

1. We have secured the cooperation of Huntingdon College in the establishment of a depository at the college for the conference that puts us in compliance with the *Discipline*.
2. Dr. Glenn Massengale has been designated Conference Historian.
3. We are in the process now of making an inventory of the collection that will be in the depository to be used by those doing research.
4. We have worked out an archival policy that will be presented at annual conference that will put us in compliance with the *Discipline* of the church.
5. Grave markers have been secured and at the next session of the conference will be made available to families of deceased ministers. These beautiful grave markers are also available to those who would like to purchase them to put on the graves of other deceased ministers of our conference.
6. We have secured from each district, a district representative for the Commission on Archives and History.
7. Complete restoration of Lambuth Memorial Church at Blue Lake is underway, sponsored by the Proctor family.

There are other goals that we hope to accomplish in the next three years.

1. Establish guidelines for historical sites in our conference.
2. Help each new district director to plan work shops in their own district to aid churches in writing their own church history.
3. Present at annual conference each year a visible program that has to do with the history of our church.
4. Publish a new directory of the ministers of the conference.
5. Explore the possibility of organizing a historical society made up of both clergy and laity in the conference.

Dr. Dan C. Whitsett has been asked to give the memorial address at the 1977 session of the conference.

Once again the Commission on Archives and History has the pleasure of sharing breakfast with all retired ministers and their wives, and all widows of ministers; this to take place at 7:30 in the small dining room on Wednesday, June 1st at conference.

Respectfully submitted,
Lester Spencer, Chairman

ALABAMA-WEST FLORIDA CONFERENCE

DEFINITION: "Archives, as distinguished from libraries, house not primarily books but documentary materials such as: records, minutes, journals, diaries, reports, pamphlets, manuscripts, photographs, audio-visuals, recordings, and any other items, regardless of physical form or characteristic, which pertain to the current activities and the history of The United Methodist Church." (Discipline, Par. 1408.1)

And it shall continue to be the custodian of the records of all closed and abandoned churches.

2. Huntingdon College shall be the official depository of all archival and historical materials entrusted to the conference commission.

3. It shall be the responsibility of those named in paragraph 1, above, to transmit regularly to the commission all such material which is no longer of operational usefulness.

8. The collection of materials on deposit with the conference commission shall be known as the Franklin Shackelford Moseley Archives and History Collection of the Alabama-West Florida Conference.

Lester Spencer, Chairman

COMMISSION ON TOWN AND COUNTRY WORK

It is indeed a great honor and privilege for me to serve as chairman of the Commission on Town and Country Work and to have such an excellent team of men and women to serve on this commission.

Our work for 1976 began with our Ministers Workshop held at Blue Lake on June 28-30. Under the very able leadership of the Reverend Art Luckie, we had one of the finest workshops for ministers this conference has ever experienced. The leadership for the workshop was the best. Bishop Sanders, the district superintendents and other leaders of our conference provided excellent leadership. The content of the workshop was very practical and helpful—such things as how to conduct a proper wedding, funeral, how to fill out charge conference reports, an orientation to the priorities and programs of the conference plus other helpful things a minister needs in his work in the local church. This workshop also included the ministers wives. The workshop this year will be held June 27-29 at Blue Lake.

Another concern of the commission is the larger parish ministry in the Alabama-West Florida Conference. In September, the commission sponsored a training tour in the Tallahassee District. The directors and staffs of the Conecuh County Larger Parish, and the North and South Choctaw Larger Parishes plus commission members were participants. This will be helpful to us in our development of parishes in our conference.

In October the commission held its first Convocation for the Smaller Church. The Reverend Curtis Ford gave excellent leadership to this convocation. Churches with a hundred or less members throughout the conference came together at Blue Lake for a very positive program. Inspiration, information, encouragement and success stories from churches sent everyone home feeling we could be more involved in mission.

In 1978, we plan to continue to give encouragement, training and leadership to the town and country churches in the Alabama-West Florida Conference, so we can all become churches in mission.

Respectfully submitted,
Marcus Chandler, Chairman

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1

Pension Rates and Apportionments

We recommend that the total annuity rate of this annual conference for the calendar year 1978 be ninety dollars ($90.00) per service year for service as ministerial members and approved lay pastors with pension credit; the total rate for widows be sixty three dollars ($63.00), provided that, for ministers, lay pastors, and widows who are provided homes by the conference the annual pension amounts shall be adjusted by a reduction equivalent to twelve dollars ($12.00) for ministers and lay pastors and eight dollars and forty cents ($8.40) for widows for each year of service as a supply or lay pastor with pension credit

and for each year with pension credit as a minister in any annual conference or under special appointment as a minister without pension credit on the annual conference.

We recommend that the payment from pension funds of one hundred and fifty dollars ($150.00) be contributed toward funeral expenses of each widow who is a claimant of the annual conference, such payment to be made as soon as possible after the death of the widow.

We recommend that the apportionment to the pastoral charges for the pensions and benefit program of the conference shall be $820,000.00 for the calendar year 1978.

We call attention to paragraph 1706.4a of the 1976 *Book of Discipline* relative to the requirement that the apportionment for the pensions and benefit programs to be paid in proportion to payments of salaries to ministers and also to the board's policy of charging defaults to ministers and associate ministers for deduction from pensions if not otherwise paid. Interest is added to other unpaid obligations of the minister at the rate of 7% per annum.

Report No. 2
Reserve Funding of Pensions

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 conference *Journal* and subsequent amendments, recorded on page 154 of the 1972 *Journal* and page 135 of the 1973 *Journal* shall be further amended to provide that, effective with the deposit due December 31, 1977, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be $417,036.00; such adjustment being required to provide for the increase in pension rates to $90.00 per service year.

Report No. 3
Death Benefit Program

We recommend the continuation of the Alabama-West Florida Conference in the Death Benefit Program, Plan B, with the cost and benefits for each calendar year being determined by the latest average salary computed prior to the beginning of each year, (average salary of $11,480.00 for 1977).

We recommend that, as a part of the conference pension and benefit program, all persons in the following categories of this annual conference be continued in the Death Benefit Program and that newly eligible persons be enrolled as of the closing dates of the annual conference session, and that they be asked to fill out and submit enrollment application cards:

1. Ministerial members—associate, probationary, and in full connection—who are appointed with pension credit on this conference, except those who are appointed to attend school and not appointed to a pastoral charge in this conference.
2. Approved lay pastors listed in the conference minutes as eligible to be appointed, as in the full-time category and receiving appointments in the conference session, or within a 21 day period, beginning with the opening day of a regular annual session of the conference, who are not gainfully employed in nonpastoral work and not attending school as a full-time student.
3. Ministerial members on disability leave and receiving disability benefits on account of service in this conference, ministerial members on sabbatical leave and lay pastors receiving disability benefits.
4. Any lay person employed as Associate Director or Assistant Director of the Conference Council on Ministries.
5. Ministerial members in the retired relation, who currently receive pensions on account of not less than four years of service in this conference.
6. Retired lay pastors listed with latest conference minutes and who receive pensions for not less than four years of service in this conference approved for pension credit.

We recommend that all persons in the following categories be permitted on an optional basis to enroll in the Death Benefit Program as of January 1, of any year, with coverage in effect as of the first day of that month; provided that each such person electing to participate shall pay the Conference Treasurer prior to December 10 of the preceding calendar year, such amount as computed by this

board as the cost in effect for such year; provided further that persons entering these categories at the time of a conference session may be enrolled within a period of 60 days following the closing day of such session, if they were not previously eligible for participation.

1. Ministerial members—associates, probationary, and in full connection—appointed without annuity claim on this conference or appointed to attend school.

2. Retired ministerial members who do not receive pension on each of four or more years in this annual conference.

3. Other eligible persons, who, in the judgment of the board, rendered or have rendered service on a fulltime basis sufficient to warrant inclusion in this program.

We recommend that the cost of the Death Benefit Program coverage not paid by individuals in the optional groups be provided from receipts from churches by apportionments for the pensions and benefit program, as provided in Report No. 1 of this board.

We recommend that the Board of Pensions and Homes for Claimants be authorized to administer the participation of the annual conference in the Death Benefits Program and to determine the eligibility of individuals for participation in this plan.

Report No. 4

Homes for Claimants

We recommend that $30,000.00 be apportioned in 1978 for homes for claimants subject to the approval of the Council on Finance and Administration of the Alabama-West Florida Annual Conference.

NOTE: A complete listing of these homes, by districts, giving addresses, valuation and indebtedness, was requested but was not made available for this report.

Report No. 5

Claimants Memorial Fund

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this board with interest being used for the benefit of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amounts to the fund as memorials to deceased ministers or members of ministers' families or lay persons. Checks should be made payable to the Alabama-West Florida Conference, The United Methodist Church, and sent to Mr. Art Copper, P.O. Box 700, Andalusia, Alabama 36420, with the names of persons being memorialized. The families of persons being memorialized will be notified of such memorial gifts.

Report No. 6

Special Appointment Pension Responsibility

In keeping with Paragraph 1796.5 of the 1976 *Book of Discipline*, we recommend that the following United Methodist institutions or organizations be approved for pension responsibility on this annual conference: Alabama-West Florida Conference Council on Ministries, Assembly Ground Commission, the Wesley Foundation at Auburn University.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the institution or agency.

We recommend that ministers under appointment as approved evangelists, to Inner City Missions, to Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this annual conference only upon payment to the Conference Claimants Fund an amount equal to twelve times the current annuity rate for conference members which for the year 1978 would be $1,080 ($90.00 per month). See Paragraph 1706.3a of the 1976 *Book of Discipline*.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this annual conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

Report No. 7
Depositories

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of the United Methodist Church; provided that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government-sponsored agency.

Report No. 8
Regulations for Occupancy of Homes

1. Applications of claimants for homes shall be sent to Mr. Art Copper, Executive Secretary of the Board of Pensions and Homes for Claimants, P.O. Box 700, Andalusia, Alabama 36420, and shall include the following information:
   a. Name of claimants and immediate members of family.
   b. Indication of choice as to location of home.
2. Minor repairs on homes will be paid for by the occupant. Major repairs will be paid for by the board. No repairs or alterations can be made to any of the homes at any time except those authorized by Mr. Art Copper as treasurer of the board.
3. The board will equip homes with a stove, heating equipment, refrigerator and water heater.
4. Occupants will furnish the board with the name of the person(s) who will attend to his or her personal affairs in the event of disability or death.
5. Care should be exercised by the occupant in the erection of T.V. antenna so that the existing property is not damaged.
6. The board recommends that when the occupant of a home serves a charge which provides a parsonage, he should live in the parsonage and thereby free a a claimant's home for another claimant.
7. When a claimant vacates a home he or she should release it in writing to Mr. Art Copper, the executive secretary of the board, at conference headquarters, and remove all personal belongings immediately.
8. Upon the death of an occupant the heirs or responsible person shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond this time will be disposed of by the board.

Report No. 9
Pensions for Lay Employees

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the annual conference provides for pensions for ministers.

Interested churches and agencies should contact:

Report No. 10
Full-Time Service As a Requirement for Pension Credit

We call attention to the following provisions which appear in paragraph 1706.4a, of the 1976 *Book of Discipline,* relative to full-time service as a normal condition for pension credit.

a. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the annual conference, on recommendation of the Conference Board of Pensions and Homes for Claimants.

b. Full-time service shall mean that full time is devoted to the work of a minister by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonministerial work, and whose cash support per annum from all church sources is not less than the minimum salary established by the conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, unless such credit is granted by special action under extremely unusual circumstances. To comply with the *Discipline* and rules of the General Board of Pensions the following guidelines pertaining to non-pastoral employment by a minister serving with annuity credit are established:

1. For the purposes of these guidelines non-pastoral activities are defined as any activity not normally a part of the duties of the episcopal appointment.

2. Every minister of the Alabama-West Florida Conference participating in MRPF will report in writing to the appropriate district superintendent whether he is engaged in any non-pastoral work and full particulars of such work with regard to time, remuneration and pension credit in the work.

3. In the future any non-pastoral activity is to be reported to the district superintendent and Conference Board of Pensions and approval secured from the district superintendent before such activity is begun if annuity credit is expected. Any subsequent annuity credit granted is not to be retroactive.

4. Engaging in non-pastoral activity without approval, or failure to report a change in the nature of, or the hours devoted to, such activity, will result in forfeiture of annuity credit for that year.

5. All requests for permission to engage in non-pastoral activity shall be made in triplicate on a form to be provided by the Conference Board of Pensions. The district superintendent shall investigate each request and make appropriate notations. The original copy of the request and any notations will be forwarded to the Conference Board of Pensions, the duplicate returned to the minister and the triplicate retained for the district superintendent's records. The Conference Board of Pensions shall finally determine the credit recommended in each case to the annual conference.

6. A minister may file an appeal with the Conference Board of Pensions of any disapproval of credit by a district superintendent within 30 days of the disapproval provided the appeal is made in writing and clearly sets forth the basis for the appeal. In all cases of appeal the decision of the Conference Board of Pensions as to the recommendation made to the annual conference will be final. The rules and procedures of the General Board of Pensions Manual will be followed.

7. The Conference Board of Pensions will, upon receipt from the district superintendent, review the requests for completeness and appropriateness, and file in the minister's permanent records together with a file of all the action taken in connection with the request.

8. These guidelines effective January 1, 1978, and are not retroactive.

Report No. 11

Annuity for Ministers in Area Offices

As approved by our annual conference in the 1972 session the following policy continues in effect:

The area offices being served by the ministerial members from the conferences in the Birmingham Area where there is no annuity payment to provide pensions and benefits for these men shall have their pensions and benefit payments provided by the two conferences of the area with the Alabama-West Florida Conference paying an amount equal to forty-six percent (46%) of twelve times the annuity rate and the North Alabama Conference paying an amount equal to fifty-four percent (54%) of twelve times the annuity rate of the conference in

which the minister holds membership. This formula was agreed upon by the Alabama-West Florida and North Alabama Annual Conferences.

(NOTE: Percentage figures will be brought into harmony with action under the report of the Council on Finance and Administration.)

Report No. 12

A Resolution on Housing and Utility Allowance for Retired Ministers

Whereas, the United States government has recognized in its income tax regulations monies paid by a minister for the utilities of such a "parsonage or home" for a minister to be exempt from taxation; therefore, be it

Resolved, by the Alabama-West Florida Conference of The United Methodist Church meeting in annual session May 30, June 2, 1977, that two-thouhand five-hundred dollars ($2,500.00) of the total annuity paid each year to each retired minister and lay pastor shall be designated as a rental allowance and for maintenance of a place to live and for utilities.

Report No. 13

Personal Notations Under Question 52

Subject to the approval of the Alabama-West Florida Conference by a ¾ vote we recommend that Mrs. Ella Mae Lowery be granted a special grant for the year 7-1-77 through 6-30-78 as the wife of a minister of our conference who served 35½ years as a member of this conference. The grant would be based on the years of his service.

We further recommend that the Rev. John Inge Lewis be given a special grant of one hundred dollars ($100.00) per month for the year 7/1/77 through 6/30/78, or until the Board of Pensions can secure suitable housing.

Report No. 14

Hospital and Medical Program

We recommend that effective 1 July, 1977, the Hospital, Medical Expense Program (HMEP) of the General Board of Pensions of The United Methodist Church be the carrier of the Conference Health Care Program, with eligibility to participate to be determined by the Board of Pensions and Homes for Claimants of the Annual Conference.

All ministers of the annual conference, who are appointed to a charge by the cabinet, shall be eligible to participate in the program and the conference shall participate in premium costs, provided the minister is appointed with annuity credit on the conference. Those ministers appointed to a charge without annuity credit or appointed to attend school or in a special appointment may participate by paying the full amount of the premium. There shall be a sixty day enrollment period beginning June 1, 1977.

Premium payments shall be made to the conference treasurer on a regular remittance form, on a quarterly basis with payment for the quarter ending Sept. 30 due not later than June 20, payment for the quarter ending December 30 due not later than September 20, payment for the quarter ending March 31 due not later than December 20, and payment for the quarter ending June 30 due not later than March 20. The schedule of participation in premium costs by the annual conference related to eligible persons shall be that one-third of the premium shall be paid by the conference and ⅔ shall be paid by the minister or employee. The full premium cost for persons over age 65 shall be paid by the conference and ⅓ of the premium for dependents of over age 65 ministers.

The funds required for conference participation in premiums shall be provided by the pensions and benefits program of the conference and shall be included in the apportionment for the Conference Claimants Fund.

We recommend further that the program continue to be made available to local churches for participation by their full time lay employees, without conference participation in the premiums.

We recommend that a committee be appointed from the membership of the Board of Pensions and Homes for Claimants to serve as liaison between the annual conference and the carrier.

Report No. 15

A Resolution for the Alabama-West Florida Annual Conference Pension Funding

WHEREAS the Alabama-West Florida Conference is faced with certain urgent needs in pension funding, and

WHEREAS these needs are so presently imperative, it is moved:

1. That the churches of the Alabama-West Florida Conference conduct a financial crusade to yield $3,000,000 over a four year period, the pledge payment period to begin May 1, 1978, and to be designated as follows: Pension Funding Crusade.

2. That the intensive phase of this financial crusade be conducted from January 1, 1978 to May 5, 1978 with such preliminary work as is necessary between June 1, 1977 and December 15, 1977.

3. That each church be given a financial objective based on an equitable formula as its proportionate part of the conference need, and that the Administrative Board of each church be asked to accept this amount as its minimum goal.

4. That each church conduct a personal gifts solicitation of the congregation to implement their acceptance of the conference-wide objective.

5. That all funds raised toward the conference objective in this financial crusade be paid by each local church treasurer to the treasurer of the Alabama-West Florida Conference.

6. That after the expenses and service fee of the financial crusade have been paid, the balance of the funds raised be administered through the treasurer of the Alabama-West Florida Conference.

7. That the funds necessary for the cost of promotion of this fund-raising program be advanced by the conference Council on Finance and Administration from funds on hand or such other sources as the council may secure, with the understanding that these amounts be repaid from the fund-raising receipts as soon as possible.

8. That the Conference Crusade Steering Committee, as appointed by Bishop Carl J. Sanders, set up a General Committee which will be responsible for the conduct of the crusade, and for the employment of such professional consultation as they deem necessary.

ASSEMBLY GROUND COMMISSION

Blue Lake Camp

For years there has been much talk about reconstructing the Lambuth Memorial Church at Blue Lake. This dream is about to become a reality. Construction was begun in April, and July 1 has been set as the completion date. The reconstruction of this historical church has been made possible by a generous gift from the G. W. Proctor family. It will be an addition of significant historical and religious value and will be used for communion and other services of worship by many groups coming to Blue Lake.

Two-hundred-nine different groups have used the facilities at Blue Lake during the past year. The breakdown is as follows: Forty-three conference programs, fifteen district retreats, thirty-eight conference committees, and fifty-four local churches. Fifty-nine non-Methodist groups used the facilities during the year (many of the non-Methodist groups are scheduled at Easter, Thanksgiving, and other times when there is little or no demand by Methodist groups). These groups represent twelve-thousand-two-hundred-ninety-four campers with a total number of twenty-four-thousand-two-hundred-sixty-six camper days.

The rates for the use of the camp in 1977 are as follows: Methodist groups

at Oakwood, nine dollars per person per day (which is three meals and one night's lodging), Dogwood and Pinewood, seven dollars per person per day. For family groups a fifty cents per day discount is given. The rate for non-Methodist groups at Oakwood is twelve dollars per person per day and Dogwood and Pinewood nine dollars per day. Individual meals are two and one-half dollars for lunch, two dollars for dinner, and one and one-half dollars for breakfast.

Several improvements have been made in existing facilities and new ones added during the past twelve months. Among these are the gym, two tennis courts, and ten camp sites (five with full hookup and five with water and electricity). New furniture has also been placed in the conference room.

The Blue Lake Cookbook prepared and printed by Ruth Lane, dietitian, has been paid for by sales receipts of one dollar per book. Some needed equipment has been purchased for the Oakwood kitchen from the sale of these books. Seventy-two-thousand meals were served during the year 1976.

Conference boards, agencies, districts, and local churches are urged to schedule their retreats and workshops early. When groups are small an effort is made to schedule more than one group at Oakwood Lodge in order to accommodate more groups.

Non-Methodist groups may schedule activities if no Methodist group has reserved a definite date ten months in advance of the date desired. Methodist boards, agencies, and local churches have until October 1, to schedule their activities for the three months of June, July, and August before non-Methodist groups can schedule activities.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake Camp. Inflation and increasing cost of operation make this fund a must. The cost of groceries, labor, and utilities has increased considerably during the last twelve months.

The financial support of United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake Camp possible. Their continued support in helping to further develop our Methodist Assembly Grounds is greatly appreciated.

One-hundred-twenty-five thousand dollars were borrowed in order to construct the gym, tennis courts, canoe sheds, and make specified improvements. As of April 1, the balance owed on this loan was one-hundred-twelve thousand-five-hundred dollars.

The financial report of 1976 is as follows:

Receipts:		Disbursements:	
Room & Board	$158,240.24	Food Service	86,363.00

The Assembly Ground Commission wishes to express its appreciation to the ministers and lay people of the Alabama-West Florida Conference for their support of Blue Lake and their cooperation in the program here.

COMMITTEE ON EQUITABLE SALARIES

The equitable salary fund is for the purpose of providing assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. It is not for the purpose of paying ministers for their service. Therefore your board includes under its recommendations a section which specifically states that the fund is designed to encourage local congrega-

tions to raise their salaries in order for their pastors to receive a larger share, as the conference will not pay an amount of more than one-third of the equitable salary of each classification.

1. Only full-time pastors and student pastors are eligible for equitable salary.

2. In order for a pastor to receive fully scheduled equitable salary, to receive pension credit, and participate in the conference insurance program each pastoral charge must pay at least two-thirds of the equitable salary scheduled amount as the *Discipline* requires. If the pastoral charge does not pay two-thirds of the equitable salary schedule then the Committee on Equitable Salaries will pay one dollar for every two dollars salary the pastoral charge does pay, retroactive to February 1, 1976. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastors.

3. It is recommended that the equitable salary seeretary be authorized to issue check orders for equitable salary only after each district superintendent has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge conducts an Every Member Committee program emphasizing the total program of The United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial support and World Service and Conference Benevolences apportionments. It is not the responsibility of the Committee on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the superintendent. It is recommended that the secretary withhold any funds until the district superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

4. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he serves, is more than the equitable salary for his classification, except as provided in 13 and 14 of this report.

5. No person qualifying for equitable salary which amounts to less than, $100 will receive any equitable salary. We feel that local churches can take care of this small amount.

6. The administering agency will not grant aid to any Probationary or Associate Member who does not pass a full year of the Conference Course of Study or fails to meet the minimum requirements for a student.

7. No associate pastor shall receive aid from this fund.

8. Each district superintendent is required to review all equitable salary situations in his district toward the end of increasing funds of equitable salary. No charge shall be divided where the salary is less than the minimum scale, unless there exists the opportunity for substantial growth, and unless such a division has been approved by the entire cabinet; and we urge that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 250 members.

9. We commend the cabinet for the work they are doing in combining charges with the view of giving each minister a reasonable work load and a liveable salary.

10. We recommend that the Council on Finance and Administration and the annual conference continue to provide the funds necessary to carry on the equitable salary program as directed by the annual conference.

11. The secretary of equitable salary shall file with the Assistant Secretary for the Journal for publication in the *Journal* each year a report listing the payments for the equitable salary fund during the year, giving the names of the pastors, the charges, and the amounts received.

12. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Annual Conference be eligible to receive equitable salary unless there is no appointment available for him in this conference and he is assigned by the presiding bishop to an appointment outside the conference, or unless it be a special appointment by the presiding bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

13. The Committee on Equitable Salary feels there may exist from time to

time certain situations within our conference where special attention may help a church to more quickly become self-sustaining. In such situations, a supplement, determined by the Committee on Equitable Salary, above the regular equitable salary, may be given the pastor, provided the church under consideration is unable to raise the salary level and provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this board handles money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

14. In the case of cooperative parish ministries or specialized ministries the district superintendent, in consultation with the Distrct Board of Missions and Committee on Equitable Salary, shall be allowed to supplement the salary of a pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

15. The Council on Finance and Administration will not fund boards or agencies where the rules are flagrantly violated or abused. Ministers and district superintendents are urged to keep the rules as approved by the annual conference.

16. We recommend that the following be the equitable salary for 1978:

Members in Full Connection	$10,000.00
Probationary Members	10,000.00
Associate Members	8,800.00
Seminary Students (married)	7,800.00
Seminary Students (single)	7,300.00
Full Time Lay Pastors	8,200.00
Lay Pastor—Student (married)	6,300.00
Lay Pastor—Student (single)	5,800.00
Lay Pastor—Licensee (married)	6,000.00
Lay Pastor—Licensee (single)	5,500.00

SPECIAL COMMITTEE ON ELECTION PROCEDURES

The 1975 annual conference adopted a resolution calling for the appointment by Bishop Carl J. Sanders of a special committee to study the mechanics and ethics of the quadrennial procedure of electing delegates to the General and Jurisdictional Conferences in the hope of improving our present procedure. The committee was directed to report to the 1977 session of the annual conference, and the following report is hereby given.

The committee has reviewed the election procedure this conference has used in the past, and has studied references to the election procedure in the 1976 *Discipline*. We find that voting is to be done by a secret ballot, and there must be an "'order of election" to determine the numerical position of each member of the lay and clerical delegations. The method of electing persons to serve as delegates is not spelled out, and is apparently left up to each annual conference.

In our review of the procedure, we wrote to every annual conference within the United States asking for information as to any procedure being used. Most of the annual conferences sent a reply. Quite a wide variety of procedures was indicated. The majority of conferences indicated they were in the same place as we are, and about half indicated they also were in the process of making a study, but had no definite proposal to offer.

While we are a medium size Conference, much of our problem, and that of other conferences, is due to the fact that so many of the laity are not known to one another. Consequently, some were voting without knowing the persons for whom they were voting. After our review of our own conference, the *Discipline* of the Church, and the replies from other annual conferences, we submit to this session the following report for consideration.

It is our recommendation that this conference approve two guiding principles in the election of delegates.

1. Since ours is a medium size conference, and since the ministers are well known to each other, we recommend no change in the election procedure for the ministerial delegates.

2. We do offer two possible procedures for the election of lay delegates. In each instance, the committee wishes to make clear the intent is to *provide information only.* Any listing of persons with a biographical sketch shall in no wise be construed as a slate of nominees.

PLAN A:

1. Early in the year of elections, no later than March 1st, each district superintendent shall call a caucus of the lay members of the upcoming conference. The district superintendent shall brief the group as to the requirements for delegates as set forth in the *Discipline,* and ascertain the availability of service in case of election.

2. Each district may select five persons whose names and biographical sketch will be printed in the *Brochure of Reports.* Each district superintendent shall be responsible for getting the personal data to the journal editor in time to be included in the *Brochure of Reports* (April 1). This personal data shall include such information as to business or profession, and service to the Church through the local church or conference boards and agencies.

3. As practical during the week preceding the first regular session of the annual conference in an election year, there shall be an assembly of lay delegates which will allow them to become familiar with all persons, whether or not included in the brochure, who desire to become delegates to General Conference.

4. The Conference Council on Ministries shall develop a biographical form for the purposes of this plan and shall provide a copy of this form tothe Journal editor for distribution.

PLAN B: (Included for information only)

1. At the charge conferences immediately preceding the annual conference at which delegates are to be elected, each district superintendent shall offer to the charge conference the opportunity for the selection of one person whose name and biographical sketch shall be included in the *Brochure of Reports.*

2. Each district superintendent shall be responsible for determining the availability of the persons to serve as delegates in case of election and the gathering of the personal data sheets.

3. These biographical sketches shall be compiled by the Committee on Lay Life and Work, and given to the journal editor in time to be included in the *Brochure of Reports.*

We again emphasize that whatever plan this conference adopts, the biographical sketches are to be printed for information only and shall not be considered as a "ballot" or "slate" from which a name must be selected. Persons other than those whose biographical sketches are printed in the brochure would be eligible for election.

We recommend also that Standing Rule 12 of this annual conference, as found on page 144 of the 1976 *Journal,* be retained by this conference as it sets forth the procedure for the use of tellers and ballots.

Respectfully submitted by the committee

BOARD OF PASTORAL CARE

The Birmingham Area Board of Pastoral Care has had a very exciting year. Our new executive director, the Reverend Charles Alexander, is indebted to the fine work and direction set in motion by our previous director, Doctor William Clements. Offices are now located in Montgomery, Pensacola, and Birmingham. The director has devoted approximately fifty percent of his time to education, consultation, and training of clergy or other professional church workers in pastoral care and counseling. This has been accomplished by way of one-day workshops, ongoing seminars, supervision and consultation with pastors or groups of pastors. The other fifty percent of his time has been spent in direct service counseling with pastors and other professional church workers or members of

their families. The statistics indicate the services of our director are being utilized to the fullest. We attribute this to his regular availability throughout the area.

A request for the funding of this expanded service has been submitted through the proper agencies as a ministerial support item and will be presented for approval at this session of the two annual conferences. We respectfully seek your approval and prayers as we seek to meet the needs of pastors and their families in the Birmingham Area.

THE COMMITTEE ON LAY LIFE AND WORK

Our conference year got off to a good start with our laity banquet the evening of June 2, 1976. Bishop Sanders brought us a fine message on "what we should expect of our pastors."

One of the early decisions of our committee was that we should operate as a sub-committee of the Conference Council on Ministries to hold down on the

number of meetings. As a group we met only twice during the year, holding overnight sessions at Blue Lake to plan for our Conference Laity Retreat, a stewardship seminar which was held in December, and to plan for our 1978 calendar.

Dr. George Hunter, newly appointed head of the Division of Evangelism, Worship and Stewardship of the Board of Discipleship, led a successful laity retreat January 14-15 at Blue Lake, attended by some two hundred of our laity and clergy. The theme was "How Our Churches Can Grow," and Dr. Hunter effectively showed us proven techniques in fulfilling our missional priority of evangelism with the aid of three excellent films on church growth: "HOW TO GROW A CHURCH," "REACH OUT AND GROW" and "THEY SAID IT COULDN'T BE DONE." Also available for purchase by those in attendance were two very fine books on church growth: "HOW TO GROW A CHURCH" by McGavran and Arn, and "YOUR CHURCH CAN GROW," by Peter Wagner.

Our committee voted to ask Dr. Arnold Prater to lead our Conference Laity Retreat January 13-14, 1978, and he has accepted. Dr. Prater, an approved evangelist of The United Methodist Church, did an outstanding job for us year-before-last.

Dr. George A. Wright, former Conference Lay Leader of the South Georgia Conference and also former president of the Southeastern Jurisdiction Conference Lay Leaders accepted our committee's invitation to be our speaker at the laity banquet this year. We look forward to this great layman's message.

C. H. McGehee
Conference Lay Leader

BOARD OF EDUCATION

The program of the Board of Education during the past year was made possible by the accomplishments of dedicated persons who planned and worked through their committees. They are to be commended. Innovative efforts have been made in the areas of leader development, experimental ministries and camping. A new Committee on Young Adult Ministries has been organized for the purpose of giving visibility to the vital area of the Church School. The growing interest in the importance of the Church School has been most encouraging.

Through the work of the committees, the board will place more emphasis on training for local church leaders and district staffs during the new quadrennium. Every attempt will be made to strengthen the program of education in the local church.

I am most appreciative of the cooperation which I have received from the members. Through their leadership, they have supported the challenge of providing the best possible programs.

Respectfully,
Stanley Mullins

Committee on Experimental Ministries

At the beginning of the new quadrennium, the Committee on Experimental Ministries found itself looking for new areas of ministry in which to experiment. With 4-L Camp and Camp Discoveries well established and under other committees, we were free to "begin again."

After spending some time considering areas of need, we selected target areas in which we wanted to explore possibilities for ministry. These areas were as follows:

1. Marriage enrichment and counseling.
2. Seminars on dealing with various aspects of separation, grief and loss.
3. Forms of ministry to the deaf.
4. Family Ministries.
5. Ministries to older adults.

At our request, the Continuing Education Program set up two experimental seminars for 1977. The first was a workshop on "How to Deal with Separation" on April 12-14. The second is a Marriage Enrichment Training Workshop to be held on June 26-30, in cooperation with the Birmingham Area Board of Pastoral Care and Counseling.

We are in communication with various state agencies for the deaf, to explore possibilities for a camping experience for deaf children.

With the addition of a Children and Family Life Coordinator to our Program Council Staff, we are hoping to become involved in several Family Life events under Mark Stewart's direction.

With two new events this year and several on the drawing board for next year, we feel we are well on the way to a significant quadrennium.

We are constantly seeking information concerning the work of the local church in its efforts to experiment in new forms of ministry. We encourage you to share these with us. We depend on the ideas and concerns of both lay people and ministers to suggest directions for ministry. We invite your involvement as we continue to discover new ways to be "in ministry."

Respectfully submitted,
Ruth E. Penton, Chairperson

Leader Development Committee

The Leader Development Committee has endeavored much of the past year to concentrate its efforts on training teams to work with their own districts. Emphasis is increasingly on enabling District Councils on Ministries to become responsibile for training events in local churches within their district. In order to prepare district education staffs for their work, a conference wide training event was held at Blue Lake.

The process of certification continues in the area of Church School leaders. This year three persons were certified in Older Elementary, one in Jr. High, and one in Sr. High. Two other persons began the process this year. Persons who became certified using scholarship funds commit themselves to lead two conference events without honorarium. The goal of the Leader Development Committee is to have someone certified in each age level in every district.

Leader development continues in Council on Ministries training in local churches as well as on the district level.

A Conference-wide Workshop on Motivation was held as the first in a series of personal growth experiences planned by the committee. Curriculum workshops for adults, youth, and Vacation Church School were held in order to train teams from each district to hold similar events in local churches.

A seminar and lab on *The Role of Sexuality, A Course For Jr. Highs and Their Parents,* was held in Montgomery. A task group worked with Charles Alexander, Director of Pastoral Care and Counseling, in setting this up as a first step in a process of certification for leaders in this area. The committee has as a goal certifying at least four persons as leaders by 1980.

Laboratory schools were held in three districts this year. We continue to stress this type of training as the best available help for leaders of the Church School. Money is budgeted for helping subsidize labs, and churches are encouraged to hold this type event whenever possible.

Respectfully submitted,
Carolyn Cumbie, Chairperson

Committee on Young Adult Ministries

This committee is a new one in response to a growing concern about our ministry, to, with, and from young adults.

This year has been a time of getting started, organizing, and analyzing the needs of this segment of our population and our church. Our observation reveals that there is so much diversity in young adult interests, life styles, and circumstances that a young adult ministry is impossible. There are single young adults and married young adults. Single young adults are college students, armed forces personnel, career young adults, never married, previously married—and in this last category are those with children and those without. Young marrieds divide into those with and those without children, also. Each of these groups—and others you might name—have needs that are peculiar to their category; therefore young adult ministries must be plural.

Our committee has set two goals for 1978:

(1) To enable local churches to offer significant young adult ministries. A

young adult lab school is being planned for early 1978 in co-operation with the Leader Development Committee.

(2) A Conference-wide opportunity for single young adults to gather for fellowship, inspiration, and discussion of ministry to and from single young adults.

Once these are accomplished, we will turn to ministries to young adults in other categories.

We solicit your ideas, your support, and your prayers as we seek to pioneer our conference's ministry to young adults.

Respectfully submitted,
Joseph H. Bullington, Jr., Chairman

Committee on Camping

A. Summer of 1976:

The summer of 1976 was a good year in our camping program at Blue Lake. In the 7 elementary camps there were 492 campers and staff. In our 4 Junior High Camps we averaged 84 per camp. The four senior high agencies had an average of 60 per agency.

In the special camps—4-L and Camps Discovery—an additional 403 campers and staff were involved. It should be noted that in 1976 we had a 4-L Camp for those who had graduated from the regular 4-L camping program. It was a weekend for young adults (19-35). This camp will be continued in 1977 as the "Sunshine Camp for Young Adults." A total of 1472 persons were involved in the camping program of 1976.

B. Other items of note:

1. It should be noted that last year we had the services of a waterfront-recreation director for the summer. The search is on for another person to fill this position again this year.

2. The campers will have the use of the gymnasium this summer at the Lake. It is also our hope to have archery available this year for our junior high campers.

3. To staff the Junior High Camps this summer will be for the first time a full time team of staff persons. These thirteen persons will work together in a team concept and serve as the leadership for every camp at Pinewood. They will live in the cabins with the campers and lead the small groups. This team will complete the functions of the regular dean and volunteer counselors and give coordination to the entire summer program for junior highs.

C. As you go home from conference:

1. Promote the 1977 camping program in your local church.

2. Assist us in soliciting scholarships for our Special Camping Ministries—4-L and Camps Discovery. Thirty dollars ($30) will send a child to camp, and we urge churches, church school classes, United Methodist Women, United Methodist Men, etc., to respond to this need. Remit to Mr. Art Copper marked "Special Ministries Fund."

3. Promote service as volunteer camp staff persons among the qualified adults in your church. Camp directors cannot receive too much assistance in securing their adult staff members. Please send names and addresses of qualified volunteers to Mr. Mark Stewart, Post Office Box 700, Andalusia, Alabama 36420.

COMMITTEE ON HIGHER EDUCATION AND CAMPUS MINISTRY

Your committee, immediately following its organization in June of 1976, began to work closely with Auburn Wesley Foundation. The chairman and representatives of the committee met several times with the director, the Montgomery District Superintendent, members of the board of directors and campus committee and the pastors of the two United Methodist churches in Auburn to seek a stronger and more cooperative program to reach the many United Methodist students and others at Auburn. We have also reviewed the work of all the Wesley Foundations programs and are in the process of doing an evaluation of the entire program.

One significant fact stands out, that we as a conference are not financially supporting these programs as we should: only 63% of the apportionment for Wesley Foundations was paid by the churches in 1976. This represents 3% over the previous year. We urge our people to give total support to this basic fund in order that we may be able to carry out an effective program of campus ministry to the more than 7,000 Methodist students at these six universities and colleges located in the bounds of our conference. We also urge pastors and laypersons in the local churches to encourage students from their communities and churches to participate in the Wesley Foundation program.

A task group of the committee met with the presidents of Birmingham-Southern and Huntingdon College and representatives of their boards of trustees and representatives of the North-Alabama Conference Committee on Higher Education to study and work toward a stronger and more equitable program of support of these two colleges on the part of each conference. Continued study in this area will be undertaken in 1977-78. Again, we urge increased financial support of Birmingham-Southern and Huntingdon: only 50% of the apportionment for the institutions was paid in 1976. The church must not abdicate responsibility for Christian education. State education is essential, but only state educational institutions would soon cause Christian education to lose its freedom and distinctive place for moral and creative thinking and spiritual leadership. Our heritage is the dual system of education which helped to make America free and great.

We are appreciative of the Council on Finance and Administration for accepting our request of $2.00 per member as our goal for the 1978 apportionment for these two colleges. We call upon the 125,000 United Methodists in this conference to give total support to this fund. We are encouraged by the increase of student enrollment at Huntingdon and Birmingham-Southern and we know with full support by our people these colleges will continue to thrive and provide vital Christian education programs for the people of our two conferences.

We commend Birmingham-Southern College and the North-Alabama Conference for their successful scholarship fund campaign recently completed; we know it will greatly strengthen that college as a similar campaign has done for Huntingdon. Your committee urges continued support of the scholarship program for Huntingdon College. We continue to work to develop stronger ties between our conferences and these church-related colleges. We owe a great debt of gratitude to Dr. Neal Berte and Dr. Allen Jackson for the tremendous efforts they have put forth in working for the passage of the Alabama Student Grant bill in the recent sessions of the Alabama Legislature.

The 1976 General Conference apportioned six million dollars annually during the 1977-80 quadrennium as the Black College Fund. This fund provides continuous, methodical support for twelve black colleges historically related to The United Methodist Church, however our conference fell far short of its goal of support of this fund in 1976. We call upon our people for full support of this fund in this quadrennium.

The churches of the conference are urged to support with a love offering above and beyond their regular giving on United Methodist Student Day in June, the United Methodist Scholarship program and Student Loan Fund. This loan fund is the oldest and largest of its kind in the country and presently offers loans to more than 11,000 persons in the amount of over six million dollars. Several students from the Alabama-West Florida Conference have benefited and are benefiting presently from this scholarship fund.

Tremendous challenges and responsibilities face us in the field of higher education and campus ministry. Your committee seeks your advice and support in trying to develop programs and plans that will meet these challenges and responsibilities.

Respectfully submitted,
Frank L. Scott, Chairman

RESOLUTIONS

1. By mutual agreement the Committee on Higher Education and Campus Ministry of the Alabama-West Florida Conference and the Section on Higher Education of the North Alabama Conference set a 15¢ per member per-capita

formula for funding the college located within the bounds of the sister conference for the 1978 year. In the event that payments run below askings, both conferences agree to a 12¢ per-capita minimum payment to the college in the sister conference.

2. We recommend the asking of $2.00 per member of the Alabama-West Florida Conference for the support of Ministries of Higher Education. The division of which shall be $1.85 for Huntingdon College and 15¢ for Birmingham-Southern College.

3. We recommend that the Committee on Higher Education and Campus Ministry be authorized, in conjunction with our colleges and with the North Alabama Conference, to publicize positively the content and the importance of the College Tuition Grant Bill to the people of the State of Alabama and to encourage grass-roots support in a strong way in order that this bill will be reintroduced in the 1978 session of the Legislature of the State of Alabama and passed by action of both houses.

Activities should include such things as communications to our local churches explaining the intent of this bill; communication with our senators and representatives to encourage their support of this bill; an intense publicity campaign just prior to and during the meeting of the legislature and adoption of a slogan that might attract the attention of all the people of the state to give support to this bill.

4. We recommend to the Council on Finance and Administration that Wesley Foundations (or Fellowships) be given funds monthly equal to one-twelfth (1/12) of their annual allocation less twenty percent (20%). The last two (2) months shall be used to make adjustments in these funds by increasing or decreasing according to monies received for the Wesley Foundation asking. The Committee on Higher Education and Campus Ministry has adopted the following formula for the distribution of these funds for 1977: Auburn—47%; Livingston—14%; Marion—3%; Pensacola—12%; South Alabama—10%; Troy—14%.

It is imperative that the local Wesley Foundation Board of Directors be aware of this policy in planning their budgets for the ensuing year. Funds above and beyond Conference support raised locally are to be used to expand programs, and to meet other needs of the Wesley Foundations.

Respectfully submitted,
Billy Doyle Gaither, Secretary
Committee on Higher Education

BOARD OF ECUMENICAL AND INTERRELIGIOUS CONCERNS

Ecumenicity is rapidly becoming a dominant characteristic of our society. We recognize the fact that most of the ecumenical work is carried out in the local church. We urge every local church to strengthen their cooperation with other faiths, and to explore new avenues for the expression of ecumenical and interreligious concern. We commend those boards and agencies of our annual conference which, in the spirit in which they do their work, give evidence of the ecumenical spirit.

It is our desire, as a project for the next year, to prepare a catalogue of those ecumenical projects conducted by local churches and by groups of churches within our conferences, so that information and inspiration may be shared.

We are adding to our conference audio-visual library two resources. There is a 16 millimeter film entitled "Angel and Big Joe," and a filmstrip entitled "Weaving the Fabric of Unity." We commend these to our churches.

Our major project continues to be the Baldwin County Migrant Ministry, of which Casa de Amigos is an integral part. This work is carried out in cooperation with Catholic Social Services of the Mobile Diocese. We are grateful for the support given to this project by churches throughout the annual conference, and recommend as a conference project the continued support of the Baldwin County Migrant Ministry.

COMMISSION ON WORSHIP

The Commission on Worship has led an active existence in the first year of the 1977-1980 quadrennium. A planning and orientation session was held for commission members with a large attendance in June. Leadership was provided by members of the Committee on Worship of the North Georgia Conference. At that time we perceived a vision of what the Alabama-West Florida Commission on Worship should become. That vision is reflected in a quadrennial plan which was drafted in September after a fruitful exchange of ideas at Blue Lake. The quadrenniel plan includes these priorities for action: Annual Conference Worship, Lectionary, Newsletter, District Worships, and Music Workshops. A time table is included for the realization of these priorities. Recommendations were formulated to serve Bishop Sanders in his capacity as administrator of the annual conference.

A successful youth music workshop was held at Huntingdon College in November. Approximately 300 youth and directors attended the sessions under

the direction of Mr. Merlin Johnson. As an outgrowth of this weekend a week long youth choir camp has been scheduled at Blue Lake, Oakwood Lodge, August 1-5, 1977.

Our commission hosted The Convocation on Worship in Phenix City, February 18-19, 1977, attended by worship leaders from the Birmingham and Atlanta Episcopal Areas. Dr. James F. White and Dr. Don Saliers were the principle resource persons. It is anticipated that the convocation will become an annual event for the two episcopal areas.

A modern but empty world challenges us in the church to be what we claim to be. The Christian discovers who he is best in worship, and the world benefits from that discovery. The Commission on Worship is able and ready to aid local congregations in today's quest for God and mission.

COMMITTEE ON CAREER PLANNING AND COUNSELING

(Committee On Enlistment)

The legal status of the Conference Committee on Career Planning and Counseling has been in limbo since last General Conference, due to the fact that legislation authorizing the creation of a conference committee was inadvertently left out of the 1976 *Book of Discipline*. However, paragraphs 248, 252, and 261.2 were included, which spell out the responsibilities of district and local church Secretaries of Career Planning and Counseling.

This annual conference should act to resolve the matter of re-organization. One suggested solution is to place the work of career planning and counseling under the Board of Diaconal Ministry. Our only concern is that this vital task be carried on and made more effective. The heart of this task is to assist persons in hearing, understanding and responding to God's call, and making particular career decisions for their lives. Youth who are choosing their life-work and adults making mid-career changes need the sense of direction and meaning that comes only from an understanding of the Christian doctrine of vocation.

JOINT COMMITTEE ON COMMUNICATIONS

Report One

The United Methodist Communications Director and the Joint Committee on Communications have worked together in setting goals and priorities. Following the pattern of the general church United Methodist communications, four major emphases will be made through this office: public media, production and distribution, interpretation, and communication education.

During the past year we have inaugurated the media publication "The Seed"; established as the number one priority the training and relating to local church coordinators of communications; developed a closer relationship with the district coordinators of communications; continued the television ministry of "The Bishop's Hour" and served as news officer for the public media.

Special features of "The Bishop's Hour" this year were the interpreter for the deaf, Mrs. Connie Barnes of Talladega, and Mr. Bill Mann on our March program.

We highly commend Mr. Donald Wear and WAPI Television for their participation in this television ministry. Special acknowledgment is given to Mr. Everett Holle and Mr. Robert E. Smith for their guidance and assistance. We are grateful to the eight stations in the network who have made possible this program for the past ten years.

We should like to acknowledge the numerous articles which have appeared in the newspapers in this conference. Several newspapers have carried full page or one-half page feature articles on Methodist people. Other stories have been highly featured. This is an important channel of communication and we are grateful to our friends in the news media.

United Methodist Communications exists as an extension of every program agency of the annual conference—to assist in telling the story of Methodism through the public media is a great responsibility and honor.

Report Two

The financial records of United Methodist Communications have been audited by Mr. Robert Walston and found in good condition.

Mrs. Jeanne Glasgow is to be commended for her excellent work as treasurer of United Methodist Communications.

Copies of the audit report have been placed on file with each annual conference Council on Finance and Administration, the secretary of the Joint Committee on Communications and United Methodist Communications.

Report Three

(Note: This part was deleted and is printed here for information only.)

In order to perfect a more equitable financial arrangement between the two annual conferences of the Birmingham Area, and to achieve greater unity in the common ministries shared by these two great bodies, the Joint Committee on Communications recommends a sub-committee from each annual conference Council on Finance and Administration be established to negotiate area fiscal responsibilities. The Area Sub-Committee on Finance and Administration shall be composed of three representatives from each conference Council on Finance and Administration. Said representatives shall be selected by the respective council from each conference.

The Area Sub-Committee on Finance and Administration shall have the responsibility of hearing the proposed budgets of all area offices; recommending fiscal requests to the annual conferences; and assuming stewardship of parsonages, where applicable.

Report Four

We recommend amending the second paragraph of Standing Rule 47 (46) to read:

"Ex officio members shall be the Executive Director of each Conference Council on Ministries, the Editor of *The Methodist Christian Advocate*, the area Director of Communications, and representatives of general and jurisdictional boards and committees related to communications."

The change in the standing rule would be the addition of "representatives of general and jurisdictional boards and committees related to communications."

THE METHODIST CHRISTIAN ADVOCATE

Report No. 1

The Methodist Christian Advocate is in its 97th year of service to the Alabama-West Florida Conference and the North Alabama Conference. The publication was established by vote of the 1880 sessions of the two annual conferences, and the first issue came from the press on May 25, 1881.

The *Advocate,* the printed news medium of the two conferences, stands ready in each of its 48 issues per year to convey throughout the Birmingham Area and to subscribers in other states than Alabama and Florida news of events and program emphases relating to local churches, districts, conferences, jurisdictions, the general level, committees, boards, commissions and other agencies and organizations. The *Advocate* urges and solicits news releases from all these sources, and the more all of these send material for publishing in the *Advocate,* the more the *Advocate* performs and rejoices in its role of ministry.

The *Advocate* is more essential in 1977 than ever, for there is now no official general news organ of The United Methodist Church. The General Conference of 1976, after lengthy, detailed and in-the-field study, made the decision that

there be no national newspaper or newsmagazine published by the denomination, decreeing that this service be left to the conference and episcopal area publications. If members and churches of the Birmingham Area are to be informed constantly on the news of our denomination they need *The Methodist Christian Advocate* in their hands. Indeed, there never has been another source bringing the news of the Alabama-West Florida and the North Alabama conferences as does the *Advocate.*

The *Advocate* is grateful for the participation of churches of the two conferences which subscribe 100% for their resident active memberships or for their administrative boards or other groups in their memberships, and to the individual subscribers across the two conferences. A prime goal of the *Advocate* is to have on our subscription list a group of subscribers in every church in the Birmingham Area. To help achieve this the publication, on vote of the Board of Trustees, has in process new special promotion plan offers to churches which do not have a group on the *Advocate* subscription list. These plans will be described at the coming sessions of the conferences.

We thank the officials of Blue Lake Assembly Grounds and Camp Sumatanga Assembly Grounds for their cooperation in allowing the *Advocate* to place copies of the publication on display each week at the respective camp grounds so that the publication may be available to delegates attending camps.

We submit this report with the request that the Alabama-West Florida Conference and the North Alabama Conference in their 1977 sessions designate September and October of this year as ADVOCATE SUBSCRIPTION MONTHS, with the provision that each church (other than those which subscribe 100% for their memberships) conduct a subscription campaign in its membership in which it will have as a goal obtaining 100% subscribing by the church or 100% subscribing by the administrative board and subscribing by many individual members. It is recommended that September be directed to securing 100% membership or administrative board subscribing and that October be centered in enlisting individual subscribers; and that during October every pastor every Sunday invite subscriptions from the pulpit, stressing himself or via a layperson the values of subscribing to the *Advocate.*

To aid each local church in the campaign the *Advocate* will supply to the pastors promotional materials by September 1. Pastors are asked to reprint in their bulletins the subscription order form which will be included in the promotional materials.

District superintendents are asked to urge response to the campaign in their fall charge conferences, and district lay leaders and district and local church councils on ministries are asked to promote the campaign during September and October.

The subscription rates of the *Advocate* are as follows: 100% subscribing for every resident active family in membership, $3.00; subscribing by every family represented on the administrative board, $3.50; individual subscriptions — 1 year, $4.50; 2 years, $8.00; 3 years, $10.50; ministers, $3.50. These are low rates indeed for 48 issues, produced, printed, addressed and delivered, especially in these times of rising costs in the general economy!

The *Advocate* brings vital content to subscribers each issue, content that informs, interprets and inspires—better equipping members and officials for their responsibilities in The United Methodist Church and contributing to individual growth in Christian discipleship—including:

1. News of our annual conferences: Alabama-West Florida and North Alabama—you'll read of local churches, districts, conferences, institutions, boards and other agencies.

2. News of United Methodism at large—Through numerous weekly news releases from national offices of our denomination you'll know of the activities of the General Conference. Jurisdictional Conferences, Council of Bishops, general boards and other agencies.

3. Messages from Bishop Carl J. Sanders, resident bishop of the Birmingham Area—"The Bishop's Corner" brings you the very next thing to a personal visit with the head of our episcopal area.

4. News of the church around the world—You'll keep abreast, informed on actions of other denominations and branches of the Christian faith.

5. Inspirational articles—You'll have available articles that make for personal growth in Christian living.

6. News and articles for particular age groups—The *Advocate* presents you information on activities of age groups of special interest to you.

7. Church school lesson for adults—Each issue presents thought-provoking commentary on the International Lesson Series.

8. Personal news—Keep up with the happenings in the lives of people in our church family.

9. Editorials in each issue—Treat topics of importance to the Christian community, with purpose of challenging readers' Christian thinking and response.

10. "Letters to the Editor" column, in which readers express their views.

The *Advocate* urges every church to name *the coordinator of communications,* a new office established by the 1976 General Conference, and to inform the *Advocate* of the name and address of this official. The *Advocate* will depend upon the local church coordinator of communications to perform two services for this publication, in addition to the other responsibilities the coordinator has: (1) to send news releases of events in the local church; (2) to promote subscriptions to the *Advocate* by members of the local church.

The *Advocate* appreciates the cooperation of all and invites from all suggestions of ways of improving our services.

THE METHODIST CHRISTIAN ADVOCATE

DECEMBER 31, 1976

Board of Trustees
The Methodist Christian Advocate
Birmingham, Alabama

We have examined the statement of financial position—the operating fund and capital fund—of The Methodist Christian Advocate as of December 31, 1976, and the related statement of receipts and expenditures and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

This opinion covers only the operations of 1976, and does not present comparable financial statements nor does it present a statement of changes in financial position.

In our opinion, the following financial statements present fairly the financial position of The Methodist Christian Advocate at December 31, 1976, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

GORDON BENNETT GOLDEN
1886-1976

The Reverend Gordon Bennett Golden was born on a farm in Tallapoosa County, Alabama, November 7, 1886, the youngest of four children of Thomas Elijah Golden and Sally Coan Golden and departed this life at the age of near ninety on September 29, 1976, at Chilton County Nursing Home, Clanton, Alabama, where he had been a patient for almost two years. The funeral service was conducted by Rev. G. O. Hughen, Prattville, Alabama, and Rev. B. B. Fair, Thorsby, Alabama. Burial was in Union United Methodist Cemetery in Tallapoosa County.

On November 19, 1905, Rev. Golden was married to Nancy Verleila Carroll. Together they labored in the Earthly Kingdom until her death August 13, 1950. They were blessed with four children, Mrs. Elijah Easterling, Prattville, Mrs. V. A. Short, Birmingham, W. E. Golden, Miami, Fla., and E. Howard Golden, Birmingham (deceased). On July 12, 1953, Rev. Golden was married to Nettie B. Ford, Plantersville, Alabama, who survives. One sister, Mrs. Marvin Ledbetter, Dadeville, Alabama also survives.

In November, 1917, Rev. Golden was licensed to preach at New Prospect Church in Tallapoosa County. From that time he was never happier than when a full time pastor which he became in February, 1918.

When the three branches of The Methoidst Church united in 1939, Rev. Golden was just as happy as anyone for he loved the Church and the things for which it stands. His desire to reach men with the Christ whom he served, his love and concern for people, his commitment to the Word and will of God; and his efforts to be a good and faithful steward of his Lord were the hallmarks of his long and useful life.

He preferred to serve in rural areas which he faithfully did, never questioning where the conference "sent" him but willingly and cheerfully going. He served the following circuits in the Alabama-West Fla. Conference; Georgiana Circuit; Coosa Circuit; Clanton Circuit; Pike Circuit; Mt. Carmel; Chilton Circuit; Coatopa; Plantersville; Rutledge; Ramer-Pine Level; Deatsville; and Malone, Florida. He retired three times; first from Plantersville after serving two different times as their pastor, the second time from Malone, Fla., and finally from Deatsville where he was again serving after having been called by Bishop Goodson, from Miami, Fla. where he and Mrs. Golden had gone to spend the winer of 1966. He remained there three years again retiring in 1970. In the meantime he built a home in Plantersville where he lived until his health forced him to give up his activities at home, but he continued to preach, pray and sing. He often called the nurses into his room at night for devotion. He preached many sermons literally from his bed. Two days before his Homegoing, he sang one verse of Amazing Grace and

prayed The Lord's Prayer. He is now in God's House where he is seeing many whom he had the privilege of leading into a personal relationship with his God and where he sings around the throne eternal and basks in the sunlight of God's immeasurable love. — Rev. G. O. Hughen

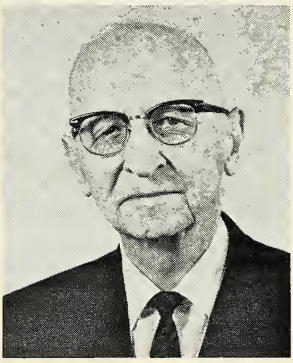
To that union were born two children Dorothy McLeod Woodall of Hayneville, Ala. and Norman Burns McLeod, Jr., a member of the Alabama-West Florida Conference. In 1963, after more than three years of loneliness, he married Lucy Frazer, widow of Dr. John W. Frazer, whose smile and ready wit lightened some of his declining years.



There is no way that I can write in a few paragraphs the meaning and the depth of his life. Listed below are the appointments he served, but there is no list of the people whose lives he touched and changed. The appointment which did most for him was probably Greenwood, Florida because he met Annie Cooper there. He remembered his appointment to Auburn with great affection because of the sorrows and the joys which came to him there, and also because he was a graduate of that institution and loved it. This fall on Saturday afternoons he will probably have the angels saying "War Eagle."

For more than forty-eight years he served his Lord and his church. He was an able and articulate preacher, and one of the earliest members of the Alabama-West Florida Conference to achieve a graduate degree in theology, his from Vanderbilt University. More than four decades ago his sermon entitled, "At the top of the Column There was Lilly Work," was widely disseminated, and widely copied.

He was not only a man, he was a gentle man. He loved his family very deeply, even when they disagreed with him. When we left his body at the cemetary the thought crossed my mind that heaven would never be the same now that Norm and Marv and Fletch were there. He was my uncle, and he loved me. And I loved him, too.

HENRY LOUIS MOTT
1917-1977

June 17, 1917 was the birthday of Henry Louis Mott in Brundidge. His parents were Daniel Louis Mott and Annie Elizabeth Barr.

At age 20 he married Effie Caroline Evans in Geneva, Alabama. She was the daughter of Robert Edward Evans and Alice Marrett. There were no children.

Rev. Mott served in the army in World War II. In 1949 he attended Geneva County High School, and in 1954 Chipola Junior College. In 1956 he graduated with a B.S. from Troy. He became a deacon in 1957 and an elder in 1959.

His ministry was felt in Alford; Vernon; Rutledge Circuit; St. Mark, Panama City; Malone; Highland View-Mexico Beach; Bagdad; Newton; St. Paul, Opelika; West End, Andalusia; Calvert-McIntosh; Gastonberg; Farm Hill; Hillside, Phenix City; East Tallassee and Uriah.

Rev. Mott retired to Cantonment, Florida, and died on January 22, 1977, at 60 years of age.

DIACONAL MINISTER

JAMES B. MASON
1907-1976

James B. Mason was born on November 3, 1907, at Vienna, Georgia, and died in Atlanta, Georgia, September 12, 1976. He was married to the former Lillian Morris, who survives him, and they had one daughter, Mrs. Thomas L. Newberry, Jr. (Evelyn), and five grandchildren. Three brothers also survive.

Mr. Mason began his miinstry in education in Florida and came to Dauphin Way United Methodist Church, Mobile, Alabama, as Director of Education in the summer of 1950 under the pastorate of the late Dr. A. Carl Adkins. In this capacity he was responsible for building a strong youth program and many young men and women of today consider themselves "Jim Mason's boys and girls." Because of his influence, several have entered full-time Christian service. During his years at Dauphin Way he began the DIAMOND SET for senior citizens of Mobile, introduced innovative adult education programs, was one of the founders of couples clubs, was kitchen supervisor (he was a gourmet cook of no small talent), began the "meals-on-wheels" program for shut-ins, was administrative assistant to the Minister, began the senior citizens' workshop and program. He was a participant in the first White House Conference on Aging.

After his official retirement in the Fall of 1972, he was named Minister of Education, Emeritus, by the Administrative Board of Dauphin Way and continued to serve as Minister to Adults and Director of Volunteers until he and Mrs. Mason moved to Atlanta to be near their family. The James B. Mason School of Continuing Education, which opened its doors in October of 1976, was named in his honor.

The congregation of Dauphin Way is richer by far for having had James B. Mason as a part of the staff for so many full and fruitful years. His influence continues to be felt as the programs which he initiated are continued.

8. PROPOSAL: GREENE COUNTY YOUTH PROJECT

Submitted by the Commission on Religion and Race

Purpose: The Greene County Youth Project represents an ecumenical approach to youth and community development in rural West Alabama. The center will not replace nor duplicate the youth activities of area churches or other service agencies, but will enhance and complement those activities. It would provide an outlet for the physical, social, and spiritual energies of youth between nine and twenty-eight (9-28) years of age.

Due to the rural nature of the Greene County United Methodist Churches, district youth seldom have meaningful contacts within a religious context except through district conferences. The Center would provide an opportunity and place for supervised interaction on a regular basis.

It is conceivable that the Greene County Youth Project can be the catalyst for the development of other community organizations, by providing meeting rooms and staff counseling to community projects.

The Greene County Youth Project will also serve as a resource base for religious information, discussion, debate, and interaction. The seemingly complex components of church discipline will be amplified through dialogues with trained ministerial practitioners. Religious leaders, faith proponents, and counselors for church vocations may also find an audience through the Greene County Youth Project participants.

The rationale of the project is that, if youth are encouraged and permitted to interact within the framework of the organized church, it will yield greater adult support, committment, and participation in the various programs and missions of the church.

Location: The Green County Youth Project will be located in Eutaw, Alabama at a site to be named and will serve youth in Greene and adjoining counties.

Center Activities: The Greene County Youth Project will focus upon three (3) areas of youth and community development: **Religious Education, Recreation,** and **Human Relations.**

Religious Education. The project staff, in conjunction with area clergy will conduct religious education classes for participating youth of the area. The courses will be "non-denominational" and will utilize discussion, research, and debate as prime components. It is conceivable that area colleges with religious affiliations, such as Miles College, Stillman College, and Selma University, will provide credit or non-credit courses for the project. Youth Fellowship Workshops sponsored by cooperating religious groups will also be held at the center. A library of "high interest" reading materials will be available for check-out, or leisure reading. These materials will include copies of denominational brochures, biographies, reference books, and catalogues of college institutions, etc.

The religious component will also provide instruction in the supportive areas of church operations including: church music, youth leadership training, and church school training and credentialing, etc.

Human Relations. The Demopolis district of our conference is composed of both black and white parishioners whose shared involvements are limited due to local traditions, economics, or other social "prohibitons." The project proposes to provide activities, within a social and spiritual context, which can foster interaction among the participants. It is anticipated that the net effect of the involvements will be improved relations and cooperation between both youth and adults in the district.

Youth activity target forces will be established throughout the district, focusing on such assignments as: Youth recruitment, youth evangelism, projects on community development, and inter-personal communications. Speakers will be brought in to the offer challenges to the participants. "Fellowship suppers," "Family nght," and "Community night" activities will be held in conjunction with this phase. A major aspect of this component will be the annual "Debate and Reaction Seminars" which will encompass three days of discussion on controversial topics (political, religious, social, ethnic) of current interest.

A youth speakers' bureau will be establshed which will provide youth speakers in area churches and before other community groups.

Recreation. Believing that physical development has an effect upon spiritual development, a daily program of physical development and relaxation will be provided for youth center participants. Activities will be supervised by a part-time recreation coordinator, but will utilize the skills of volunteer coaches, physical education teachers, and recreation specialists. Activities in the realm of esthetics will be provided including art, drama, music, crafts, etc. as well as the more vigorous activities including baseball, softball, basketball, football, tennis, track and field, and swimming.

Local service agencies have offered their facilities to be used in conjunction with the project as part of their cooperative involvement.

Local Support: The proposed project will receive initial funding from The United Methodist Church, including the following agencies: General Board of Global Ministries; General Commission on Religion and Race; Conference Board of Missions; District Board of Missions and Church Extension. Funds will be administered by a nineteen member board of directors. Area churches will provide in-kind contributions to include volunteer service, reading materials, duplication services, counseling, etc. Volunteers will be used to assist the center by serving as aides, instructors, game assistants, etc. Area clergymen will serve on the Board of Directors and assist in local fund-raising efforts to sustain the project.

June 1, 1977

Be it resolved that the Alabama-West Florida Conference Commission on Religion and Race be designated as the temporary Board of Directors of the Greene County Cooperative Parish Youth Project.

COMMITTEE ON COURTESIES AND INTRODUCTIONS

Bishop Sanders and Fellow Disciples:

The multiple manifestations of hospitality we have experienced during the entire spectrum of this conference render impossible a complete expression of recognition and gratitude. Consequently, this committee has attempted to choose appropriate symbols for the expression of gratitude to those whose love and service have provided us comfort and joy.

From the youth, we have received the hope inspired by their idealism, and from those who have seen many springtimes, the confidence that accrues from their wisdom. The laity, led by Mr. C. H. McGehee and Miss Alice Lee, and challenged by Mr. George Wright, has inspired us once more with the warm heart of love and the open hand of service.

We are grateful to the Reverend Torrence Maxey and the congregation of the Capitol Heights United Methodist Church for providing a setting for the service of the Blessed Sacrament; and to Dr. T. L. Butts, Jr. and the congregation of the First United Methodist Church for serving as hosts for the service of Ordination during which we were inspired not only by the presence of the ordinands, but also by the preaching of Bishop Ellis Finger.

The presence of Dr. Allen Montgomery reminded us that we share the yoke of discipleship with our sister conference in North Alabama. We are grateful to Dr. David Flude for reminding us that the world is indeed our Parish and that ths great communion provides a vehicle of service that will enable us to go through our gifts and those who bear them, where we cannot literally go ourselves.

Dr. Daniel C. Whitsett, during the Service of Commemoration reminded us of the Kingdom beyond and the fact that we are transients on this planet. Because of our brothers and sisters of the faith who have moved into the nearer presence of the Holy Father, we are assured that the fires of faith shall not be diminished.

The compassionate concern expressed by the conference of 1976 for the welfare of those shepherds and their beloved mates who have reached the time of retirement, was validated by the action of the conference of 1977 as the members thereof enthusiastically endorsed the report of the Board of Pensions. The faithfulness and competence of Dr. Harold Rohlig provides a fitting symbol of all those whose music inspired us. Dr. Paul Duffy, Dr. Allen Jackson, and the Reverend Gerald Maddox and the staffs they symbolize, remind us of the excellence of the housekeeping that was accomplished in marvelous spirit to make our visit to the lovely Huntingdon Campus a happy one. Their efforts were enhanced by the labor of those whose artistic talent provided the inspiring backdrop for the dais. The meticulous care with which our faithful secretary, The Reverend Lloyd Kimbrough has led his own staff and coordinated the work of others, is an appropriate symbol of that group of dedicated men whose labors of love provide the necessary bridges to link the episcopacy, the clergy, and the laity.

Our own beloved Senior Shepherd, Bishop Carl Sanders, has once more been the spiritual and administrative catalyst for a year of stewardship during which this conference has demonstrated that it is alive, through its growth, its responsiveness, and the commitment of its members to the Lord of Life to whom we owe ultimate gratitude and complete devotion for his gift of life to each of us.
